

## 01.How To Approach Astrology And How It Can Benefit You.

It is to improve things internally. Not in the external world.  
It is just to give a little direction or push. It is not a definite solution to solve problem.  
Everything is based on probability.  
We need to check the risk to reward ratio.  
Astrology is limitless.. It is applicable to all areas of life >> marriage, career etc.  
Zero was discovered because of infinity.  
Astrology is only for Intelligent. Not for common people. As common ppl dont have patience.

==

Saral\_1:

Astrology wont reduce your pain but can reduce suffering.  
Astrology is to be experienced. You might experience stomach upset or temporary break in faaltu relationships while learning this.

## 02 The Two Types Of Astrologers

**Venus(shukra) based:** quick remedy. Karam Kandi. Energetic, slim, quick. Will tell very specific remedies. Their age is less comparatively.. About 70yrs.  
He doesn't reduce panic level but will tell solutions which will have effect in short time(maybe within 2 days). Its like steroids.  
They earn more money. As people require frequent visits. He doesn't recommend ppl to any Jupiter based. For short term gains. Dara deta hai.

**Jupiter(Guru) based:** relaxed, laidback. Not very strict with rituals. They live longer than Venus type. He doesn't panic. Their consultation is more expensive(3-4 times than that of Venus). A person doesn't need to visit him again. He solves problems for long term. He can recommend ppl to some Venus based astrology. They can recommend something simple like do Gayatri Mantra daily etc. their clients are less. For long term gains. Darr khatam karta hai.

Astrology is not taught for free as teacher has to give his Punya of 9th house. Astrologer SHOULD take something for helping others via astrology.. Even from his blood relatives... else the remedies wont work. Amount doesn't matter but it has to be something tangible like 5 rupees, 500 rupees, a banana, coconut etc.

## 03- 12 Houses In Vedic Astrology

In vedic astrology your moon sign and lagan are most important.  
D1 chart is 80% astrology.

12 Rashis | 12 Houses | 9 Planets

House numbers are NOT written in the diagram. House has living and non-living things(materialistic.. Like property) significance. And in life only one thing will work well(either relations with living thing corresponding to that house OR the corresponding non-living thing).  
Ex. It wont happen that we will get a very big house, car AND mother is also healthy and happy(all in 4th house).  
If we are not getting happiness from living thing in that house ⇒ we will get happiness from NON-living things in that house.

Houses explained. Below are BASIC things. There are lot more info in each house.  
1st house = Lagan(Ascendent). Horizon point at 90 degrees EAST at time of birth.

**House** number and its interpretations:

1. SELF | how is your body and its immunity | health. | physical appearance.. Face, hair | personality | will power
2. ORIGINAL FAMILY | your childhood(bachpan) | Assets(sanchit dhan(real assets), savings) | Original family(with parents i.e how was your childhood) | Food
3. YOUNGER siblings| sasur | Neighbour | **communication** and regarding **short** travels(morning till evening travel) | regarding Office colleagues | regarding courageous, fearful, or timid | Parakram bhav | paper work in office  
(3rd is sasur also as he is 9th from wife's(your 7th) house)
4. MOTHER| homeland | house/real estate/property | **happiness** | vehicle(like car) | primary education(1st to 5th class) | will you be happy in yr **homeland** or you will need to move to a far away place | Sukh bhav.  
Check this house to check if you will be happy or sad in your life. If you are unhappy ⇒ check this house.

5. KIDS (specially eldest i.e 1st child) | Romance in life aka love affairs aka romantic life | Old times academic education(like astrology) | current life's secondary education(6th to 12th) | gyaan | about kids (how many, late or early, normal or cesarean) | Creativity(singing, hobbies, painting, music, writing)  
5th house is dadaji also as it is 9th house from your 9th(father) house.  
It also signifies Last janam ka gyaan.

6, 8 and 12 = triga bhav. Info about losses in life. Are not considered as good houses.  
1, 4, 7 and 10th = Kendra = inner box in house diagram  
1, 5, 9 = Trins

6. MAMA ji | **WORK** | Health, diseases | debt | friends and **enemies** | rog, rin, ripu. We get to know the strength of our enemies... will we be able to defeat them or not.  
If Rahu in 6th house ⇒ you will have high level enemies.  
Regarding Work: type of work, competition etc
7. SPOUSE house | relationships generally.. Like with general public etc | partnership..like business partner etc | going on 4-10 days vacation(can predict when will you go and how will it be).  
If saturn here ⇒ your spouse will look older.
8. **IN LAWS** | Age(aayu) bhaav | health | sudden tranformatory events | **Inheritance** (from Father)| House of death(check this). In laws is in 8th ⇒ mostly not good relations BUT can be good if there are some specific planets here. | death(mrityu bhav)
9. **FATHER** | Higher education(Gyaan) | Dharam bhaav(religion) | about Father | long travel(foreign country) | Guru bhaav
10. Father's Family | **WORKPLACE** environment (Karam sthaan) | Promotion | fame/respect | govt job or self employment | mother-in-law.  
Regarding workplace: will you get respect ?
11. ELDER SIBLING | Dhan bhaav(paisa kamana) == house of gains | from where the money is coming (GAIN) | some have this good BUT dont have assets(2nd house) | large Network or friends(if there is no elder brother)
12. **Daadi** | Bedroom life/ sexual life | long Foreign travels(foreign settlement) | Sleep | Moksha | **spending money**

For Dada ji ⇒ our 5th house(which is 9th house from our Father's house.)

some dont have good dhan in 11th house... but have good inheritance in 8th house ⇒ good assets in 2nd house.

Analysis: 7th to 4th house ⇒ Wife's Mother ⇒ if mother in Law has teeth problems(2nd house) ⇒ I can lose money(within 48hrs) ⇒ its called Nimit(loosely called shagun and Apshagun)

Every **house** also has info about **Body Parts**.

1. Forehead. Sun here means glow on face but it can also means baldness.
2. Face. Mercury here ⇒ child like face | Sturn here ⇒ looks older/uglier | Right Eye.
3. Neck | throat | shoulder | hands
4. Lungs and heart. If Rahu here ⇒ heart issues. MArS here means Asthama.
5. Stomach. Saturn here ⇒ constipation, colon issues. As saturn is cold.
6. Large and small intestines. abdomen
7. Reproductive Organs | Ovary issues, sperm count issues
8. Anus. Mars here means you eat very spicy and mirchi ⇒ piles chances are high.
9. Thighs. If saturn here ⇒ pitaji ke legs and thighs dabao.(remedy)
10. Knees.
11. Shin and Ankle and pindli
12. Feet | feet should be good for foreign travels | Left Eye

House = Ghar = Bhaav

If someone stammers ⇒ Ketu in 2nd house Or second Rashi.

## 05. Understanding The Significance Of Planets

Good planets give you good.

Bad planets spoil one thing but gives you another thing.

More planets in a house ⇒ your life's focus will be more here.

If many planets in 8th house ⇒ focus on hidden activities >> sexual relations, research etc

Planets dont change houses. Transit is different thing.

Unchh ⇒ good and powerful.

**Sun(ravi, surya) - Sunday**

**moon(Monday)**

**mangal(mars) - Tuesday**

**budh(mercury, Prince) - Wednesday**

**guru(brahaspati, jupiter) = Lord of Devas - thursday==Guruvar. shukra(venus) == Lord of Detyas - Friday**

**shani(saturn) - Saturday**

**Rahu(north node) and Ketu(south node)**

**Venus == Shukra**

**Sun** = Father | king = Lord Ram == idealistic, righteousness, king, Bright Light(our focus will be here), authority, your ego, your soul. Nearly same as Leo rashi. Sun just improves focus... it doesn't give any result unlike other planets.

**Moon** = Mother | Moody Rani == our mann | Cash | Water ⇒ bad moon == water leakage == cash leak also = mom's health weak.

We don't work very hard where moon is(ass moody rani). Something similar happens with Venus.

**Saturn** = Servants(maid, driver etc) | poor Old Beggar Helpless Cold, might have leprosy. Humiliation ⇒ you will feel humiliated here in this house.

**Venus** = Spouse | Beauty, perfume, luxury, bhog vilas, leisure ⇒ dirty place will result in bad venus = bad relations with spouse

**Jupiter-Guru** = Mentor | who provides guidance | wise person, Wisdom, religion, with guru tatva, some obesity also maybe.

**We can increase Guru tatva unlike other planet traits. We should sleep for 1 hr at noon to increase Guru Tatva**

**Mercury** = all female relatives(except Mother and wife) | closest is sister = small curious kid, baniya, accountant

**Mars:** Brother | senapati of Devtas, courage, army commander with sword, if it is in the charts ⇒ you are unbeatable and ready to die in the house which has mars, do or die. Mars takes orders from Sun. Mars doesn't think... it just does. Sun does the thinking. Mars is with Righteousness.

**Ketu:** it **cuts**(means you wont get it) | Nanaji | flag, higher calling, **spiritualism**, not very tangible, disorder/chaos, cutted portion below the neck, mindlessness and confusion also

**Rahu:** it **Multiplies** | Dadaji | like khilji character in Padmavat movie, senapati of dettyas, no rules, he will get what he wants, never satisfied. Like air.. Dhoka, illusion. If it is in Lagna ⇒ your personality is like that.... Its like junoon.Obsession. Is uncontrolled.. Brings disbalance. Rahu ji cannot be controlled by anyone... but Jupiter CAN sometimes control Rahu ji.

⇒ Rahu in 9th house == you are extremist for Dharam

Planet (owner of)	Unchh	Neech (exactly opposite house )
Sun(5)	1	7
Moon(4)	2	8
Mars(1,8)	10	4
Mercury(3,6)	6	12
Ju(9,12)	4	10
Ve(2,7)	12	6
Sa(10,11)	7	1

Owner is of that number rashi as well as that number house.

Su and Sa are enemies ⇒ unchh and neech exactly opposite.

But ju and mars are best friends. Venus and mercury are also friends.

## 6. The Significance Of Rashis

Rashis and houses are somewhat inter related. Aries features can also be associated with 1st house features.

Houses are not written. Rashi number is written in houses in the chart.

Rashi features are somewhat like that of its Lord.

If a planet is in some house then that house will have that planet's effect AND the planet will also have some effect(less than that of house) in the Rashi which corresponds to that house number.

Ex. If MARS is in 7th house ⇒ some fights with spouse. BUT Mars will also have some effect(less effect than house) in 7th Rashi(in whichever house it is.)

Lagnesh is Lagan house lord.

Rahu and Ketu dont have Lordship.

Sun and moon have single lordship.

Below are Rashis | **Its Lord(Swami)**

1. Aries = Mesh | **Mars(Mangal)** == fiery(like fire) ⇒they are impulsive. Unhe jaldi karne ki chull hogi... for doing things corresponding to that house.
2. Taurus = Vrishabh | **Venus(Shukra)** == your Resources
3. Gemini = Mithun | **Mercury(Budh)** == 3rd house lord= tritesh
4. Cancer = Kark | **Moon(chaturtesh)** == Mother
5. Leo = singh | **Sun**
6. Virgo = Kannya | **Mercury**
7. Libra = Tula | **Venus** (saptmesh)
8. Scorpio = Vrishik | **Mars(Mangal)** == jiddi, transformatory, Rondu(cry baby types) |
9. Sagittarius = Dhanu | **Jupiter**
10. Capricorn = Makar | **Saturn**
11. Aquarius = Kumbh | **Saturn**
12. Pieces = Meen | **Jupiter(Guru)**

If cancer is in 5th house ⇒ Lagna rashi is Meen (do the math because if we know 1 rashi's house.. Then we can calculate others also)

Lordship == dominating.

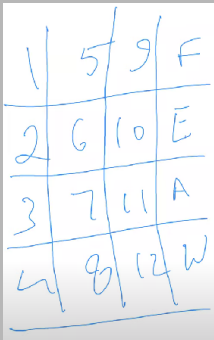

Kalpurush Kundli starts with Mesh Rashi(i.e Lagan) ⇒ this kundli has same rashi number in same number of House.

Venus is lord of 2, 7

Mercury is lord of 3, 6

Mars lordship of 1, 8

Combos of 3 make triangles. Everything is 5th to each other.

1	5	9	F
2	6	10	E
3	7	11	A
4	8	12	W

The below Trios form triangles.

And they all are 5th to each other.

Rashis 1,5,9 ⇒ nature is somewhat similar i.e. fiery ⇒ you have fire inside you. Ladaake types. Ego. Aggressive

1- Aries: ⇒ jalane wali fire... to do things fast without thinking. This is both a strength and weakness. impulsive nature..

5- Singh ⇒ Fire of a King. will have Ego also. Will have tej on face. Will think of himself as a king.

9 - Ladaai but for dharam Or principles

2,6,10 ⇒ Earth. nature is somewhat similar: they are very hard working. Jameen se jude hue practical log.

2: bhog vilas

6: does hard work and is judgemental but Money is his driving force.

10: does very hard work but as saturn is there ⇒ less money for work

3,7,11 ⇒ vayu(air). nature is somewhat similar. They are light. They all like to talk and do yaari dosti.. Make network.people connection.

3: networking for earning money.

7: pyaar, love waale relations

11: connecting ppl for larger good. Big network.

Rashis 4,8,12 ⇒ Jal element rashi | nature is somewhat similar ⇒ they are emotional.

4 ⇒ clear water of a pond, depth is not much(shallow).. Like that of a mountainous lake.

8=Scorpio ⇒ muddy, dirty, dark sewage water

12 ⇒ very deep sea water

1st house Rashi is applicable to you.

4th house rashi is applicable to your Mother, 7th for spouse, 9th for Father ... and like that

9,10,11,12 rashis are of higher plane and they are ruled by Saturn and Jupiter.

And kalpurush rashi and kundali are same ⇒ 9, 10, 11, 12 houses are also controlled by Saturn and Jupiter.

Saturn and Jupiter are very very important.

If Vrishabh in 7th house ⇒ your wife is your resource ⇒ earning wife.

If scorp is in your Mama house ⇒ your mama is jiddi

House 1 tp 7 == Life's initial time(till 42 yrs of age)  
8 to 12 == later time(after 42) ⇒ if more planets in these houses == more activity in 2nd half of the life

Astrology can tell you in which profession you won't do good OR in how many attempts you will succeed .. this is how it helps.

Your life's sukoon is with number 4... like if 4th house is in Mother's bhaav (which is for Mesh rashi) ⇒ you will get sukoon with your mother.  
If 4th rashi is in 9th house ⇒ sukoon is with your Father.

For Capricorn guys == 4th rashi is with 7th house ⇒ sukoon is with spouse.  
If 4th rashi is in 11th house ⇒ sukoon will be in money  
For libra > 4th rashi is in 10th house ⇒ sukoon is with your Job  
For pieces ⇒ sukh is with kids

## 8 | Recap Of Previous Astro Classes

9 planets, 12 houses and 12 Rashis.  
Every house will have a rashi.  
But every house may not have a planet.

You will have less focus relatively... in your empty houses.  
Generally⇒ focus will be where most planets are there.

More planets in 8th ⇒ focus can be on sex OR in getting inheritance from father OR in deep research  
Ex.. 3 planets in 10th house ⇒ work is important in life.. Getting fame from workplace.

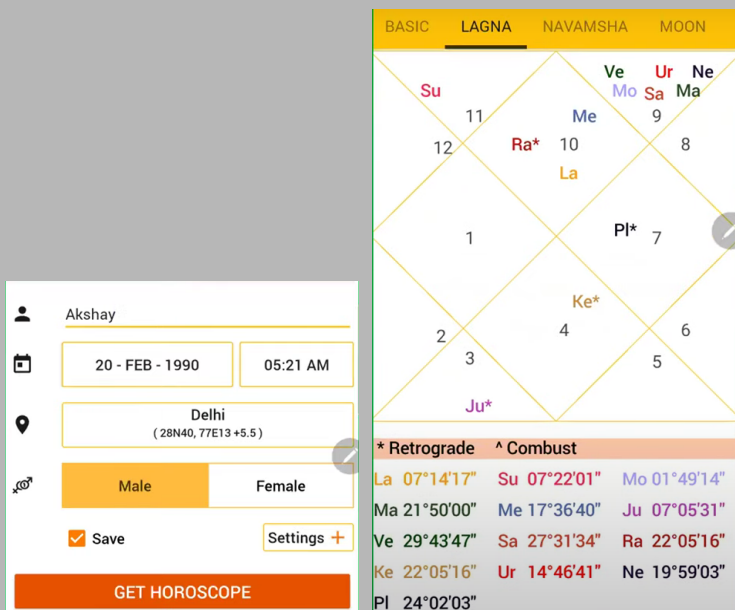

Use different houses to get more details on one topic.  
Ex. to check sukh > check 4th house.  
Gyaan, higher learning ⇒ check 9th house  
Relation with Father > check 9th house... and like that

Sleep issues | foreign trip | money losing ⇒ check 12th house  
About larger friend circle and network > check 11th house  
About enemies | court cases | disputes | debt > check 6th house  
Elder child > 5th house  
Romance | love or arrange marriage | > 5th house

Assets(sanchit dhan) > check 2nd house  
Like... if you cannot hold assets with you according to astrology ⇒ check if it will be good if property is taken in Wife's name.

=====

Sara1\_1: CS

⇒ capricorn lagan and Moon is sagittarius.  
So many planets in 12th house ⇒ life has issues.  
Importance: house > Rashi > planet  
⇒ Ex Mars in 7th house ⇒ Mars will have major effect in 7th house  
AND if Mars is with 7th Rashi ⇒ Mars will have some effect in this 7th rashi house as well BUT this effect will be less than that of when Mars is in 7th House.

Lagan of 5 to 25 degrees is comfortable. Lagan changes every 2 hrs. ⇒ all rashis get rotated anticlockwise(one house shift) every 2 hrs.  
1 house is of 30 degrees. 1 degree = 4 mins.>> 360/12=30  
⇒ if birth time changes  
Total is 360 degrees. House d1 chart could have been circular also but our rishi munis considered current chart shape as better to understand n draw.  
If lagan is 29.5 degrees then you should be very careful with the birth time to make correct kundli.

Houses 1,4,7 and 10 are Kendra house.

Lagan was at 90 degrees at your birth time.

=====

## 9 | Significance Of Planet Sun And Leo Rashi

Sun and Leo can be used interchangeably.

Sun == Ego ⇒ wherever Sun or Leo Rashi is... there you are Egoistic, or that relative is egoistic.

Ex. If Sun is in 10th house ⇒ you are seeking **pride, fame or ego** there. IMPORTANT.

If in 7th house ⇒ you take pride in your spouse.

In 5th house ⇒ pride in your kids

Sun in Lagna ⇒ broad forehead and good glow >> sun will light the house it is in.

Sun's position in house ⇒ you will have clarity(light) in that aspect. Ex if in 9th house then your relation with your father is not confused(good or bad).

If in 7th house ⇒ clarity of relationships(gyaan of relationships)... but quarrel with spouse can also be there.

Its HOT where sun is ⇒ some quarrel with that relative also.

If in 4th house ⇒ hot talks with mother.

But no issues with quarrels neither much benefit. But its there.

Leo in any house ⇒ they have ego in that aspect. They want fame there. They need clapping in that house.

Leo's Lord is SUN ⇒ if 5th Rashi OR Sun in Lagna ⇒ they seek fame...are egoistic.

Sun is signification of your Soul(mann)... where is it... in which house.

Like I have Sun in workplace.... So I should not stop seeking fame there.... I will get it...

Sun is like Father. Father is Guru (both in 9th house). Father is more important(say) than mother as he can risk his life to provide for family. In today's world.... Father's role is to EARN. If he doesn't earn ⇒ he is not a good father. Father's role is to provide, protect.

Moon is like Mother.

## 10 | Moon And Cancer Sign : Where Your Sukh Will Come From:

Wherever 4th Rashi is >> it is Cancer rashi (Kark rashi)⇒ from there you will get sukh.

Another sukh giving things is where the Moon(Mo) is.

Moon and Cancer are mostly at different places.

Which Rashi are you ? ⇒ see the Rashi in your Lagna.

Cancer(4th Rashi) in 1st house(Lagna) ⇒ he will get happiness from his own self ⇒ he should take care of his own health.

BUT it is normally seen that people seek happiness elsewhere... where cancer and Moon are not there... and they get disappointed.

First check moon is in which house > then check cancer rashi 4 is in which house > **then use the Rashi number in which the Moon is**

Ppl with moon(chandra rashi) in 1st house ⇒ their face is rounded type and you cant tell their caste.

Also... you cannot hide feelings.... They are depicted on your face. Such ppl are 8.3%(1/12) people are like that. Rest all people can hide their feelings.

If cancer in 2nd house ⇒ happiness from good food, foody, ⇒ their moon could be in taurus.

Also 2nd house means FACE ⇒ they will be happy in maintaining their face, beard, face massage etc

2nd house also relates to Original Family ⇒ he will find happiness there also.

2nd house ⇒ he will get happiness in creating assets.

**Something similar will happen if Moon is in 2nd Rashi i.e Taurus**

If in 3rd house ⇒ happiness from younger sibling or neighbour. ⇒ if a guy spends money on his younger brother(he will find happiness in it... and the more one is happy... the more laxmi he gets ⇒ more Barkat)... his wife should let him do it.... Even if it costs money ELSE he will become sad(means less Laxmi) OR he could also find happiness in his neighbor(yes).

Happiness from short travels

REMEMBER: Laxmi comes to those, who are HAPPY. Be happy, and money will automatically come. Try practicing it for 2-3 months.

FOLLOW THIS FROM YOUR HEART.

If moon or cancer is in 4th house ⇒ you will **SEEK** happiness from Mother but will you get happiness or not will depend on other factors also. You will be sad if you dont get it.

Or you will be happy with CARs... they will know all the features of the car.

Happiness from respect given by other people.

If cancer in 5th house ⇒ happiness in kids, romance, creativity. It also means that his lagna rashi is Meen.

**Something similar will happen if Moon is in 5th Rashi i.e LEO**

If moon or cancer rashi in 6th house ⇒ they like fighting. Or commenting/criticizing about food(being judgemental). ⇒ it will be your natural instinct BUT you should AVOID it and you should not be judgemental. 6th house is not a good house... as it is house of debts.

⇒ you can be good at resolving workplace conflicts(like HR job)

⇒ you could also be good at resolving diseases .. as it is house of diseases and you might get surrounded by diseases but we can get paid for that... OR we can link ourself with some pharmacy etc

⇒ you could become a lawyer(to resolve conflicts) as it is house of conflicts ⇒ yes you like fighting.... But you can get paid to fight cases for others.

⇒ you are judgemental > will point out small mistakes also... But it means that you have good observation.. You can use it for your own benefit.

Moon in 7th house ⇒ their spouse will look younger.

You will be attracted to opposite sex. Chances of affair are high. You will be interested in opposite sex life long.

Moon in 8th house ⇒ it is house of sex ⇒ your mann will be in sex OR in research(Phd types).

It is dark house of Jyotish also.

8th house is shady... it is daldal of scorpio moon. These ppl are revengeful. Moon is NOT comfortable(happy) in 8th house. But these ppl are very transformatory.

If cancer rashi is in 8th house(means your lagna is sagittarius[dhanu]) ⇒ you will be interested in doing things under the ground like mining, gems OR you will be interested in becoming a spy(or reading spy novels). Matlab... you will enjoy it...

These are interpretations... but main thing is... you will be interested in which is NOT Visible or which you dont want to show. This includes watching porn.

These ppl should become astrologer as astrology is also something which cannot be seen or touched.

Moon or cancer in 9th house ⇒ this will be for scorpio rashi(cancer in 9th house) ...

They will seek happiness in their Father or Guru, in dharam, long travels

Cancer or moon in 10th house ⇒ it is of workplace and work environment. ⇒ happiness in work.

You MIGHT not even get recognition but you will get happiness.

If you are tula rashi⇒ cancer is in 4th house.

Moon in 11th house ⇒ house of elder sibling and money. So happiness in money. Final thing will depend on other things also. But money will be your focus. Larger network ⇒ in school or college... you will have a large circle.

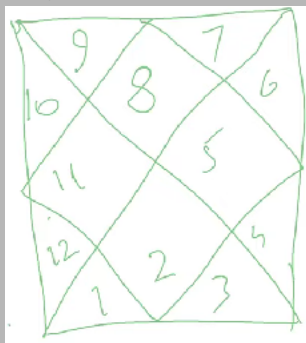

Moon in 12th house ⇒ bed pleasures, moksha, foreign lands ⇒ you will find spirituality OR going to foreign lands to be source of happiness.

This happens for Leo Lagna.

FACT: where your sukh lies(house)... it won't be easy.. But it will be simple once you understand it.

Find sadness source also.

Ex. if you have 8th Rashi(scorpio) in Lagna.

⇒ check Rashi numbers in **6th, 8th and 12th** house(1, 3 and 7) ⇒ you wont be good with the people who have 1,3 or 7 rashi in their Lagna. It can be their wife, kids, boss etc. THis is checked in kundli matching.

The guy with 7th rashi in lagna will make you loss in money.

The guy with 1st rashi in lagna can fight with you verbally... get you in court cases

The guy with 8th rashi in lagna >> he wont do verbal loss.. He will do big loss to you... if she is a female then she might defame you.

Also note rashi number in 4th house(11) ⇒ guy with 11th rashi in it lagna will give you happiness.

We will get more clarity of how these guys will cause yout o experience loss IF we also include planets in our predictions.

You should not share your date and time of birth loosely on whatsapp or anywhere else. Because you could be taken advantage of then.

The rashi in your lagna is YOUR RASHI.

**Moon with Rahu ⇒ people with think too much in that house.**

## 11| Mars And Aries/Scorpio

Aries also has some effect in 1st house also... as aries is in 1st house in Kalpurush kundli.

Aries is security. Here .. either we are secure.. Or we seek security here.

Whatever planets we study... they come in our life.

Studying Mars might involve you in a fight/quarrel within 24 hrs.

Wherever Mars is > we cannot be defeated in that house. And we will naturally take responsibility and leadership. We can fight for that.

7th house ⇒ relationships mai app haar nahi maante. You will take full responsibility in the relationship. MAANGLIK.

Here you will be aggressive but you will be aggressive FOR your partner(protection of spouse)

If in lagan ⇒ it will be very difficult to beat you in any field. And u r a responsible person.

In 6th house ⇒ you will be very difficult to defeat in legal disputes.

Maanglik dosh == u r Manglik == Mars in house 1,4,7,8 or 12.

It can be good if your spouse is maanglik and if he/she will do things according to him/her and will take full responsibility. But fights happen because you also want to have your say in things.

Maanglik spouse can give up their life for you. Maanglik man is aggressive and it is acceptable in society. Maanglik woman can fight for her man... it is good but an aggressive woman is not acceptable to society.

Non maanglik person can marry maablik but it will need maturity.

In 9th house ⇒ u r ready to fight for Dharam.

10th house ⇒ at workplace.

11th house: nobody can beat you in the field of Money(Anjali)

And Same is applicable to Aries Rashi of yours.... In whichever house 1 is written. You are impulsive here. You take quick decisions here.

If you are Libra and Aries is in 7th house ⇒ you quickly decide whom to marry.

In 4th house ⇒ we take quick decisions in buying car/property etc.

If you are scorpio ⇒ Aries in 6th house ⇒ you fight quickly. Dont think much... just fight.

Aries in 2nd house(for meen rashi) ⇒ you are quick to decide on food.

Signs of Good Mars: you are doing good in property, good relations with brother.  
The one who doesn't have good relations with brother ⇒ Mars will spoil/weaken.

The one who has big dense eyebrows will do good in real estate.

Mars has drishti in 4,7,8 house.

Mars in 8th is considered bad. It might result in fights with in-laws. Strong person. Accident and injury prone.

If lagan is gemini. ⇒ ye banda paise ke liye bahut ladta hai. He will fight even if you take his 100 rupees. As his aries is in 11th house.

Mars in 10th house == uunch ka(exalted) Mars. ⇒ you are maanglik. Can have fights with in-laws.  
BUT if you are Cancer rashi in lagan ⇒ MArS is debilitated in 10th house⇒ overall cancel each other.

MArs in 4th house == debilitated MArS

Mars in 3rd house ⇒ they dont have younger siblings.

Aries in 3rd house ⇒ you will be always ready to fight with your neighbor or younger sibling. In case you dont fight ⇒ you will be taking decisions on behalf of your younger sibling.

Aries in 12th house ⇒ you wont take time in taking decisions regarding things in this house like going to foreign country, making physical relationships with someone, going towards moksha.

Wherever Aries is ⇒ you wont feel hesitant in fighting for the house's things.

.Aries in 11th house ⇒ you can't leave your money. You will fight for it.  
-----

### **Aries(Rashi 1) and Mars from Saral course:**

Wherever there is Aries... then you will be impulsive(quick hurried decisions) ⇒ you should try to give a thought before taking decisions here in Aries house.  
As Mars is its lord ⇒ there is some MArS energy here in Aries house also.

Mars is responsibility. MArS is do or die. No dya bhaavna. Red face in anger(like planet mars). High Energy..

Mars is required in Leadership like PM of India or in Army. We need more MArS in PM.

Jupiter PM was accidental PM.... He cannot lead the nation.

>> Wherever MArS is. We naturally take responsibility in that area.

Ex. if in 8th house ⇒ he will take responsibility of his in-laws. He wont seek permission.

⇒ if bahu has this ⇒ she will help her in-laws if they are weak financially or anything.

IN CASE in-laws are doing good... still this bahu will take responsibility and will take decisions like curtains color etc... It is good.

Generally, Mars women(responsibility takers, big eyebrows) are not preferred as their ladakaan gets out in the form of bitter words and Men can't tolerate that.  
Thats y mean dont tolerate a shouting lady(boss, mother, wife etc). But this is considered as normal in case of Mars(ladaka) men in society.

Where Aries is there >> here jeevan mai kuch naya hoga. You will be impulsive here(take decision quick).

Ex. for tula lagan ⇒ Aries in 7th house ⇒ you will be quick in getting into relationships.

And your wife will be ladaka(mars types) no matter whomever you marry. But this ladaka energies can be good also in case they are used in YOUR favour,.

For Saggitarius ⇒ aries in 5th house ⇒ you will understand studies quickly and you will also get into romantic relationships quickly.

For Leo lagan ⇒ aries in 9th house(of father, higher learning, Guru, foreign travels) ⇒ means these things decisions will be fast. Your father might be ladaka also..

Makar guy has ladaka mother..

Capricorn lagan ⇒ mom is ladaka (ME) OR you will make quick decisions while buying home/property.

Scorpio guy has Aries in 6th house ⇒ you will fight with others in no time. Impulsive. OR you will take loans quickly(impulsively) OR you will get diseases easily(quickly).

So, if you dont fight and also dont take loans(or credit cards) ⇒ you will fall sick very often.

House wife's chart is weak and many things don't payout as they have reduced their circle of influence. No promotion etc can be predicted.

A weak mars guy cannot achieve anything in life. Check this for myself.

**To improve Mars ⇒ read Hanuman Chalisa thrice daily.**

### **Mars is comfortable(Uunch ka) in Capricorn ⇒ this we have to learn by heart. No logical/mathematical evaluation of it.**

In Kalpurush kundl > Capricorn is in 10th house ⇒ generally Mars is uunch ka in 10th house.

Mars in 10th house is good in 10th house ... for workplace

**MArs is Debilitated(neech ka) with Cancer ⇒ in 4th house. AS 4th house is of emotions and Mars has nothing to do with emotions.**

Mars is cruel. Do or die.

Mars in Lagan is Manglik.

Never take panga from ppl who have MArS in their Lagan.

Mars drishti >> 4, 7, 8th

You want to OWN the things in 4th house from mars.

7th is cruel dridhti.

You would want to destroy the things in 8th house.

Moon, Sun, Mercury and Venus have only one drishti i.e 7.

## 13. Lord Shani and Capricorn

Check where is saturn in your chart.

Saturn is COLD. it will bring coldness in relations with that house.

Ex. if in 9th house... then you might find your father as strict.

In 7th house ⇒ cold relations with Wife.

In 4th house... cold relations with Mother.

Saturn also brings pain ⇒ mother might have pain in bones.

In 5th house ⇒ issues in digestive system.

In 12th house ⇒ issues with SLEEP.

Saturn also brings in Delay in that house. Not negative.. Just delay.

Saturn also make you work very hard in that house.

If in 10th house ⇒ you will work very hard

Something same with Capricorn:

Check house of capricorn ⇒ you will have to work for that relative.

Suppose capricorn is in 3rd house.. Lets say for Scorpio. ⇒ you will do something for your younger sibling... no matter how bad that younger brother is.

If capricorn is your Lagna Rashi... means your rashi...then this template will be in your whole life. Its ME.

If it is in 2nd rashi ⇒ then you will have to continually do for your parental family. You cannot leave it aside.

Saturn also has drishti. 3rd drishti can be source of pain.

If Saturn is in 1st house ⇒ its drishti will be in 3rd house... and so on.

If saturn in 9th house ⇒ bhagya is delayed.

Saturn in 5th house ⇒ kids will be late. Romance is late.

In 7th house ⇒ late marriage OR marriage will some older looking lady(she could also be of more age than you).

Saturn is like old man. He also tests you.

### Saade Saati:

When saturn is in 12th house from moon OR in Lagna OR in 1st house ⇒ your saade satti is active.

It is a challenging period. It consists of 2.5 yrs three dhaiyya. It changes environment... no comfort.

You will face struggles depending on your rashi.

It will bring out sweat out of you ⇒ a riksha walla wont fell it much as he is already sweating.

You cannot bypass it. Nobody can help.

In sade satti... you get results in 2nd or 3rd try.

## 13 | Venus, Taurus And Libra Rashis

All 3 are related as Venus(shukra) is swami of both ⇒ we can use them interchangeably.

If Venus is in Taurus OR venus is in Libra ⇒ this trait is more increased.

Note: similarly, where we have Rashi numbers as 2 and 7 ⇒ they will be very similar to houses 2 and 7.

Jupiter(Brahaspati = lord of Devas) sent his son to Shukra(Shukracharya = Lord of detyas) to learn astrology.

Venus is beauty, luxury ⇒ in that house you will have grace.

If in Lagna ⇒ you have a graceful personality. You will be fond of high end things, luxury.

Expensive things give happiness and comfort.

Like a luxury car, high quality clothes, expensive perfume.

Venus is spouse also.

If Venus is in Lagna ⇒ you are not very hard working.

Fact: the girls who are very beautiful ⇒ they are less hard working.

Gyaan: if God didn't give you beauty >> but at least you can maintain hygiene, oral health, body odour, nails cutting, clean ironed clothes. ⇒ if you do these things then your Venus gets better.

Opposite of the above is SHabby. Ketu results in shabby..like scientists.  
Dirtiness is different than shabby. Dirty results because of Saturn.

Analysis: If Venus is getting bad == Venus is getting bad ⇒ remedy .. use clean bed sheets, use perfumes, cleanliness, paintings(luxury).

Taurus = sign of resources. Its in 2nd house for Kalpurush(here we can interchange rashi and house numbers as both are same)  
Find where is taurus rashi(rashi 2) ⇒ this is sign of our resources. Check house.  
Kalpurush is Aries guy.(also called natural Zodiac)

If you are scorpio i.e 8th rashi (in lagna) ⇒ your taurus(rashi 2 or vrishabh) is in 7th house >> and 7th house is of wife, relationships, partnership ⇒ your resources will come from them.

If you are capricorn(me) ⇒ taurus is in 5th ⇒ kids will be resourceful. OR even love affairs or education can be resourceful. In my case.. My education is resourceful.  
If 3rd ⇒ you will get resources from younger brother if you ask.  
If 11th ⇒ from elder brother.  
One must know where their rashi 2 is located.>> as it will be resourceful if used.

LEO ⇒ resources are from Workplace ⇒ Many LEOs are in govt job.

Number 2 is also your mouth ⇒ Food.. it was a good resource in old times.

Resource can be money, food, clothes ... anything. It can be jugaad also. Means from which house I can get jugaad

Check RASHI of your venus ⇒ your spouse can have that traits.  
If venus is in Mars rashi ⇒ your spouse can be aggressive, angry(can be in police, army or criminal also)

If venus is in Guru rashi(12th house) ⇒ it is enemy types. Venus is **UCHKA**(exalted or **powerful** or very happy) in guru rashi.>> and this happens in **pieces** ⇒ it is very difficult for you to get Moksha.  
If Venus is with its friend Mercury i.e in 6th Rashi ⇒ Venus is weakened or debilitated as it becomes very judgemental.

Moksha is attained by satisfaction.... It requires some luxury. It is very difficult for a poor guy to get moksha as he might not get proper food, clothes OR your kids are not getting things in life. Not all rich ppl are satisfied as greed has no limits.  
Saashu sant are different. We are talking about normal common ppl.

When you bhog lete ho.. And usse chhik lete ho... means fully satisfied... ⇒ then you might attain moksha. Its a process.

Top Secret of Venus: we need to spread this gyaan as much as possible.  
Venus is of two types:

1. Which we can touch >> it is lower level venus and if you like such things you won't be able to attain Moksha. Ex. if you find happiness in good clothes, car, food, body
2. Which we cannot touch>> if you find happiness in such Venus ⇒ you are of higher frequency and you can attain moksha. Ex you enjoy music, gyaan, meditation, pregnancy, cleanliness, astrology

Where there is venus > we cant work hard in that field. So we should not push ourselves in that field. Just relax and enjoy.

If venus is in 9th house ⇒ you will enjoy travel.  
If venus in 4th house ⇒ you will like a big house in good location and it should be clean and tidy. You are advised to buy a good house.  
If you cant buy that.. Then buy a good car... above your status ⇒ it will result in happiness.

If Venus is in 7th house ⇒ your wife wont work hard.  
If venus in 9th house ⇒ read good books, travels good, spend money on Guru  
Venus in 10th house ⇒ your wife's mother wont work much hard. ⇒ saas will be relaxed.  
Venus in 11th house ⇒ your gains will be from some lady. HOW? >> 11th house is of gains, venus is wife(or spouse i.e opposite sex) also ⇒ it can also mean that if you have more ladies as your employees then you will gain more.  
Venus in 12th house ⇒ you will go to foreign country... Bed pleasures means you will like a good sleep on good bed... if you dont have a good bed then you buy ba good bed.

**Gyaan >> where there is Venus > you should spend money there > only then you will get happiness. Venus want's money.**

**LIBRA(tula rashi means 7th rashi): find house... here 3 main things will be there..**

1. Long Wishlist.  
You wont be able to make decisions AS your wishlist is very big. Ex. if you are cancer(in lagna) ⇒ tula will be in 4th house(car or house) means you wont be able to decide on a house as your demands will be too much .. like area, loan EMIs, garden facing, big etc.  
If in 5th house ⇒ difficulty to decide in romantic relationships as your demand list will be huge.  
If in 6th ⇒ confused in workplace.. If you want to sue someone... you will be confused.. To fight case or not. Confusion in diseases also.. Like which disease and which treatment to follow.  
If in 7th house i.e aries ⇒ long list of qualities in life partner.  
If in 10th house(for capricorn guy.. ME) ⇒ he wont be able to decide career. Long list like name, fame, money, power, less work.  
If in 9th house ⇒ where to go for vacation(sea and mountains and good hotel and cheap rent), how to follow dharam, which guru to choose... indecisive as wishlist is long.  
If Libra is in Lagna ⇒ your personality is confused... indecisive.

Solution: shorten wishlist. Take just top 3. OR outsource such decision to spouse.

If two libra are married ⇒ they wont be able to take decisions.

You will have to Sacrifice something to get something.  
Ex. if libra in 8th house(inheritance) ⇒ you will have to compromise somewhere... like give 1st floor to sibling etc.. only then you will get.. Else there will be quarrel.

Gyaan: where we can't make decisions ⇒ it is the source of frustration also.

For relationship troubles... check Venus first. And check libra sign. Are there any bad planets in libra or bad drishti. Venus fights with Mars(not verbal.. Hand fight.. manhandling)... you MIGHT NOT do it.. But you will have inclination to do it.  
So if you are born with Mars-venus ⇒ your wife will beat you Or you will also beat your wife.  
how to check this ??

Venus with Rahu ⇒ means you are inclined to do affairs. Tendency is there.

Predictions can be made without astrology also... like if someone of 22-24 age comes and his morale is down ⇒ its SUN issue. Then confirm this with kundli.  
2 girls ⇒ they now want a boy.  
About 30yrs age ⇒ spouse issues.  
60+ age ⇒ settlement dispute.

Most issues... no jobs, no girl, spouse quarrels, no kids, no career, kids issues like jobs, marriages of kids, foreign trips etc.

**You should ask how to get aanand in jeevan.**

## Saral 4 | Venus And Taurus(2) Explained

Practice with 10 charts first.

Taurus = house of resources, PRIDE

Ex. scorpio guy has 7th house taurus ⇒ your wife is resourceful.

In 9th house(for Virgo guy)⇒ resources from father, dharam. Will talk about father, dharam OR higher education(i.e take pride).

In th house ⇒ from kids OR from ancient knowledge.

4th house ⇒ from mother , from home

3rd house ⇒ younger bro

11th house ⇒ from elder sibling.

Natural house significances are related with rashis.

2 is also your face and food.

Venus = spouse, bhog vilas items, grace, beauty, PRIDE(you will seek pride in these things.)

Venus also means DEVOTION. You will be devoted to that house characteristics.

There is grace in this house things OR that relative is graceful(no chichorapan).

In 10th house ⇒ you will take pride in your work.

PRIDE. Ex. if Aries guy (2nd house Taurus)⇒ you will want to talk about your family, assets.

> Scorpio guy(taurus is 7th) ⇒ you will talk about your wife.

> gemini lagan ⇒ taurus in 12th house ⇒ you will talk about your expenses OR about your BED OR about your foreign travels(you will click many pics there and show it to others).

GYAAN: if you talk about something more...⇒ your Taurus can be identified from that. And so we can identify your lagan.

Ex. if you talk more about your wife ⇒ u r scorpio.

If you talk more about foreign travels ⇒ taurus can be in 9th OR 12th house.

Talk about loan ⇒ in 6th house

If you cannot take pride in anything in your life i.e low self esteem ⇒ your Venus is kharaab.

Pride in anything... in cooking skills, on one's good nature, in your face... anything.. Not ghamandi types though.

If a lady is not good looking and in bad shape also.. But she is good in cooking and she knows it.. And everyone knows it and she also takes pride in it ⇒ Venus wont be so bad then.

CHECK: if ppl dont talk to you respectfully ⇒ your Venus is bad.

REMEDY: you talk to everyone respectfully for 40 days. Improve your language.. And it will improve your Venus n Taurus.

Dont use fowl words. Ppl who did this in college days ... face difficulties in getting married later. Bad venus guys dont get girls to marry easily.

Carry Minnatti has spoiled Venus of so many ppl by making ppl use fowl words to look cool. Venus is spoiled even by listening to gaali.

You will fight back if someone hurts your Venus... as it is your pride.

Ex. Venus in 5th house ⇒ you wont listen bad things about yr kids. You might fight also in case someone says bad things about them.

No one fights for all the things... unless there is MArS or Rahu in lagan.

Venus in lagan ⇒ if you are naraaz from someone then you will remove the person from your life.

You are Shukravanshi ⇒ Pure lineage. Ex. if someone marries a foreigner then next generation wont have Venus in lagan.

You will find Hip or bone issues like kulli tut gayi... slipped in bathroom etc in your family. And it will come to you also as it will run in the family. Plant 2 amla trees.

If Capricorn guy and Venus is in lagan ⇒ as capricorn is 10th house ⇒ if anyone speaks bad about your WORK.. then u will throw them out of your life.

If cancer guy ⇒ related to mother.

SNAPSHOT PREDICTION: (ME) If Saturn and Venus are close(in same house OR Venus is in Saturn's houses ) ⇒ you will have leg(below hips) related issues(or your mother, father, grandparents). Like knee issues, bone issues. Leg pain. REMEDY: On Friday(shukravaar), in Abhijeet Muhurat(around 12pm) >> plant 2 amla trees and take care of them. Dont plant in pots... but in ground.

Aries is security. Here .. either we are secure.. Or we seek security here.

Venus is seed/sperm also. Sperm count, child issues.

Taurus + Mercury OR Venus + mercury ⇒ face + jigyasu bacchha ⇒ very talkative.

We can do many many predictions just by seeing Venus in someone's chart and tell him many remedies.

Most problems these days are Venus issues: marriage issue, child progeny issues, not able to make decisions(which girl to marry, which phone to buy etc etc), disrespect.

They think that if they take a decision then unka katt jayega... someone will dupe them.

Another reason for bad Venus == you are not grateful for what good you have. Like some ppl cry that they dont have job.. When they get one ⇒ salary achhi nahi hai.... Or location bekaar hai etc types.

Tell ppl that if you are not grateful then your Venus will kharaab and sperm count will decrease.... :)

Thats why astrology is important. If people know why they need to do something(like being grateful).. Only then they will do it. No one does anything just by morality.

Gyaan: similarly, your parent are your Sun and Moon. You should respect them no matter however they are.

If you get into frequent troubles with the government(like getting challans every now and then) ⇒ your Sun is bad as you might not be respecting your father. Govt and Father both are Sun.

These types of consultation will have no value if given for free. Thats y it is charged.

Shukra is branded clothes. Good songs, painting, perfume, beauty is Venus.

**VERY VERY IMPORTANT: Venus is of two types:**

- Tangible: which can be touched. Which you can bhog. Ex. your wife, GF, branded clothes, very Luxury Car.If you run after this Venus ⇒ you wont get peace in life.

- Intangible: cannot be touched. Ex. smell of perfume, good song, landscape(like hills beauty)... just enjoy these things. Dont just run to only take pictures. It also involves like.. Beautiful actresses... you cannot touch them. You should just appreciate and enjoy their beauty without Lust. MEANS: take joy just by looking(not touching). Dont run to own things. It DOES NOT mean that you should not be materialistic. It just means that should enjoy the beauty or looks or feel of good looking cars, people, flowers etc.

You can buy some beautiful paintings(which you can enjoy). Yes, you will own them... but not just for the sake of owning them but enjoy them for their beauty... and the painter will also be benefitted financially.

People also buy jewellery and keep it in locker. You dont enjoy it. But you can improve your Venus if you wear it. Ask your wife to do this to improve Venus quickly. Dont worry about jewellery theft.

Wherever there is Taurus or Venus: you dont compromise.

Ex. anyone of them in 4th house: you will want to buy a car which is out of your league... very expensive. OR you will at least crave to buy OR you will buy TOP model of the car you want to buy. Same for house.

In 9th house: will want to do studies in top colleges... at least WANT will be there... you might not have the capability or finances though.

In 5th house: you want to do some top level things for kids, you want top level girl for yourself.

Venus is also Dikhava.

If Venus in 8th house Or Venus rashi is in 9th house: you will show off even Daan punniya done by you. As you take pride in those things.

When your Venus is very bad ⇒ you wont accept yourself. Like you will not like your nose.. And go for surgery.

And anyone can irritate such ppl just by gaslighting... like make comments about their nose etc.

Venus is UUCHH ka in Pieces rashi(12th house). As Pieces is Guru rashi... fat guy. And fat guy . if he accepts himself as he has gone towards Guru tatva. Such fat ppl are happy go lucky types. Ppl enjoy your company.

Venus carries responsibility and burden.

If 2nd house has good planets.. Then you will take responsibility ELSE you wont take responsibility.

If Taurus is in house 6,8,12 ⇒ you will run away from responsibilities.

If venus in 9th house or Taurus in 9th⇒ you do Pooja in style. Good pandaal.. Ppl invited, flowers. As venus connected with religion.

If someone wants special stages and arrangements in marriage ⇒ someone is Venus driven in family.. Maybe parents or bride herself.

Venus in 8th house: if in-laws give you responsibility then you feel irritated. ALSO you life transformed after marriage.

Taurus Lagan guy will talk about himself and you cannot be ignored. OR log aapke baare mai baat karenge.

But if shani is with Venus then Venus won't work.

Shani is like cold water on hot tava. Shani cools things down.. Slows down.

Leo ascendant ⇒ taurus is in 10th house == Father's family AS 2nd(family) house from 9th is 10th.

Similarly... 11th house is chachaji. Opposite of 11th is chachiji.

Similarly > 5th house is dadaji. If rahu is in 5th house ⇒ dadaji is Rahu and Nana is Ketu.

As father is Sun and mother is Moon ⇒ Rahu is Dadaji and Nanaji is Ketu.

Gyaan:

If there are two brothers and both are married. ⇒ largely.. Sasu ma will have issues with Elder brother's wife(jethaani) and not devrani.

Ok. lets see. >> mother's kundli's 5th house is elder kid.==> younger kid is 3rd from 5th(i.e 7th). ⇒ younger kid's wife = 1st house.. Which is self. ⇒ apne se koi naraaj nahi hota.

IF sasus ma is naraaz from younger son's wife ⇒ she is naraaz from herself also... depression.

Taurus guy will get irritated if anyone tells them that they should work hard. You will think that u already work very hard.

Similarly... guy having venus in lagan ⇒ usse kaam nahi hota. ⇒ it is for bhog vilas.

For astrologers>> in the house of respect(Venus or Taurus)... there... dont give negative prediction as client bahut bura maan sakte hain. They are touchy about it.

To improve Venus: respect your spouse. Do genuine love.

If you can't attract opposite sex ⇒ youve venus is kharaab.

Remedy: groom yourself, good hair cut, perfume, cut beard, good curtains, good bedsheet, good clothes.

The one who expects others to be perfectionist ⇒ he has mercury element.

Venus guys are themselves perfectionists.

Venus guys are resourceful people... they dont depend on others for that house things.

QnA:

Venus and Saturn in same house(ME):

⇒ your face is cheek and hair are little white and some black.

⇒ your wife will irritate you. And speaks a lot... like you did this, you did that, you didn't do this right, do this like this etc etc... kachar kachar.

REMEDY: Stop finding imperfections(meen met nikalna) in wife. No matter if you are doing this very less already as compared to that done by your wife to you. Still you stop. You will get some relief.

Then do amla tree remedy. More relief.

Give good perfume to your wife...more relief.

Give foot massage with expensive cream(kama ayurved) to your wife. It will help you get aanand and reduce stress.

Gyaan:

Venus is uunch ka in 12th house.

Feet is 12th house. So if you give food massage to your wife then your venus will be happy... means your wife will be happy.

Keep your feet clean. Always wash feet before sleeping.==> it will increase your happiness by 20-30%

For ladies: keep your feet as good as their cheeks(face). Else you will spoil your Venus..

NOTE: these remedies won't work if no money transaction is made between advice giver and taker.

8th house is of transformation ⇒ if Venus is there ⇒ life will transform after marriage. Transformation will be good or bad... this will depend on the chart.

Venus in 6th house: Venus is neech ka here. ⇒ you are very judgemental of opposite sex. Like kapde kaise pehene hain, isse kaise baat karli, mere se kaise baat kari isne ... etc. and this would have resulted in you spoiling your relationships.

BUT if you are still not judgemental ⇒ you have improved your Venus by your Karma. Here... client was just opposite of what Amit predicted. Amit said that it happens sometimes in astrology that ppl are just opposite of what chart says. There is nothing beech ka. Either you are what your chart says OR you turn out to be just the opposite by your karma.

Unnchh neech is in opposite houses. Just like Rahu and Ketu are in opposite houses.

Sanjay Singh:

If Taurus ascendent ⇒ libra is in 6th house and both are Venus based Rashis.

⇒ you will be judgemental about your wife. Judgemental mean >> kya pehena, kya khaya, kab uthi, kab jaa rahi hai, mom se air baat karni chaahiye thi...

Judgemental of opposite sex.

Manisha:

Venus and Mercury in same house ⇒ you will be curiosity about bhog vilas things. AMit didn't explain much.

Gaurav Singh:

11th house is mother-in-law's teeth. If problem there ⇒ you will face some financial loss(big or small). These are symptoms..also called Nimit.

If mother's childhood is not good with her brothers(siblings) then her life will be LONG. 11th house has elder son's wife. And 11th house is the house of the elder sibling.

So if there were no issues with siblings... then issues will start to come after son's marriage.

11th house is chacha also. Chacha se bhi nahi banegi.

Amit said correct. (analyze this. I didnt understand this)

Rakesh:

Low sperm count.

Shukra is in 4th house. Virgo Lagan. 4th house is Saggitarius. Mercury, Jupiter and Sun in 2nd house.

Amit said that this is complicated and will require paid consultation.

Sarika:

For husband: Venus, sun and Ketu in 2nd house. AND husband and wife ki nahi banti,

Amit said that Ketu will cut venus... here... husband will repel wife's energies if she is not spiritual.

REMEDY for wife: you will have to be a very spiritual person. And learning astrology is helping in this regard.

Ketu is spirituality and ketu is algaav.

Extra-merital affairs are also seen by Venus. But that will be checked with rahu also in some other class.

## Clarifying Basic Doubts About Astrology

Lagan kundli is also called D1.

First check rashi... some common rashis have common flavors.

HOT: ries, Leo and Sagittarius

Water: Cancer, Scorpio, pieces.

Then check planets in these rashis... it will be like spices to the flavour.

Like... if we have MArS in 1,5,9 Rashi ⇒ it will increase aggressiveness in that aspect.

If in 1st rashi ⇒ you are very aggressive.

Mars is "neech ka" in Cancer >> as MArS is Hot and Cancer is Cold rashi ⇒ mars is debilitated there.

If mars and Mercury are in same house ⇒ they have very different traits so they both wont be comfortable.

We should NOT accept daan punya(like dry fruits) of Saturn(i.e from poor ppl) .. else you will also get some of their traits.

Similarly.. Raja doesn't accept black kambal from poor guy... else King will suffer consequences.

Never accept dry fruits.

Sun and Leo(rashi 5) can be used interchangeably ⇒ where any of these is there ⇒ our soul/mind will be there.

If Sun is in Leo itself ⇒ this trait is reinforced.  
Moon Or cancer is where... there lies our mann, mood, happiness.  
Mars Or Aries(Rashi 1) is where.... There we can't lose. We will do or die.  
Saturn or Capricorn(10 rashi)... can be used interchangeably.

Practice this on known Charts.

Some events will be visible in charts but not taken place(till about 20-25yrs of age). But thes might play out later in life.. Maybe after 30s. It will depend on dasha and mahadasha.... Will discuss in later classes.

Nakshtra, chandra rashi, panchang are at higher levels.

Mars is where... there you will take responsibility yourself and no one can beat you.  
MArs in 9th house(ME) ⇒ you will take Father's responsibility.  
In 10th ⇒ at workplace.  
If in Lagna ⇒ you are a responsible person.  
If in 4 ⇒ responsible for Mother or motherland. These ppl can even sacrifice themselves for this.

For Marriage.. Mars and Venus are most important.  
Using mars we get to know if spouse is responsible or careless and where.  
If both are careless ⇒ marriage wont work. If only one is responsible then he will suffer.  
If both are little responsible then its fine.

Sun is debilitated in 7th Rashi(as it is bhog vilas rashi) and Lord Ram cannot be associated with Bhog Vilas.

Saturn in Lagan means you are cold... you have less emotions.  
Saturn in 2nd house ⇒ you will want to eat cold food items, relations with family will be cold.  
In 3rd ⇒ cold relations with younger sibling ⇒ some pain associated in the relationship... someone will give pain to the other. ⇒ means even you can be the one giving pain to the other person. The one who's saturn is stronger will give

If saturn is in 4th house ⇒ you might get humiliation from your mother OR mother can bring you pain OR mother will get pain from you... Or she will have pain in bones.

Saturn in 5th house ⇒ digestive system will be cold OR relations with kids will be cold.... Can be both or either of them.  
Saturn in 7th house ⇒ cold relations with spouse... less or zero emotions in spouse OR spouse has more age(as saturn is old also and that relative might look older than age OR they might be of more age actually). So..like if your wife is of 35 then she would look like in 40s. No matter if she was looking great at 25. This will payout in your life no matter whom you marry.

Important: Saturn doesn't allow to break relations ⇒ if it is in 7th house ⇒ no divorce.  
Saturn just gives pain. It doesn't break relations.  
One more point: Saturn delays But does not deny. So we should not fear saturn.  
>> saturn in 8th house ⇒ long term disease but it won't let you die.  
OR delay in getting inheritance ⇒ your parents have long life.

Saturn in 9th house ⇒ cold relations with Father. But relation wont break. It can be love-hate. ⇒ Father will make you strong.  
We will run away from pain BUT it will make us strong.  
If saturn is in Lagna ⇒ our pattern is same with self... his pain will make him string. He can withstand too much pain and troubles in life.  
Pain is not always bad...like exercise.  
Bhog vilas doesn't make us stronger.  
⇒ this is how Astrology will help you to identify and use the cards you have been dealt with(at your time of birth) in your favour.

Rahu and Mars are responsible for breaking relations. (check for Komal)

=====

## Mercury(Buddh) And Gemini Rashi Discussed

Mercury house ⇒ curiosity will be there, kid, baniya, communication skills, accountant, hisaab kitaab, paper work, chindi(cheap guy), points out small mistakes.  
If in lagna ⇒ you are curious by nature.  
In 7th H ⇒ curiosity in relationships.  
In 9th H ⇒ curious about religion or travels.

Mercury is generally Not alone. Alone mercury is bad as a curious kid might nget lost.  
It also tells about your Communication skills(they are also seen using gemini OR 3rd house).

**Remember: Rashis and houses are also interlinked (in kalpurush kundli both are same... take reference from there.)**  
**Ex... in kalpurush kundli(Aries).. Gemini is in 3rd house ⇒ to check communication skills.. If Gemini is not giving results.. Then check 3rd house.**  
**We have to see this thing in kundlis. This is a general template.**  
Third house i.e Gemini is related to Paper work. ⇒ if Saturn in 3rd house OR Saturn With Gemini ⇒ delay in communication/paper work.  
If Rahu in 3rd house or with Gemini Rashi ⇒ some lies in communication(either you lie OR you are being lied to)

Mercury is Baniya/Accountant(money hisaab). You should hire a mercury accountant.

Mercury is a kid ⇒ it learns and inherits the traits from the other planet in that house.

Jupiter with Mercury OR Mars with mercury is not a good combination.

In most of the charts... MErcury will be accompanied by Sun.

-----

Where there is Gemini(3 like symbol) ⇒ you wont listen to others in that house... you will do according to your own mann.  
⇒ if in 7th house ⇒ you will marry according to you only. And if there is Saturn there also...⇒ you will marry a girl elder to you OR elder looking than you. If there is Rahu with Gemini in 7th house ⇒ marry someone long distant(might be of different dharam)

If gemini in 8th house ⇒ you might do research according to you own mann. You wont listen to anyone.

If in 10th house ⇒ virgo ⇒ you would like to do WORK of your own choice. It might also result in conflict.

So we can interpret that way....

Ex. 3rd house is of neighbor and of there is Venus in 3rd house ⇒ chances of you getting married in neighborhood are high.

If Gemini is in your Lagna ⇒ Aries(Mars) is in 11th ⇒ you will FIGHT(mars) for Money(11th house)  
⇒ Gemini people are money minded.

Communication gadgets are Rahu but as communication is through them ⇒ mercury is in communication gadgets also.

Mercury ppl are judgemental... they unnecessarily point out small mistakes... It can be a Gemini lagan guy ⇒ mercury element is more.

A black, hard working labour guy is pure saturn.  
Luxurious person(clothes, car etc) ⇒ he is Venus

If mercury element is MORE(like if you are chindi... and point out trivial mistakes) ⇒ jupiter(wisdom) wont stay there ⇒ mercury cannot think of big things, big amounts of money etc. So those who think small... their jupiter goes weak and mercury becomes strong.

VIRGO(6th Rashi)

Where there is virgo ⇒ there you have to be subservient(to obey others unquestioningly)... mean jhuk jana hai.  
You will be judgemental of the planets in the Virgo house..

Ex. Venus in 6th house ⇒ means you will be judgemental of ladies BUT he has to be subservient there. So remedy according to Lal Kitaab = marry an ugly, dark, characterless woman ⇒ it can be interpreted that he should not be judgemental of women.  
Means you should respect women.

If Sun with Virgo rashi ⇒ you are judgemental of the Sun(king, government) BUT you should be subservient of Government.

As you can see above.. We are using 6 interchangeably for house as well as for Rashi.

Virgo in Lagna ⇒ they are very judgemental ⇒ they are perfectionists ⇒ they are not satisfied with other's work.  
If your wife is like that ⇒ it will be very difficult for you.

Questions in consultation are similar(success == money, spouse, foreign travel, promotion, health, kids job).  
If saturn is in 6th house OR with Virgo ⇒ he should not be judgemental of lower employees and should not quarrel with them.

6th house or Virgo also means our past pending karma ⇒ if there are many planets there ⇒ you have much past pending karma for this life. ⇒ you will struggle in your initial part of life.

Rahu in 6th house is considered as good. As virgo house is also the house of quarrel(ladaai jhagda)

If saturn is in 6th house ⇒ I **should be** subservient to poor people. But generally I **will be** judgemental for them.

If mars in 6th house Or with Virgo ⇒ you will be judgemental of your brother.  
If mercury ⇒ judgemental of your female relatives.

If moon is in Virgo or 6th house(Me) ⇒ you are judgemental about food. ALSO... if you are not getting food according to your liking or taste then your past life karma is also getting cutted with it.

If jupiter in 6th house ⇒ you will be judgemental of your Guru(like is he a good teacher, that teacher was better than him etc)

Virgo and mercury in 4th house ⇒ you might judge your female relative OR if you are seedha then your female relative(like your mother) will be judgmental of you... It works both ways.

Where there is Gemini ⇒ there you should do about your own mann ki.

If gemini in 3rd house ⇒ they will time pass on social media.  
In 5th house ⇒ you wont listen to anyone on romance.  
In 7th house ⇒ you wont listen in marriage matters  
In 10th house ⇒ you dont listen to anyone in workplace.

If shukra in 6th house ⇒ you are judgmental of opposite sex. But if you do this ⇒ you are weakening(kharaab karna) your Venus ⇒ your relationships will suffer.

## Saral Class 5 | Gemini(3rd Rashi) and Mercury Discussed

MArs color is RED.  
Venus: grey or blue.  
Mercury: Green

Mercury guy will talk a lot, talk fast and not much gyaan ki baatein.  
Mercury in 2nd house ⇒ very talkative. Gemini is also talkative.

Gemini is 3rd rashi and 3rd house for Kalpurush. It is rashi of communication.  
Gemini will also have some 3rd house activation. You will also get gemini flavour in 3rd house.

Mercury is also Baniya types, accountant.. Hisaab kitaab rakhne wala.

Mercury becomes like the planet it is with.  
Mercury with MArS ⇒ MArS is uncomfortable.  
Mercury with Rahu ⇒ jhoot bolne wala. Bolke paisa kamaane wala.  
Mercury with Ketu ⇒ stammering OR you will Talk about spirituality a lot.  
Mercury means curiosity in that house. Means more activity in that house things. 2nd house ⇒ speech.  
In 3rd house ⇒ communication, email, paperwork etc ⇒ more activity here.  
In 4th house ⇒ more curious about cars, houses. Doesn't necessarily buy it.. But they will want to know specs of all the cars.  
In 11th house ⇒ commission related work.  
7th house  
Mercury in 8th house ⇒ curiosity of sex ⇒ watching porn. Its house of hidden things. Like occult sciences, astrology, research work.  
In 9th house ⇒ curious about higher learning.

Moon is liquid cash... like currency notes.  
Mercury is finance/wealth related like banks, accountants, hisaab of wealth.  
Money going through paytm == mercury.. Electronic transfer, internet banking.  
Cash payment is Moon.

Mercury is very important in today's world.  
Mercury is commonly seen with SUN.  
Mercury is ast(like suraj ast hota hai in west) as it is in close proximity to the sun. ast == combust.. But it doesn't matter much.  
Mercury ALONE is not considered good... as there is no support. Mercury needs support.  
Mercury in lagan ⇒ curious nature.  
Mercury is choti soch(chindi).. Curious but it cannot think big.  
Mercury guy ⇒ you will find small mistakes in others. Meem mait nikaalne wala. You cannot be happy in life. you wont be able to do much in life. You will call it micromanagement or eye for detail. In general life... you will spread bitterness and sucks energy.

REMEDY: you will have to leave this nature of yours if you want to become big in life.

Note: Blind Chart Prediction:  
Planets in houses is a small thing. Rashi and lagan is the main thing.  
For Gemini lagan ⇒ aries in 11th ⇒ you will be ready to fight for money. So, inka paisa nahi maarna chahiye.  
If gemini person doesn't fight ⇒ apka paisa maara jayega. Gemini guys ka bahut paisa maara jata hai.  
You should perform the role which is shown in your chart.

Gemini guy has Taurus in 12th house ⇒ you will talk about your expenses a lot. As Taurus = 2 = mouth AND 12th house is of expenses. Like mera kharcha ho gaya yaha waha etc.  
This way>> you can identify someone's lagan

Mercury is uunch ka in 6th house  
And neech i.e debilitated in Pieces( or 12th house) as Pieces is Guru rashi(who thinks big) and Mercury is chindi.  
⇒ if Mercury is in 12th house or in Pieces(12) rashi ⇒ you trust others very much.. More than required. Jarurat se jyada.  
It can be good also.. As this increases your guru tatva.

People who dont trust others even for 100-500 rupees ⇒ their mercury is very strong.

If your mercury is strong in Jyotish or any other subject ⇒ you will know all the small small things like tithi, vaar, panchaang, muhurat, nakshatra etc BUT you wont be able to do predictions.  
They cant see the larger picture. Ex. bookish knowledge guys.  
So it is recommended to increase your guru tatva. Like make youtube videos of your skill etc.

Planets are like vitamins and minerals. We need everything. But we need balance.... If something is high then you have to bring it to normal.. Same for if something is low.  
Mercury is NOT debilitated in Saggitaris as it is fiery sign.. Its not a cold sign.

Mercury is also handwriting. If writing is good ⇒ good mercury. But bad writing is not necessarily bad for you.  
Mercury is very good in Gemini.

Mercury in Virgo ⇒ a very samajhdaar and intelligent person BUT no such faayeda of this intelligence in practical.  
For practical faayefda > you should make your jupiter strong.

Mercury issues:  
skin diseases. Acne, skin related issues.  
Speech issues. Intelligent but not successful  
**REMEDY:** Dont take mobile to washroom.  
Give chaaraa to cow on wednesday. If you do this every wednesday ⇒ very good.  
If no cow ⇒ take care of the plants and trees OR give some money to cow relates NGOs.

Mercury in 8th house for scorpio lagan ⇒ you will have acne. Will also have to see mercury antardasha and mahadasha. REMEDIES: as above.

Gemini lagan ⇒ you will criticize others very much.  
OR the gemini house relative will criticize you. (ME: Mercury in 10th house.. mother-in-law)  
If in 4th house ⇒ mother will criticize you.  
Gemini in 7th house ⇒ wife is talkative and she also criticizes you.

REMEDY to improve mercury dont criticize others.  
If you do... you will spoil your mercury.  
If you are criticized very much ⇒ your own mercury is already spoiled.

If you criticize on someone's face OR like on youtube video ⇒ it is mars driven. Seedha ladaai.  
Criticizing peeth peeche is mercury... chughli karna OR Criticizing sarcastically.  
Chughli gives pleasure BUT it doesn't take you anywhere. Its fruitless.

When others criticize you sometimes... then it strengthens your Saturn. Only then you will improve.

If everyone likes you ⇒ u r a very agreeable person(yes man). ... and you wont reach anywhere.  
It has to be.. Tbat a certain number of ppl dont like you. Its good for you.  
If everyone dislikes you ⇒ it doesnt mean its good for you. Means u might be the problem.

Too much of curiosity sometimes doesnt take you anywhere...like chull to know everyone's salary.  
Kids have high curiosity like to know everyones marks... but curiosity should be of right amount at the right time.  
80 yr old curious person asking many questions like where did u go et etc is not a likable person. His mercury is bad and he must be having money issues also in life.

Curiosity should be in limits... not below or above it.  
Gemini house ⇒ CRITICISM. Gemini guy will criticise others. 4th house means your mother criticizes you or the other way round.

Mercury also CAN give multiple things. Not necessarily it will give.. Like Mercury in 7th house ⇒ multiple relationships.  
In kids house ⇒ multiple kids.  
Job house ⇒ multiple jobs(ME)

SUN + Mercury + Venus ⇒ tantra wala combination ⇒ you will study Occult.  
If Mercury is debilitated(Mercury in 12th house OR in pieces rashi) ⇒ you cannot compete in competitions... nahi nikalta paper ⇒ Mercury is competition ka kaarak.  
Mercury weak ⇒ you might also forget ATM PIN/password... ask this to know if their Mercury is weak.

Saturn with Mercury will cool down curiosity.

Ketu is in 7th house, Gemini ⇒ spouse is not critical and is easy going... As ketu ne vo cheez khatam kardi... OTHERWISE wife pachar pachar karti and criticise bahut karti. This is GOOD result of Ketu.

Mercury + Moon ⇒ moody raani ⇒ mood swings BUT ⇒ cash liquidity is there... means yaha paisa bahut kama sakte hain.

Mercury in 9th house WITH Ketu ⇒ curiosity towards spirituality.

QnA:

In Elder sibling's chart > younger sibling's rashi is capricorn AND younger sibling is Capricorn lagan. Amit said it is not coincidence... Check this in self family chart.

Venus == Bhavvyata  
Moon == Sheetalta  
Sun == heat  
Sun + Moon == Confusion  
Sun + Saturn == ladaai

Sun(govt) + Mercury(kid, curious, communication) + Taurus(resources) ⇒ what is its significance.

If we increase mercury ⇒ increase curiosity and such gyaan we use to criticize ppl ya unko neechaa dikhana ⇒ it is of no use.

Ashish Ahuja:  
Gemini lagan with Jupiter and Mars but he doesnt fight for Money. And no money loss... so prediction is not matching.  
Amit said that his time and dasha might not have activated(what is this ??) OR aap apni wife ki har baat maante hain.  
Ashish said that vo apni wife ki har baat maanta hai. Amit said very good.. Har bande ko apni wife ka gulaam bannaa chaahiye. ⇒ Venus element will play also.

If 3 brothers chart is seen ⇒ eldest bro will have father son like relations with youngest bro BECAUSE younger sibling is 3rd house and younger brother of younger brother is 5th house. Amit said YES.

Sun and mercury are NEAR to each other in most kundlis and so mercury is combust in most kundlis and its OK.

Pooja:  
Gemini lagan AND Mercury(1% degree) + Sun(19% degree) in 12th house. She asked about rajyog. Amit said that rajyog ko falit hone ke liye bahut kuch chaahiye hota hai and your are not king.  
Amit predicted that she talks about her kid's expenses as mercury is kid and it is in 12th house(kharcha) and Taurus is talkative rashi.  
Bush(Mercury) is Aditya yog in most people.  
So mercury is neech ka house wise(debilitated by the house which is OK)... but is NOT neech ka rashi wise...  
Lagan lord is in 12th house ⇒ Amit said that it will be good if you go towards spirituality.  
She works in bank and she refused Promotion. Amit said it is correct decision and life is good.

Aditya:  
Mercury is not comfortable alone in a house... like a lost kid.  
Singh Lagan and Mercury in 3rd house ⇒ you will feel lost in decision making about relationships.. Iske saath relation karu ya nahi etc

Snapshot RULE: Rahu in Gemini OR 3rd house(ME) ⇒ you will always miss turns and then take U turn from ahead(if you know driving)  
If this person doesn't take U turn in car ⇒ somewhere else Like mail recall, tweet delete.  
But I have jupiter also in 3rd house so will have to check.

Jaspreet:  
She has anger issues. Taurus lagan with Jupiter + Moon in lagan. Mars in 11th house(having 12th rashi). Sun is in 4th house with Ketu. 7th house is scorpio  
Husband lagan is scorpio  
Amit said that she is very judgemental of her husband. .and husband is also jiddi.  
REMEDY: chaandi ke glass se paani piyo AND watch moon 1-15 minutes

Vidhi:  
Cancer lagan | 3rd house has Mars + Venus + MErcury

Shiv Ramchandani:  
Gemini in 6th house | Mercury + Sun + Venus in 5th house. Saturn is in 9th house.  
Amit asked if you are judgemental(ye dhang se kaam nahi karta etc) of the workers under you. He said yes, most of the time.  
REMEDY: dont be judgemental and critical.

GYAAN:

If you work for a company, then don't shout at your juniors. Why you making them YOUR personal enemies FOR the company ?  
If someone is not performing... then lower their ratings and be detached. Don't become emotional and fight with others thinking that u r doing this for the good of the company.

No Need to criticise others via your tongue(spoken words). The big CEOs never do this. They are good with words and they have their juniors to do the dirty work.  
Don't give over importance to your WORK.

Ketu in lagan ⇒ headless chicken. You won't be good without mentorship and guidance. You will always be thirsty and you won't know what u want in life. You will run after this, then this....

The voice on phone or video call will flicker when we talk about Ketu or mercury.

NAresh:  
Libra lagan.  
9th house has Sun, mercury and saturn in gemini.  
Cash liquidity is MOON.  
Mercury is internet se transfer kara hua paisa.accounts, finance..  
Amit said .. is your communication bad with your father. Means you don't fully understand each other.  
He said NO issue with father... but YES it is such with his bosses.

Gyaan: Astrology can't predict regarding non living things and animals(as they don't have chetna buddhi.. Like humans)

Green vegetables etc will also enhance Mercury.

Anjali:  
Mars in 2nd house and lagan is scorpio.  
Amit predicted that she like teekha and chatpata khana.  
Her son has Mercury and Sun in 12th house he has back issues as told by Amit sir in previous classes.  
Her son is 31 and works as a UI/UX designer. He went to abroad several times but was not able to settle. He also doesn't want to get married.  
She is a house wife.  
She said her daughter has done graduation but she has some problem and so they can't think of marrying her to anyone.

Amit's prediction: Your son won't get much benefit from father. And his son won't listen to anyone(as mercury and sun in 12th house).  
Doubt: how this prediction was done ??

## 16 : New Concepts Introduced And Live Predictions

Gyaan:  
How we kharaab our planets etc:  
- not maintaining hygiene. Not changing bed sheets frequently, wearing torn, wrinkled clothes, not bathing properly, not grooming yourself, long nails ⇒ Venus will kharaab and this will negatively impact relationships. If you take care of these things.. Relations won't deteriorate further, will normalise and then if you still continue good habits... relations will improve. But ppl don't have patience.  
- if quarrel with brother ⇒ issues in real estate. Because of MAr's element.  
- not good terms with Father(authority) ⇒ Sun is weak and you are further weakening it.  
If you don't have focus in life ⇒ you need to strengthen your Sun >> by doing Gayatri Mantra jaap 108 times or listen to it... like a mantra.. An not Anuradha Paudwal version.

Moon: cash  
If not good relations with Mother(i.e mummy issues) OR your mann is vichlit(sadness) ⇒ issues with moon ⇒ patterns like you not getting good food OR you not liking food. These are connected with moon. Plumbing issues in your home(also money leakage). All related to moon.

Saturn:  
People who don't eat food on time OR eat cold food ⇒ you introducing Saturn in your life.You should eat warm(hot) food.  
If you improve your lifestyle ⇒ things will improve automatically.

Jupiter:  
If you have trust issues ⇒ you are weakening your Jupiter and you are avoiding gains from many people because of this. The one who will betray you will definitely do so.. Not matter how careful you are.  
It is Jupiter's work to have trust... trust with knowledge... Ex. you trust pilot of your plane as you know about the procedures for his hiring. You trust doctor also.  
If trust element is missing ⇒ you will have pain... Ex. between spouses.

Mercury: transaction/business/money related activity. This is baniya/accountant planet.  
All female related relationships(Except mom and wife).. Mostly daughter or sister. Other include cousins, bua, chaachi etc  
If mercury is bad ⇒ skin diseases OR relations with female relatives are bad | issues with communication (Ex. not able to send emails properly, miscommunication etc).  
Solution: increase mercury element by adding greenery near you, do not quarrel with your female relatives.. Better make them happy.

Don't use slangs or foul words in your language. We weaken our mercury with this. Ppl who use haramkhor a lot have childbearing issues later as this thing gets attracted to us. Slangs look cool... but it should be avoided. It happens because of lack of communication.... As you fill blanks in your language using foul words ⇒ classic trait of weak mercury.  
Without communication >> you will fail in marriage, sales, job. Bad relations in business etc. Mercury is very important in modern times. Venus is also important.

Saturn:  
Shouting or quarreling or defaming lower class ppl ⇒ we kharaab our saturn.  
Saturn gifts suit saturn ppl only. You should not accept gifts from poor ppl. Never take black blanket as it will bring negative energies.  
If you give saturn things like black blanket, old leather shoes etc to Saturn ppl(old, poor, diseased, leprosy ppl).. Then their energies can tolerate those things.  
But a black blanket to a king(Sun) won't do him good. ⇒ you should not take any low level things like dry fruits. Taking dry fruit means taking Saturn... taking pain. Say NO to dry fruits.  
Don't take or give saturn stuff. OR you can gift saturn things to Saturn ppl. Like if you give old food to someone ⇒ saturn energy ppl will digest it(like poor ppl). If you give old baasi food to rich guy ⇒ he won't be able to digest it properly.  
That's y it is advised to give sweets only. Barfi is Venus and yellow laddoo is Jupiter.

Mars:

How ppl spoil Mars ⇒ by being fearful. Ladies do this a lot by worrying about kids future, college, jobs, marriage etc.

They should prepare for issues... like train kids(male, female both) to cook, clean etc

String mars guys don't fear...even if they go to sasuraal, foreign country, enemy territory.

Fear is because... we don't understand money, relationships ⇒ these things suffer because we are fearful about these.

You will become like the energies you surround with.

If your wife or father is dbang(we will see whatever happens types) ⇒ you will also feel that energy.

If you surround yourself with Guru(Jupiter) guy who gives you gyaan ⇒ your jupiter element will also rise.

We should not let Mars weaken. If its weak ⇒ we will get blood related issues like BP. Source of BP is FEAR. Fear is the seed of ANGER. BP is because of ANGER.

The one who is ANGRY ⇒ he is fearful, insecure. If anyone shouts at you ⇒ he is fearful.

Change will come if you learn Astrology. Even if you are fighting with someone ⇒ its positive.. Remove that negative person from your life.

Some tatva will weaken up in you ⇒ you might experience stomach upset ⇒ toxins removal.

## Now Houses:

Continue this from 23 mins

<https://www.youtube.com/watch?v=AVqz9A9emig&list=PL-Mj2JFINRaqRsL1WCs05jPXU4xih--Dk&index=17>

If lagna is weak ⇒ be careful about your food habits.

2nd house Issues: If your original family is poor OR if you get cold food

3rd house issues: Issues with Email/communication OR younger sibling

4th: no happiness

Kids issues(like if kid is sick) | stomach issues

6th: debt, sickness, enemy

7th: of opposite sex, relationships

8th: inheritance, in-laws, research(gehen chintan)

9th: dharam, travel, father, guru

10th: workplace,

You also check transit: which planet is where at this time.

To improve venus: change bedsheet every 2-3 days, wear new clothes, dont eat rice at night(OR eat jeera rice, dont eat pure chawal). Ayurved is also linked.

Job issues, lack of focus, issues with relations with Father ⇒ give water to Sun before 9am for 43 days. Meter resets if you change time. ⇒ will increase discipline.

Purnima ⇒ see moon physically from eyes for at least 2 mins.

Link your issues with planets and you will start seeing patterns.

Fear ⇒ courage issues ⇒ anger issues ⇒ increase clarity

Those who keep spitting everywhere ⇒ they wont get respect as they are spoiling their 2nd house AND 5th house(i.e 4th house from 2nd house), which is of respect(pratishta), )will get spoiled

OUR happiness is seen from 4th house(i.e 4th house from our 1st house i.e lagna).

Similarly.. Every house's happiness is in 4th house from that house. (counting will include the 1st house from where the counting begins)

Ex. if your 3rd house is spoiled ⇒ it will affect 6th house (if communication is bad ⇒ workplace environment will be affected)

Similarly >> issues with relations with mother will affect your married life.

4th house FROM 7th house = 10th house i.e house of your mother-in-law.

Now mother-in-law's Teeth = 2nd house from 10th house ⇒ your 11th house ⇒ mother-in-law's teeth issues will result in money issues to you.

This is Nimit.

Another example of Nimit:

Whenever Moon is transiting in your 6th, 8th OR 12th house (can be checked from Panchaang) ⇒ we should not plan things. As they might not go according to the plan.

If you make your own plans like some conference meeting, wife's shopping etc ⇒ that day will be heavy for you. You might get surprises from outside already and you cannot stop it.

Moon comes in each rashi for about sawa 2 days(2days rounded off) ⇒ for these 3 rashis total becomes about 6 days ⇒ mostly we will get issues for 6 days per month.

If your hair are standing or haphazard when you wake up in morning ⇒ negative energy. Try to wake up with ease... try Not to wake up with alarm.

If you dont follow good habits in conjunction with bad ones ⇒ issues. Ex- sleeping late but waking up early and doing exercise daily.

Be relaxed. Manage expectations of others. If someone is not happy with you.. Then vo bhaad mai jaaye.

You should be Happy with yourself ⇒ this will reflect positively in your facial beauty.

How happy we have lived.. Can be seen from their face.. Like old ppl usually look ugly. Modi, Ramdev, sadhguru like ppl look better with age.... Its because they have been living good and happy life.

Your chetna is reflected on your face.

Live happily in your 20s and 30s as it will reflect in your 60s to 90s.

You will look ugly if you weaken your planets by worrying too much in your early life.

You link every planet with every activity of yours.

Ex. we change nostrils every 2 hrs. If you are going out, then put that leg forward first(like right, if you are breathing from right nostril). ⇒ it will balance your energies. Only 2 hrs in a day we breathe with both nostrils simultaneously.

Go out in Abhijeet muhoorat if going out for some task (around at 12pm). Can also use some app to calculate this. Astrosage or panchang. Your work will be done with ease. Ex will find empty roads, smooth work in offices. It is not applicable on wednesday WHEN you are travelling in south direction.

Logic in this video at 39 mins. <https://www.youtube.com/watch?v=AVqz9A9emig&list=PL-Mj2JFINRaqRsL1WCs05jPXU4xih--Dk&index=17>

15000 yrs old gyaan: ladies are devis and they have energies. Sheetla mata, Ambe, Gauri etc. And these energies keep changing. So 2 ladies cannot live in same house(after certain age.. Puberty etc) with sense of ownership(of house).

A lady cannot live with her own mother, forget about mother-in-law. So they should live separately or on different floors. That's why they leave home after marriage. But lady can visit her mother as guest as she won't be the owner there. Conflicts of these energies creates issues.  
Lady's energies are reflected in a home's energy.

Same is applicable when ladies are not allowed in temples when they are down. Ladies are vulnerable in that time and can be affected(attract) by negative energies and mostly unhappy ppl goto temples.

AVOID STRESS. Spend money if required for it. If you keep on accumulating it.... It will spoil your health.

If you like giving gyaan and do not do much physical work ⇒ your Jupiter element is high.  
If you are serious, less emotions and work like donkeys ⇒ Saturn element. Ex. a labour guy.

In 6th house... we SHOULD be subservient. But our tendency will be opposite.  
If 6th in Lagna ⇒ you will point out petty mistakes of others.  
6th number also denotes pending karma. So if we become subservient then it will cut our bad karma.

If kids enjoy phone ⇒ parents should offer something alternate.... Which can be more interesting and beneficial.  
Kids are never wrong. Parents should own their kid's actions.  
Allow kids freedom and give them tasks like wake up early, sleep on time, do this and that and then allow phone. There will be very less time for phone.

Immediate family is janam ke saathi... not karam ke saathi.

Case study: lady did love marriage at 27 despite opposition from parents and sister, divorced at 30 and preparing for exams at 33. Amit informed that she is facing results of her Karma. Her life will be something like this. DOB: 5th Feb 1988 time is morning 5.10am. Amit guruji analyzed just based on dob(not time).

14 yrs old girl. Periods continue for about a month then gap of 15 days. Girl's DOB: 3rd July 2007. Mother's DOB: 14th Aug 1979. Amit said that 4th or 5th doctor might be able to help.

A guy was not doing good in job and was stressed. DOB: 4th Oct 1988. Amit said: he will remain like that, he won't be able to earn much because he wants respect more than money ⇒ he is confused and gets stuck. He is like running on a treadmill.. He won't go anywhere. Advised him to not work very hard and just relax. Amit said that this guy's moon is bad ⇒ mother expired earlier and so there is no sheetalta in his life.  
Amit advised to give him some food, sometimes kheer(hot or cold) at daytime.

## 17 | Jupiter(Guru), Sagittarius(dhanu) and Pisces(meen) Explained

Wherever there is Jupiter ⇒ that house size expands.  
Jupiter is also religion.  
If in lagna(Anjali) ⇒ you yourself will expand. You will become mota.  
If in 4th house ⇒ you will have big house, big car.  
Your Jupiter house corresponding relative will be obese types OR he will like sweets. Ex Jupiter in 9th house ⇒ obese Father.

If Jupiter in 7th house ⇒ it is advised to NOT make temple at home.. Else married life will spoil.  
In Jupiter house > you will have religious beliefs OR a conventional thought process.  
Marriage is not Jupiter(religion work). .. it has Venus like properties. So if we also make a temple at home then married life will suffer.

Sagg is fiery sign. 1,5 and 9 are fiery signs.

Below are Rashis | **Its Lord(Swami)**

7. Libra = Tula | **Venus**
8. Scorpio = ~~Vishubh~~ | **Mars(Mangal)** == jiddi, transformatory, Rondu(cry baby types) |
9. Sagittarius = Dhanu | **Jupiter**
10. Capricorn = Makar | **Saturn**
11. ~~Aquarius~~ = ~~Kumbh~~ | **Saturn**
12. Pisces = Meen | **Jupiter(Guru)**

### Fieriness types:

Aries: can fight without applying brain as it is Mars. Marne marne ko ready. BUT Mars of Scorpio will attack like scorpio i.e from the back at the time of his choosing.  
Leo: as it is Sun ⇒ in your fight, you won't feel bad but the other person will take it on his ego.  
Sagg: you will fight for knowledge, wisdom, dharam. Guru is hot(fieriy). Gutu is transformatory here. Not physical fight. Guru will humiliate you.

Jupiter is relaxed in Pisces. Guru says accept whatever it is.

### Pisces:

You don't have control in this house. If in 5th house(for scorpio) ⇒ you are ready to give everything(like property etc) to your kids... life also.  
If in lagna ⇒ it will be your nature.  
Something similar if Moon is in pisces. You will adjust for others.

Now moksha comes from 12th house. Means moksha is somewhat related to Pisces. Here you give up your everything. Do Let Go here. It is not under our control.  
Like if Pisces in 7th house ⇒ spouse aapke bass ka nahi hai. You should not try to control your spouse.  
If in 5th house ⇒ do not control kids. Else it might not turn out to be true. You just enjoy.  
If in lagna ⇒ you just enjoy.

So, if:  
- Jupiter is in 12th house OR  
- Pisces in lagna OR  
- Moon is in Pisces  
⇒ your nature will be like this.

If Jupiter is in 10th Rashi(capricorn) OR is in 7th House OR in 7th Rashi(Libra) ⇒ don't make temple in your house.

Jupiter in 12th house ⇒ 12th house is of moksha. Planets in this house means there is some pending karma. Jupiter here means we will have to go to some HILL temple like Vaishno Devi etc.  
It also means that you were not conceived(zygote formation) at home... but at some hotel or train etc.

Reproduction issues are also seen by checking jupiter:  
Jupiter in 6th house ⇒ there was some negativity(like disease in someone) when you were conceived.  
Whenever you go to a temple ⇒ you have to stand in long queue and there might also be quarrel.  
If jupiter in 6th house OR Capricorn in 10th ⇒ you should go to Shani temple.

Jupiter in 8th house ⇒ shraad 13 days after death of someone were not observed properly. OR rituals were not done properly.OR your parents were very worried when you were conceived.  
Please pray to ancestors. You should do daan on sakraat or amavasya day.

If jupiter in 6th, 8th or 12th house ⇒ issues at the time of conception. Problem of seed. There was some pain when you were conceived.  
Then you will have to find out the corresponding temple(corresponding to that house) and go there.

Capricorn in 8th house ⇒ pray kul devta else you will face losses.

Jupiter in 2nd house is bad. Means when you were conceived...there was some gathering at your home for some special occasion like when someone expires. In such times, we should not conceive for about 13-15 days.

We also see DAAN from Jupiter. Like Jupiter in 8th house means you will have to give daan of Vidya.  
Jupiter in Taurus ⇒ give food daan.

In the house with Jupiter, we dont know the limit.. When to stop. We have to set a limit.  
Like in 4th house ⇒ we want a big house... but how much big... there has to be a limit.

We made kids eat Curd(Shukra) with Sugar or sweet(Jupiter) before exam >> if some known question comes then Shukra will help ELSE jupiter will help in unknown questions(whenever we have to wake up Guru tatva).

How to increase Jupiter element: start trusting others. If you dont increase Jupiter ⇒ Mercury in you will increase.  
Jupiter either teched to accept or to transform. Where there is Jupiter(Guru), there you wont get stuck. Guru paar lagayega. Latkayega nahi. You wont be confused.  
Drink Haldi milk. Wear yellow clothes Or eat yellow laddoo on Thursday. Read good books. Stop using foul words.

Guru(Jupiter) drishti: 5th, 7th and 9th. This saves us from troubles in these houses as well.  
If jupiter in lagna ⇒ good effect on kids, studies, spouse, parents.

We have to limit ourselves where there is Jupiter..as we have a tendency to go overboard. Like if in 3rd house ⇒ your writing might be very good or u r good in communication but you dont know the limit that to which extent you have to do this(even good things).

Jupiter in 5th ⇒ very intelligent person. Intelligence is being carried from last birth.  
In 6th house ⇒ you will fight also with proper ways... politely.

Jupiter in 10th house ⇒ you will earn money from teaching. By giving gyaan to others.  
If in 11th house ⇒ you will have big money.  
Jupiter is saatvik planet ⇒ good will happen.

## Astrological Remedies Given For All Problems In Life

No need to check kundli. Just find which planet is the issue.  
Need to do some transaction like give 11 banana at least to some poor ppl.

Issues with Authority, boos, Father, unable to wake up early, no direction in life, goal less life, unable to focus, feeling restless ⇒ SUN is bad  
Give jal to Sun consistently every morning before 9am at same time for 43 days. Do this after bathing. Jal arpit can be done in train, plane also.

Sadness in mann, no happiness, cash comes but doesn't stick, you are over emotional, Moms health is not good. Relation with mother not good. ⇒ moon Issue.  
Just watch moon physically at night for 10-15 mins. Do for as many days as you want... maybe life long.... You will get sheetalta.

If you are impatient, adhere. ⇒ your Saturn is kharaab.  
You will honk at red light, impatient in railway line queue etc  
Clutter increasing at home, old unused things are not removed ⇒ everyone's saturn in the home is spoiled.  
Remedy: remove clutter, become organised, organise cupboards etc.

Transliterated version: **adheer.**

विशेषण

- धैर्यरहिता।
- परेशान।

Paperwork issue, communication issues, no proper presentation ⇒ Mercury Issues.  
Relations with your sister/daughter are not good, Tulsi plant in your home gets spoiled  
Remedy: bring indoor plants..as many..and nurture them.. For as long as you want.

If multiple planets spoiled ⇒ do multiple remedies

If you have anger issues, uncontrolled and illogical anger ⇒ Mars is spoiled.

If you don't do logical conversations OR don't listen to such conversations ⇒ your Mars is kharaab.

Mars is Logic.

Anger is not bad always. But illogical anger is bad and it shows spoiled Mars.

In such cases: play chess, solve sudoku, .. anything where logic and brain is being used. Solve logical reasoning questions on internet. If reading book ⇒ it should be logical book like that of Sherlock Holmes.

Or watch some logical movie.

Reduce Tamsic food like chillies.

Jupiter:

How to check kharaab Jupiter.

You will have trust issues. You won't trust anyone. You will think that other ppl are there to dupe you, whole world is like that and you will be very sceptic of everyone.

If you are attracted to some other religion ⇒ your Jupiter is bad.

If you don't have a Guru... OR you don't get a Guru when you go to find him ⇒ it also means that yr Jupiter is kharaab

Remedy: you will have to do some new research. You will have to get some new original Gyaan... no copy paste. Then you have to spread that Gyaan to others... only then Jupiter will improve.

If Saturn issues like lack of patience ⇒ find some hobby and work on it. Like music, book reading, astrology. Practice it DAILY. ⇒ Saturn issues will resolve.

If severe Saturn issues(in saade satti OR makar ka moon OR kumbh ka moon OR pisces moon) ⇒ do walking 30-60mins after sunset. It will work in 3 days.

When giving remedies >> some issues and rukavatein might come up... like glass breaking, network issues etc.

If you are applying some remedy then you should Do some transaction like giving 11 banana to some poor ppl(as asked by My Gurujii). Else, the remedy won't work.

Some exchange of energy has to happen to complete the circuit.

Gemstones should be used only for urgent issues. They are not long term solutions. One should not wear them after 42 as its not of much use after that.

For Scorpio >> Lord of 8th and 11th house are same.i.e Mercury. Now if some inexperienced astrologer does something to strengthen Mercury(for more money) ⇒ it will have negative effect somewhere else. It is like side effects of medicines.

We should awaken and strengthen Guru tatva(Jupiter) by trusting others. Increase your threshold for trust... like if you cannot trust someone with 500 rupees then increase that threshold to 1000 and like that.

**Venus:**

If relations bad with spouse⇒ your Venus is kharaab. It can also indicate that you are quarreling with opposite sex in office.

Body hygiene deteriorate.

Remedy: even if you are sick or depressed >> still maintain proper hygiene and bathe at least once... twice will be better.

Those who bathe twice are much more positive in life. With normal water in summers and hot water in winters.

The marshmallow test in USA. Kids were given marshmallow... we know this.

So, when we have two choices > short term immediate gain OR more gain in future ⇒ those who choose short term gains spoil their Venus.

Venus signifies > beauty, car, wife, bhog vilas.

Never use bad words for ladies as it spoils your Venus. ...ELSE even if you have good cash flow(moon is good) still nothing good will happen in your life.

## Rahu And Ketu Discussed + Predictions

Whatever you get in life... is given by Rahu ji.

Moon poles: north and south.

Rahu has an insatiable desire for a person. 2nd house ⇒ food desire.

You won't know where to stop as you will have endless desire.

In 2nd house ⇒ they might use some takiya kalaam

3rd house ⇒ short travel, communication devices.

4th house ⇒ you want a house or car etc. more sukh you want.

7th house ⇒ you need multiple opposite sex partners. GF/BF ka chakkar. BUT if saturn/sun/jupiter or their drishti is there then you might be disciplined in this area.

Rahu also represents LIES. Rahu is air... no base.

Wherever rahu sits > that rishtedar is ziddi.

In lagan ⇒ you are ziddi. Stubborn.

Gyaan: we should not refer to astrology after 42 yrs of age as we already have wisdom at that time.

Rahu is also said to be Muslim or foreign religion.

Rahu in 7th ⇒ chances of marrying a person not from your community is high OR different religion, different caste OR multiple marriages/relationships.

Jupiter Expands..like 4th house means big home. In lagna means you are big/obese.

Rahu multiplies manifolds. ⇒ good in 6th and 11th house(multiple sources of income)

In 8th house ⇒ disease | inheritance.| ziddi in-laws

Rahu in 6th house ⇒ someone at your workplace is zidd and you might have many enemies BUT you will be able to defeat them.

If someone is NOT ziddi ⇒ they might be following some other religion OR sect(like saii baba, radhe-krishna)

In the 10th house ⇒ multiple professions, respect... like politicians.

In 12th house: generally not good. Guy won't be happy in his native place... means foreign country will be good for him. Foreign country yog is called shrapit yog as you will live far away.

11th house ⇒ you will get money but you will always need more.

Solution: wherever Rahu is... you should understand that you will never be contented here. You will always have insatiable.

## **KETU** is your thirst. Its spiritualism. It will take you away from that house's significant characteristics.

Wherever Ketu is... here you will have many expectations from that house relative BUT you have to become subservient(dont expect anything). BUT it is generally seen that ppl want to be opposite of this.

Ketu in 7th ⇒ always dissatisfied from partner.  
We should check ketu of mother in law always. As a housewife spends most of the time with saas.

In 2nd house ⇒ teeth will be tede mede.

In 4th house: house will 1.5 or 2.5 floors as ketu is 2. OR your neighbors house will be like that. | bad relations with mother OR mother might even pass away. (rahu cuts relations i.e by disease, death, mann mutaav) | OR you might also be away from your homeland.

In 10th house: 2-3 naukri(as ketu is 2.5). You will never be settled. Even in govt job... you will be transferred multiple times. ⇒ one should do own business.

Ketu cuts ..like if in 9th house ⇒ daraar in relation with father/boss/guru/religion. Reason for it will be your too much expectations from that relative.

Solution: for such a relative(corresponding to ketu house)... you become subservient and do seva without expectations(let jaao). If done ⇒ you will paisaa, sukh, shaanti. Become sevak of ketu house relative.

If in 11th house ⇒ subservient to friends and larger friend circle.

In lagan: you will be a headless chicken ⇒ you wont be able to take decisions. You wont know what you want⇒ you will always be thirsty. Such a boss or spouse will be troublesome. But things improve after 42 age.

Also...you should not see yourself in mirror often(means grooming much). It will be better if you are zhalla types. ⇒ you will get better results if you are a bit disorganised.u should be subservient towards everyone.

In 12th house ⇒ you will become spiritual.

Ketu in pisces will also give spirituality.

Houses and Rashis can be seen interchangeably BUT in house it will have more effect | less effect if you see from rashi numbers.

⇒ if ketu in pisces is also spiritual but Less than a person who has ketu in their 12th house.

How to differentiate the two:

Ex. Rahu in 7th house: tendency of multiple partners. No disappointment with one particular partner. You will want multiple partners no matter how nice partner you get.

Ketu in 7th house: you will be dissatisfied with your spouse BUT you wont go after multiple partners. You will need only one but you will be disappointed because of your high expectations.

OR geographical distance from partner till 42 yrs.

Moon and Rahu in 7th house ⇒ too much desire for multiple partners.

Rahu-ketu in 1-7 axis is not good for married life. As you are ziddi, narcissist(me first, my job is more important, my parents, my respect, my comfort are more important ....me me me)

This is more important for kundli matching than maanglik i.e mangal dosh.

Mangal is not an issue. Issue is Rahu.

If Ketu in 7th house but some balance because of jupiter ⇒ you might be satisfied with your partner BUT then you will remain far away from your partner for long durations. BASICALLY: YOU WON'T GET HAPPINESS THERE.

Wherever ketu is... ⇒ after 42 yrs of age.. You will start moving away from that house things. Like you might not go after money(11th house) OR naukri in naukri house OR you will keep on changing jobs OR you might leave your naukri.

In 8th house⇒ bad relations with in-laws

In 9th ⇒ bad with father

When analysing a kundli... check moon, rahu, ketu first.

Rahu in 2nd house can be identified by just looking at your face.

Benefit of astrology: correct use of time and energy as they are limited resources,

Ketu in 12th house ⇒ subservient everywhere... you will become a spiritual person. In this house...no need to become subservient.. You will automatically become. 12th house is best for jupiter.

Rahu and mars together ⇒ you can destroy anyone. Powers of Gurus of both devta and daityas.

Rahu + sun ⇒ sun eclipse.==> got OR father se nahi banegi.

Rahu + moon ⇒ moon eclipse ⇒ thoughts are multiplied.

Rahu + mercury ⇒ you are a liar.

Age 72 means another cycle reset. Divide by 12 and if remainder is zero ⇒ new cycle has started. Like ages 36 and 72.

Rahu in 11th house is good >> multiple sources of income and big networking circle.

CS Neha Chauhan:

Age 36. DOB 24 sept.

Husband: 24 Aug. 1984.

Amit >> aap dono shaane bahut hain and you both are above average. but apne aap ko bahut shaana samajhte hain... you think yourself as exceptional.... You have a sense of entitlement(means itna to milega hi... itna to hoga hi... types)

AMit asked her to leave TEA for 4 days.

Esha: Venus and moon in 6th house. Lagan is 2.

Her bed was brown. Brown is Rahu. Amit said he can see Rahu element.

Amit correctly predicted that she is obsessive of food presentation. And you are judgemental of food.

Health issues.

Amit said that she had 2 karmic accounts from previous births... one is spouse related and other one food related... and you will face issues in both... and you will be judgemental in both.... You should be subservient in both fields.

Anulom Vilom is suggested in morning.

Tea is brown... Rahu.

CS: Ketu in 7th house. Guy doesn't want natural born kids. He wants to adopt.

Amit asked his 5th house.... No planet in 5th house and 2nd Taurus Rashi.

Lagan: makar lagan with Rahu + Shukra + Buddha

Rahu and Mercury together ⇒ you thought process will remain like that... confused.... You are advised to follow what yr wife is saying..

Then he asked his DOB: 1st Jan-1990. 8:50am.

Amit also informed that Rahu .. wherever it is... it gets activated in 42 to 47 yrs of age.

CS: Madhushree asking about her husband Rajat Sharma.  
Job issues, financial issues of her pilot husband.  
Amit asked her to make money. He said money making depends on their desperation.  
He suggested that give some work to mother-in-law >> her health will improve when she will get some work and importance.

CS: Vaibhav. Gemini Lagan. No planet in lagan.  
DOB: 26 Jan 1987.  
6th house has Saturn, Venus, Moon  
10th house: mangal and rahu. ⇒ two commanders. ⇒ he will destroy anyone at workplace.  
He said he has anger issues in office and personal life.  
One 7 yrs old son.  
Amit said that he wont fight much as it is Guru rashi(12th) there.  
Amit suggested coconut water for anger issues. Also do anulom vilom in morning.  
DOB is 26 ⇒ 8 number in numerology.  
Amit said that sAturn will get activated at 36 yrs of age.and one gets life ka gyaan.  
Moon in scorpio ⇒ rondumal life....  
You have recently come out of sade satti and this is your good time. 2012-13-14-15 was tough.

Moon: jo mera mann kar raha hai karne ka.  
Sun is light ⇒ our focus should be here  
Ketu: these things we should not do  
Rahu: these things are not under my control  
Saturn: results will come late Or by pain. But he will give.

=====

## 20 : Drishtis And Conjunctions Explained

Every planet has 7th drishti i.e in the opposite house. This concept can be avoided for rahu and Ketu for simplicity.

Sun, moon, Venus, Mercury >> they have only 7th house drishti.  
Means that there will be some flavor of this planet in the 7th house.  
Moon means mother OR shaanti are “looking” in opposite house.  
Sun means authority, father, govt, discipline is looking in opposite house.

Mars, Jupiter and Saturn have 3 drishtis. 7th house is default for all.  
Drishti Drishti

**Rahu, Ketu and Jupiter: 5, 7, 9**

**Mars: 4, 7, 8**

**Saturn: 3, 7, 10 (Amit sir wrongly told 3,7,11)**

Jupiter “Looking” means it will have its kripa there also.  
Jupiter is Jeev kaarak. ⇒ it will reduce -ve effects of Rahu, Ketu, Saturn, Mars.

Good planets: Sun, Moon, Venus, Jupiter

If Mars + Rahu OR Rahu + Saturn in one house without any drishti from any good planet ⇒ trouble.

**Mars 4th Drishti** ⇒ trouble will be that ... you will have to work unwillingly for that relative. Ex. mars is in 12th house ⇒ 4th drishti in 3rd house ⇒ You will have to take younger sibling responsibility.  
Mars in lagan ⇒ mom's responsibility.  
(calculate mars's 4th drishti yourself for the below examples.)  
Mars in 2nd ⇒ kid's responsibility  
In 3rd house ⇒ Kaam in office  
In 4th house ⇒ wife..Here mars will give pain. Thats y it is said that one should not marry a Maanglik girl... but it is not an important criteria according to Guruji. Check this if correction required regarding house.  
It is said that if you marry a maanglik girl then you will get pain.

In 5th house ⇒ in-laws responsibility.  
In 6th ⇒ responsible for father, dharam, guru  
In 7th ⇒ same for workplace  
In 8th ⇒ you'll have to do something(responsibility) about elder sibling. unwillingly.

Wherever Mars(or its drishti) is, it takes responsibility.Mars guy may try to dominate(take responsibility) of a few decisions among the couples... and it might sound bad.... But the good thing is... that guy will also take responsibility for the mistakes(if any). So, if your spouse wants all(or many) things according to his will... is it bad or good ?... it might be good also... as Mars guy will also take responsibility.

**Mars 8th Drishti: thing related with this will cease to exist.**

Where mars is... then that relationship might break(maybe mentally).

**Saturn 3rd drishti: it will give pain.**

If in 2nd house ⇒ 3rd(4th house) is related with Mother ⇒ relationship with Mother is painful ⇒ either you are giving pain to mom OR mom is giving pain to you OR mom is herself in pain(like bone pain etc)  
If in 9th house ⇒ pain in cashflow OR very delayed.  
Saturn doesn't destroy... just gives pain.

**Saturn 10th Drishti:** it also destroys. Some element here will be missing in that house. Not complete. Something will remain incomplete.

If in studies ⇒ you wont complete your studies... like some exam could not be passed. Could not complete graduation.

**Saturn's 7th Drishti** ⇒ it will become neerus(tasteless)

Jupiter or its drishti can nullify Saturn's effect.

## Conjunctions:

If difference is 5-6 degrees ⇒ more effect

Mars and Mercury is not a good combination.

Mercury Sun Or Mercury Moon is fine.

Saturn is Kaam(work) ka karak. As for kalpurush >> 10th and 11th house are of Saturn.

Saturn + Ketu ⇒ there will be breaks in between tasks. Your projects won't complete.

Rahu + Moon ⇒ Rahu will multiply Moon ⇒ you will be very emotional. But it's positive for creative ppl, artists, actors

Jupiter will do good with anyone.

Ketu will cut.

Mars + Ketu ⇒ chidchida irritating person. You will be quarrelsome. Ladaai jhagde wala.

Mars + Rahu ⇒ Jiddi

Rahu + Mercury ⇒ you are a liar. As Mercury is communication and Rahu is a lie. You will talk a lot. You won't talk in a clear and straight manner.

⇒ you will be such a person if with Rahu and Mercury are together OR their drishti coincide.

Saturn + Rahu ⇒ also called Yogi ka yog.

Now as Saturn is neerasta(tasteless). Rahu amplifies this tastelessness(means no interest in worldly things).

Jupiter + Rahu ⇒ Gyaan + dhokha ⇒ you will be gyaani but you will use this gyaan to give dhoka to others.

Jupiter + Ketu ⇒ its good combination. Both are gyaani guru.

These conjunctions are like flavours or Taasir.

Like adding jeera to rice changes its taasir. We can eat jeera rice at night.

Curd taasir changes if we stir it OR make lassi from it.

Mars + Saturn ⇒

Sun + Rahu ⇒ grahan dosh ⇒ issue with Sun(authority, govt, Father).

If Rahu is alone ⇒ its good as it is not affecting other planets.

Rahu will affect the planet within its house. And this will also affect the rashis of which this planet is Lord of.

Ex. Sun + Rahu ⇒ Leo rashi will also get affected due to Rahu.

Also see distance... if more than 12-14 degrees ⇒ very less effect of conjunction on each other. We can ignore this conjunction.

Much effect till 5 degrees. Reduces after 5 degrees.

Rahu alone in a house is better than affecting many planets in that house.

The more planets we have in a house ⇒ our dealing will be more in that house in general in our life.

If no planet in lagan ==. You will think beyond you. You are not self focussed.

If 5 planets in lagan ⇒ he is very very self focussed.

Moon and Venus are very comfortable with each other. Both provide sheetalta.

Mars + moon ⇒ you will like teekha(spicy) khana. As Mars is teekha and moon also relates with food.

Saturn + Venus(are near to each other according to degrees) ⇒ their spouse does very chik chik. Interfering and criticizing. As Saturn is neerusta(it brings neerusta in that house)

Mars + Venus ⇒ fight(haathaa paai) with spouse

If Mars is in lagan or 7th house ⇒ haathaa paai with spouse.

Case Study:

Rahu + Moon in Lagan: confusion(thoughts and mind are affected). Lagan is kumbh. ⇒ your friend circle will be huge. Do something creative.

Do gayatri mantra jaap.

Mercury + Venus in 3rd house ⇒ your workplace environment is very clean, neat and tidy OR you WANT it like this. ⇒ it will not be in govt offices.

Lagan is Taurus.

4 planets in 1 house. Shukra, mangal, sun, buddha in 8th house. Capricorn lagna. ⇒ 2014,15,16,18.

⇒ in-laws will try to dominate.

Moon is in 11th house with guru. ⇒ scorpio moon ⇒ sadness in mother's life.

⇒ much transformation in life after marriage.

And Wife's role will be big in your life.

Neha:

Sun, Mars, Mercury + Venus all in 10th house. Tula lagan.

Her kaam nahi bante. Like could not purchase house, could not start their own business.

AMit asked if any emergency took place at home. Neha verified it.

10th house has 4th rashi. Sun = 18 degree. Mars = 24 degree. ⇒ Mars got combusted ⇒ issues in real estate. And general Fear in life.

So make Mars string >> wear red clothes. Speak with josh and dabang types. This will make mars stringer. Should eat spicy food(teekha). Neha confirmed that she eats less spicy food.  
Mercury=2 degree. venus=12 degrees ⇒ mercury doesnt have much effect.  
Some incompleteness in workplace.  
Remedy: do Ekadashi fast twice monthly. Loose 5 kg weight. Dont eat oily food.  
Avoid finding happiness from workplace as you wont find it there. Find happiness in kids, shopping, spouse, relatives  
4th house is house of peace. It has many planets ⇒ we will SEEK happiness from these things but it is difficult to get. Sun⇒ from boss or authority. Venus⇒ from husband. MARS ⇒ from siblings or real estate.  
But the general pattern is that from where we seek happiness is difficult to get. It will depend on other planets also.

Nancy:  
Marriage didn't succeed.  
Moon in 6th house. Sun and Mars in lagan. 4th rashi in lagan. Venus in 12th house.  
Amit predicted that the unsuccessful marriage had some relation with foreign. Nancy said yes, she was given onsite opportunity and had 1 year contract with company and this created issues. Husband was asking her to come back.  
Amit said that new marriage also has some relation with foreign. Nancy said that same guy is now in foreign and he is asking her to marry again. Amit said go and marry him.  
Nancy said that marriage was not consummated. Her age is around 37yrs.  
AMit asked if she was judgemental on food(thanda hai... aisa hai vaisa hai). She said NO. Then AMit said that you are judgemental on your mother. She said yes.  
Amit said this is what you are bearing(bhigatna) now.  
Jiska karam kharaab hai... he can not enjoy.

Bhupinder:  
8th house has moon, buddha, ketu, neptune, sun, shukra. 2nd rashi i.e Taurus lagan.  
Age 39 and he said things are fine in his life. Amit said that it will remain fine. DOB is 17 Dec(he will turn 39 then).  
No younger sibling. Has grown professionally after marriage. Two kids.. Boy(3yrs) and girl(7yrs).  
He is engineer and doing research and development. Amit said thats fine. If you were not doing research then things would have been painful. As 8th house is of research.  
Jyotish is also 8th house related. So this guy is doing good.

Sumit + wife:  
Wife is expecting.  
Saturn venus and mars in 6th house of wife.  
Saturn=18 degree, Venus=10degree and MARS=9 degree.  
Wife said her husband does chik chik. Amit already predicted it.  
If partner does chik chik ⇒ that partner won't betray you. If no chik chik ⇒ those energies are being spent somewhere else.  
Amit told them to improve their relations with their mother-in-laws. If its ok then make it good.  
Amit asked the GUY.... after 20-22 yrs of service, leave your job and do something else.  
Amit said that Guy's work will be done in 3rd attempt. He should be happy if things workout in 1st attempt. Amit suggested him to do 1hr walking in evening(after dark) ⇒ isse kuch kaam jaldi hone lagenge.

Mohit:  
10th house has Sun, venus, rahu and shani. Aries lagan. Age is 32.  
Marriage is in December 2022. aMIt correctly predicted of his previous affairs. Girl has event management company.  
Mohit said his previous job, health related business failed.  
Amit said that if his work involves his wife ... then it will be good. Wife should be involved in some way... decisions, physical, mental etc.  
He was asked to respect his wife.  
Sun and Saturn will create some restlessness in your workplace lifelong.  
He was advised to keep wife's name above him in business. Also, he should involve luxury items in his business.  
Sun and saturn are enemies. Saturn is Sun's son. Sun is daylight and saturn is darkness.  
Amit said that your strength and weakness is that you are impulsive in nature... you make quick decisions. But your thought process is not right... so you need direction from someone else. This can be done by your wife.

Common Pattern for all: your weakness and strengths are SAME.

Daksh:  
Lagna is kumbh. Rahu in 5th house. Sun + moon + Ketu in 11th.  
Issues: court cases, share market investment, real estate career issue.  
6th house has cancer rashi.  
Now as rahu is in gemini ⇒ dhokhadhadi in documentation. Daksh confirmed this.  
4th Lord is with Ketu ⇒ it will give peedha(pain)  
Remedy: give water to sun for 43 days before 9am after taking bath.  
Also give coconut water to 4-5 poor ppl.

Rajiv:  
Taurus Lagan. 1st house has Saturn. Rahu in 8th house. Mars + Jupiter in 9th house.  
Career never worked out but livelihood was fine due to rental income.  
No planet in 5th and 6th house.  
Amit asked if he got cold food. Rajiv said yes, in the past, for a few years.  
2 kids: daughter is 21 and son is 14 yrs old.  
Amit asked if you are judgemental of your kids. He said No.  
Then Amit asked the same for wife. He said yes, for the past few months.  
Amit suggested: dont say anything to kids and wife. Dont be judgemental.  
Moon + mercury in 10th house.  
Amit informed that you are in sade satti ⇒ some frustration and sadness will be there.  
Amit said ... dont make big decisions in life in sade satti. Take small decisions only... even that will take time. Dont do anything adventurous. Dont do speculations.

Gyaan:  
Even if we are accused of something we didn't do ⇒ it is also good as our bad karma id being cutted.

> goto Ashtakvarga tab  
Left-most column is Rashi.==> 8th rashi total marks = 30.  
Grand total of ALL = 337 >> these are house marks.  
Total in a house more than or equal to 28 is considered good.  
Less than 28 ⇒ there happiness will be less.

If it is Sadness house(6, 8, 12) >> here less marks than 28 is good sign.  
As less marks in 6th ⇒ less diseases, debt or enemies.  
12th house is of expenditures.

So, lagna marks here are more than 28 ⇒ generally good life.  
8th Rashi = 1st house  
9th rashi = 2nd house ... and so on.. We can check marks in all houses.

His -ve houses are: 1, 3, 7.  
27 houses are not bad. As 27 is just 1 less than 28.

3rd house = 10th rashi ⇒ Kid's house has 25 points. Its a little less. So about 1 kid from his yog.  
But total number of kids is seen from kundli of both the parents.If mother has more points here then it can be more kids also.  
It also shows romance. 35-40 points means they are casanova.

Now.. high points means that either 1 trait out of several(for that house) is very high OR most of the multiple traits(of that house) are above average.

Here 6th house points are high(37), which is not good for this house. ⇒ he might have loans, enemies at workplace(peeth peeche buraai karna waale etc), diseases.  
But his Lagan points are also good(30) ⇒ he MIGHT not have diseases.

His 7th house(wife) score is 24(which is more than self i.e 30) ⇒ wife might think that he is more dominating. The difference here is of 6.  
So he wants things to go HIS way... not his wife's way. This will be his mentality at least. Whether he is able to dominate or not, will depend on wife's chart also.  
0-3 difference is considered good.  
If the 7th house number was 21 or lesser like 18 ⇒ marriage may break also.  
23-24 is like passing marks. Less than that is fail.

8th house(3rd rashi) marks is 28.

9th house = Guru/father = his 4th rashi(happiness) >> score is 24. It is less. Saturn is giving less marks here. Issues in long distance travel also(passport issues etc)

Relation with father is weaker than normal(i.e 28)

Workplace score = 22 ⇒ here Venus is giving very less marks here ⇒ any work done with some lady colleague won't be fruitful.  
Here moon is giving maximum marks ⇒ moon related work will be fruitful.  
Sun is 4 marks ⇒ chances of govt job are high but overall score is 22 so not much success even if he gets govt job.

But his money house(6th) is 28 score ⇒ he is getting more money(28 score) for less effort(22 score in workplace).  
⇒ prediction >> he is not getting huge fame in his job(as 22 score) BUT he is getting more money than his effort.  
Note: if 10th house marks are high and 11th house number is less ⇒ you will get less money for more effort.

7th rashi is 30 ⇒ his expenses are high ⇒ challenge in savings

If this guy increases his efforts in naukri ⇒ he wont get much results.  
His effort should be in reducing his expenses, reduce enemies at workplace, give importance to his wife,kids,mother,father. ⇒ it might increase weightage in these areas and this will bring balance in life. His frustration will decrease.

Play and work on your strengths and not weaknesses. Like If the above person focuses on his job only ⇒ he wont live a happy life.

His strength is 2nd house(35 score). 2nd house is also of vaani(bolna) and here Jupiter is giving maximum marks ⇒ gyaan ki baatein karke he can earn more money. Consulting, entrepreneurship lecture etc. Venus is also giving more points ⇒ related to bhog vilas, sexy places, girls ⇒ can earn more money. Interpretation can be that he employs female staff.

In lagana(30 points) > max points are by Venus(wife) and Saturn. Saturn here means his own effort ⇒ if he has his wife's support then he can make effort on his max potential.  
If wife doesn't support him ⇒ according to his template ⇒ there will be difficulties.

If Venus points in lagana are not high ⇒ they don't require much support from wife. So it wont matter if wife is less educated, less hard working and less contributing.

This is the general template. Planet positions will further effect the results.  
Like if there are issues in a house BUT there is Jupiter or it's drishti there... then Jupiter will save him there.  
If there is loss in a house then planets like mars, rahu, ketu, saturn are there ⇒ they will increase the losses. To further check who will bring you losses ⇒ check score.  
If saturn has more score ⇒ some lower level employee, some old guy or some poor guy might bring you losses.  
If Venus wants to give losses ⇒ loss from some lady(maybe wife)

So, dont let your client to speak much. As his problem might not be what he thinks it is. And he wont tell you his core problem.

Rahu gets activated at the age of 42.

If some house has less marks, say 22 ⇒ you will get less than what you expect. It doesnt mean any absolute value. It will be relative.  
Like if money is less in the kundli of a person whose father is extremely rich ⇒ that person will have less money comparatively... it doesn't mean that he will go below poverty line.

Slipper position prediction: slipper > foot > 12th house > half ketu ... but such detailed analysis is not necessary for any practical purpose.

Saturn dasha with Rahu ⇒ trouble

To check sade satti: check moon position. Now if one house right and one house aage has Saturn ⇒ Sade Satti

Gyaan: if you have sukh, shanti and happiness(manufactured inside you) ⇒ then you will do Mantras like Gayatri Mantra or some pooja paath.  
If you have Relaxation in life ⇒ then you will do good. Not the other way round.

High points means that in that house traits, you will get extraordinary results.  
If 21 score(less) in 10th house ⇒ not much prospects in job and this person will do good in own business.

- Laxmi comes where there is Saraswati(qualification, wisdom). If less saraswati ⇒ surround yourself with qualified ppl.  
- If you have self doubt ⇒ weak Mars  
- you should know just mota mota from Astrology. Just do 70-80% good in all fields and you will be happy. Society praises those who excel in one field(100%) but those ppl fail(40%) in other areas of life which gives them pain.

If 7th house has less score ⇒ marriage prospects can be checked from differences between lagana score and 7th house score.  
Like if lagana is 25 and 7th house is 19 ⇒ diff. Of 6 ⇒ not very bad but some difficulty as 19 is very low.  
⇒ you should try try again with patience and you will find success eventually.

In life ⇒ dont spend all time on job. Make assets for rental income AND learn some skill. Teach wife some skill which you can use in your own city..  
Mutual funds, stock market. >> do this and you will get freedom in 2-3 yrs.

=====

Jupiter is sweet. Jupiter in 6th house(disease) ⇒ diabetes.  
Don't waste normal lunch in office as the stressful environment puts negative energies in it. Eat fruits or dry fruits as they are satvik(alkaline) food.

Also eat between 1 and 1.30pm as due to suns position our digestive fires are highest at that time.

Saturn in 5th house means constipation. You should eat hot food Airways.

Saral 2.1 QnA:

Amit says do minimum parenting. Leave kids on their own. Do yourself which you want the kids to do. Kids will follow you.

Main reason for Narcissism is Rahu. Mai hi mai... focus on Me.

How to increase Jupiter element:

- start trusting ppl.
- keep relaxed. Laid back. Eat good food. Don't do dieting.
- eat some sweets also.

All women are Venus... grace, beauty, joy, creator.

If someone is beautiful ⇒ high venus element

Ugly ⇒ Saturn element is high

If you get sheetalta and gyaan from someone ⇒ his Guru tatva is high.

Obsessive guy who controls others ⇒ Rahu element is high

Ladaai jhagda ⇒ Mar element is high

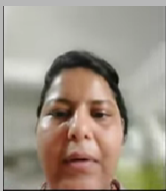

Elon Musk types ⇒ Mercury(technology) and Rahu(obsession). Its a dealy combination.

Don't try to fix something using astrology... like you cannot fix Rahu or lower its effect... in that case.. It will only increase.

Rahu needs attention, Glory..like dancing singing on stage etc... all filmstars are like that.. If you dont give limelight to these ppl then these ppl go down... maybe depressed.

We need saturn ppl also in this world... like garbage collector, sewer cleaner etc. We should never disrespect those ppl else Saturn will punish us in sade satti. We should do daan punnya to them.

Sun and saturn together ⇒ kashmakash... some friction will always be there. If both in 10th house ⇒ always some nokjhok with boss. This person won't get sukoon in naukri and he cannot avoid altercations with his boss. In this case .. they should leave job and do their own work.

She had gyne related issues since marriage. Amit said this is checked by 6th house.

In 6th house she had Aries(1) rashi. With this info inly > Amit predicted that her mother's life was rondumal types.. Unhappy. Amit asked her to make her mother happy and it will lower he gyne issues.

### Saral 3. QnA:

Lady. Mars in 8th ⇒ you will take responsibilities of in-laws and if they dont give responsibility ⇒ clashes.

Amit said that dowry is NOT a problem. Mny dowry givers and takers are happy and many non dowry couples have issues. Find root cause of issues.

Lagan is Aries => Lagnesh(Mars) is in 8th house(it is a transformatory house). So other ppl will feel your transformatory energies and they will oppose.

MArs energy can also be channelised into sports.

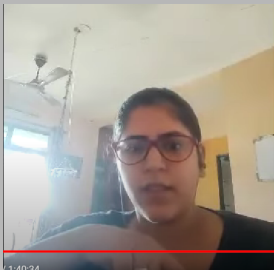

If mars is in 10th house ⇒ it is uunch ka. It means you have good energy for sports but to enhance those energies further... you will have to workout and train yourself. And if you work in the field of your natural talent(as shown in charts) then you will excel. You wont excel in other fields.. Or it would be very difficult.

Wherever Mars is there... it doesn't allow other things to happen further.

Mars in 3rd house means that you wont be having younger sibling most probably OR in case there is .. then you will have to take full responsibility of him.

MArs in 5th house ⇒ child progeny issues. And if both parents have mars in 5th house ⇒ bigger child progeny issues.

If your eyebrows meet(i.e you have unibrow) ⇒ your Mars is very high.

Scorpio Girl with Mars in 8th house.

Amit correctly predicted that her mothers life is rondumal types.

Amit proposed that she try to make her mother happy.

1st house is somewhat like Natural Aries types. You will be impulsive here.

If Cancer in 1st house ⇒ you will take quick decisions which involve emotions.

If capricorn guy ⇒ as it is KARAM ki rashi ⇒ you will take quick decisions in karam field.

Libra lagan ⇒ rashi of relationships ⇒ you will take quick decisions in relationships

**IMPORTANT: Here we can see that Libra(7th rashi) in 1st house yields somewhat similar results to Aries(1st Rashi) in 7th house.**

Traits of a good Mars ⇒ good and confident way of speaking.

Good Mars is also signified with real estate gains and also with your brother. If your relations are not good with your brother then you will face real estate issues.

The moment you resolve issues with your brother ⇒ then you will get the property.

Mars is Himmat.  
Mars in 11th house ⇒ you will take responsibilities of your elder sister.

LAdy:  
Mars in 1st house.  
Your body health will be good. Mars is blood(hemoglobin)

Mars 8th drishti in Lagan ⇒ some of your habit will finish when it gets activated.

Mars in 5th house ⇒ child progeny issues.  
For Men ⇒ either no kids OR complicated delivery or cesarean for wife.

Gyaan: kaam karne mai majaa aana chaahiye. Yes, you will want results also.  
But main thing is >> when your work itself seems like the RESULTS(the fal) then you will get happiness.

## Saral Class 6 | Moon And Cancer Explained | Most Important Class

Moon color is white. It is sheetalta.  
Moon is your mann.

Infuture > mann ke issues, psychology issues.  
In foreign countries > psychologists charge 12k dollars and about 12 sessions to fully understand you and your mann and your deep fears and hidden traumas.

Astrologer can solve this in 500 rupees.  
To find where is our sukh and happiness: aanand. Mann ki shanti.  
Ppl are confused about happiness. Even if you dont know if you will get good job or wife etc BUT you can tell clients that I know from where you will find happiness.

**First check where is cancer(4th) rashi(main source ie main weightage i.e atleast 50% sukh from here) > then check where is moon(2nd source) > then check Moon's rashi(to get flavour) > then check the rashi in 4th house(some inkling here also for happiness)**

But generally, parents push kids in the direction where THEY think their happiness is/was.  
Mother might think that she will teach her kids singing but her daughter's sukh is not in singing according to kundli.

If cancer rashi in lagan ⇒ you will find happiness within yourself from yourself. Take care of your body and health... you will get sukh.  
Cancer in 2nd house ⇒ you will seek happiness from your original family. Milega nahi milega is no guarantee. If not from original family ⇒ from assets(sanchit dhan) i.e bank balance, demat etc.  
Cancer in 3rd house ⇒ you should seek happiness in younger sibling OR from your communication skill OR short travels(weekend travel , shopping etc)  
In 4th house ⇒ from mother, car, house  
In 5th ⇒ from kids, romance, education(puraani)  
In 6th ⇒ for aquarius guys. From fighting, arguments | making something by taking loan | in diseases(maybe of others) OR disease ko theek karna.  
In 7th ⇒ for Capricorn. From spouse, relationships(opposite sex), partnership  
In 8th house ⇒ from in laws, sex, research  
In 9th house ⇒ from father, guru, higher learning, long travels.  
In 10th house ⇒ from workplace | from inheritance(as it is 2nd house from father's(9th) house)  
In 11th house ⇒ from cashflow(paisa), from networking with friends.  
In 12th house ⇒ bedroom pleasures, kharcha karna, foreign travels.

If saturn also in that house ⇒ you will have to work hard mto get that sukh.  
If +Rahu ⇒ obsession of seeking happiness from there.

Then check Moon ⇒ apply same story as that of house significance there in that moon house.

Moon + Saturn == Vish yog ⇒ they remain sad types. Not very happy. But they can be good philosophers OR good researchers OR they might like to get involved in Saturn Activities.  
If moon + Saturn rashi()

If Saturn Rashi(10 or 11) in 4th house ⇒ you will get happiness by very hard work(ghiske). Jor lagana padega. This will be for Libra and scorpio.  
If venus rashi(2 or 7) in 4th house ⇒ you will like luxury things, bhog vilas.  
If mercury rashi(3 or 6) in 4th house ⇒ you will find happiness in just asking questions, accounting, paisa(not wealth BUT chindi paisa like 100 rupees saved, 50 rupees discount)  
If singh(5) rashi in 4th house ⇒ you will seek sukh in pride, ego like in job etc as it is Sun's rashi..

Planets in 4th house will define flavour.  
If Rahu ⇒ some obsession about your sukh.

Transit Rule to charge 500 rupees easily:  
Moon stays in 1 rashi for 2.25 days.  
6, 8 and 12 houses = Trig houses  
If Moon transits from 6th, 8th or 12th house (it happens every month) | like if moon is currently in scorpio ⇒ if you have 8 rashi in 6th, 8th or 12th house ⇒ u will be irritated that day, there might be health issues i.e these are negative days. Don't do anything new or energy required work on these days. You will have total about 6 such days in a month.  
Check these same days for your spouse also. Some days can overlap. ⇒ 6 to 12 days in a month are such when there can be fights among couple.  
You should be careful in these days.. Not to get any quarrel.  
Lady's periods also depends on moon cycle. CHECK the cycle.

Dont plan meetings and presentations on these days. Rich n successful ppl take care of this.  
It can happen that if u plan too much in these days ⇒ u will get into traffic jams, your kid might have stomach upset, u will be irritated, or your tooth might ache... some or the other issue will be there.  
Moon going over:  
6th house ⇒ more about ladaai, arguments and weak energy

8th ⇒ health, tired, restless  
12th ⇒ mind, chidchidapan.

These results in bad days, tough days.

If moon is permanently in such position(in scorpio) ⇒ you will always feel like that... like you will feel jaleel in life. Sad types. As they understand duniya more deeply.

**NOTE: moon is debilitated in scorpio(8th rashi) OR in 8th house. ⇒ u can become good astrologers. As your intuition power is more.**

⇒ if moon is in 8th rashi ⇒ for you, feeling humiliated is a template. Ruasapan. Rondumal. BUT your mann is in transformatory rashi, you can change the world.

You are also very good at understanding human emotions ⇒ good for sales, psychological counselling.

Debilitated or neech ka doesn't mean BAD. It may also be very powerful.

You might not get khushi but you will get Aanand(satisfaction, bliss).

Happiness requires many external triggers but Bliss is more sustainable and internal.

If Girl is LEO ⇒ 4th house(sukh bhaav) is scorpio. Now if her husband is Scorpio ⇒ her sukh will be in her husband.

Scorpio is rondumal himself but he will give happiness to leo girl.

**Rule: the rashi which is in your 4th house ⇒ that rashi guy will give u happiness... even if that guy is bad for everyone else.**

**Similarly, any person who's lagan is 6, 8 or 12 from YOUR lagan ⇒ you wont get happiness from him.**

Gyaan >> jiski parents se achhi banti hai uski spouse se nahi banti and vice versa.

Rule: wherever u have cancer sign ⇒ u r very emotional there.

If cancer in 4th house ⇒ emotional with mother, or while buying a house or a car. U will talk to car...

For libra... cancer in 10th house ⇒ emotinal about workplace, boss etc

Moon is eyes ka kaarak.

Mars is eyesight ka kaarak. ⇒ weak eyesight means Mars issue.

Venus is beauty of eyes. ⇒ if eyes are beautiful ⇒ their Venus is strong.

Moon is food ka kaarak.

Bad moon ⇒ not good food, cold food, food not on time despite having money.

debilitated moon(moon in scorpio or in 8th house) ⇒ u wont get good food. Food issues will be there. [check this for Sarita]

Fight with wife over food

Rule:

Saturn in 2nd house OR moon with saturn ⇒ no food issue. They can eat whatever. No food sukh

Rule:

Moon in Venus Rashi OR moon + Venus ⇒ food should be visually appealing, good presentation... salad cutted, dhaniya chopped, nimboo cut, chillies arranges, raita pe masala ...

⇒ don't get into a job where u cant eat on time else it will create unhappiness for you.

Jyotish is about creating happiness and abundance in your life. And telling you your own strengths.

Rule:

Moon with Rahu ⇒ u will want to eat exotic food. U will like fusion foods, mixed foods.

Rule:

Moon in 3rd house(primary) or in Gemini(secondary) ⇒ you cannot lie to this person. Mann in communication.

Gyaan:

If you are giving old things to poor ppl ⇒ its not help to them... rather they r helping u. U should give them new things.

Moon is your liquid wealth. The more you help others the more you earn.

Those who take high idealistic and high moral grounds ⇒ your moon is bad. IMPORTANT.

Give new kambal to poor people if you really want to help people.

The more you help others, the more you earn.

Your ability to help others decides how much money you earn.

Rule:

You are more intuitive **wherever** your moon is.

If moon is in 10th house OR in 10th rashi ⇒ if anything bad is about to happen at workplace or in yr job or to fathers family then u will know.

Snapshot:

Moon + Ketu ⇒ you need food at soul level which satisfies their soul.

Good to learn jyotish for satisfaction.

Moon + Saturn ⇒ jatak with think like a mature(or old) person even if jatak is a kid. But bachpana will be less for such a kid.

Moon + Me ⇒ chatterbox

Moon in 7th house ⇒ good capability to impress and acquire GF/BF. Do you exercise or not is a different thing.

But if Ke or Sa is also there ⇒ it wont work.

Afflicted moon ⇒ you will think a lot OR you will think about yourself.

If anyone is sad:

On Poornima, watch moon.

**Sade Satti:**

Sa in 12th house of moon, in same house as moon and 1st house from moon is sade satti period.

Its difficult but this takes you towards the right path, the right thinking, belief system crushed.

Sa is karm data.

If moon is in Capricorn, aquarius or Pieces ⇒ their Sade Satti is going on. Vide recorded in about May 2023.

Things will not go as planned, no one will understand you. Feeling of train patri se utrar gayi hai.

But if you keep on working hard in this period then in last dhaiya you will have windfall gains, money, fame

Note:

Do Not conceive on AMAVASYA. Else kid will have mental issues.

Where your moon is... vaha kisi nashe ka bhi chakkar rehta hai.

Ex. Moon in 4th house ⇒ he will smoke in car. Chull hogi. Not applicable for non smokers.

Some guy carrying alcohol or mini bar in their car in parties, marriages etc.

Moon's position is very important. Its house and rashi.

With Rahu ⇒ might result in criminal type mind,

Moon + Rahu in Cancer ⇒ psychopath tendencies.

If anyone has Rahu in Cancer... then avoid consultation of this guy. Vo aapke peeche pad jaayega for consultation.

## QnA

When transiting Sa is 12th from Moon or from Moon's lagan ⇒ Sade Satti.

Moon in 11th house ⇒ jatak wont tell correct price of that he purchases. Vo maje leta hai.. Price kam ya jyada batata hai..

Also, you will have good amount of liquid cash. Your mann is very much in your friends.

But if you increase one aspect, then other aspect will go down. So if you reduce friend circle ⇒ cashflow will increase.

## IMPORTANT:

**if you increase one aspect, then other aspect will go down AND Vice Versa.**

Moon in lagan ⇒ your mann can be seen on your face. What feel can be seen on your face.

If you talk good about jatak ⇒ he will smile.

If you talk bad ⇒ hr will frown

Amit ji advised a 28yo girl that she looks 3-4 yr younger(24) than her age(28) BUT after 2-3 yrs she will look 2-3 yrs older(i.e about 33).

Girls are advised to marry avg looking guys as they will cherish their wife. Moon doesnt have its own light. It shines when Sun throws light on it.

Woman's mann is sukhi when husband throws light(love, pamper etc) on wife.

Like Hritik Roshan got divorced. He is handsome.

Note: wherever your moon is, you want to be pampered there.

Moon in lagan ⇒ you want pampering from everyone. If no pampering ⇒ no light. ⇒ no sheetalta.

CS:

Capricorn lagan. Moon in 4th house.

Ra in cancer in 7th house.

Jataka doesn't get satisfied in life. Because Ke is in lagan. Such ppl never get satisfied. Some satisfaction they can get in learning Jyotish.

Amit asked jataka to find some Guru(mentor)

CS:

Moon in 11th house in Singh rashi. Libra lagan.

Amit said that jataka cannot take decisions. You need someones sahara for decision making.

DOB: 10 Nov 1982

She has worked as teacher, freelancer, artist But could not continue things. Not successful.

Amit: you dont need money, you need pride, ego, respect.

Amit said that if you reduce friend circle then you will get money BUT you wont get the respect in your work which you are seeking.

## Saral Class 7 | Sun and Leo Explained

Ketu is like a detached person/ spiritual person.

Sun doesn't give any result in itself. It just lights up the house in which it is. Your focus will be here.

Sun is your soul and moon is your mann/mood.

It changes rashi every 30 days.

Technique: Sun comes at same place every year ⇒ check if your focus changes on things but remains at one thing in a particular time of the year, every year.

For prediction: using transits: Sun tells the month, moon tells the day. We can even tell the hour using Nakshatra and Pada.

If Rahu is in your 11th house and Sun transits over it(grahan yog) ⇒ obsession on money and your focus will also be there.

If Sun transits over 7th house OR 7th Rashi(specially)(which is not considered good as Sun is debilitated).

If your Sun is in 7th house ⇒ frequent fights with Spouse. If NOT ⇒ your might be very dabang OR your spouse might be very intelligent.

Sun in Libra also means ⇒ Relationship issues.... Might be even sexual issues.

Sir: even such a person fights with spouse means its good AS if no fights means it could be sexual issues(of your Partner)

If in 7th house(debilitated types) BUT in Aries rashi(exalted) ⇒ neutral.

Sir doesn't see housewife's kundli as she has a mundane life, no job, no money earning, no assets etc.

Housewife's can learn jyotish and practice it. It will activate kundli and bring fulfillment.

Assets and money related houses = 2 and 11.

If you dont earn money ⇒ your 2nd and 11th house do not get activated.

If no money earn ⇒ you dont WORK ⇒ 10th and somewhat 6th house also do not get activated.

⇒ total 2, 11, 6, 10 houses dont get activated.

Also you are not learning anything new ⇒ 8th and 9th(learning) house are also not activated.

Those who learn jyotish ⇒ their 8th(occult) and 9th(learning) house get activated  
⇒ Housewife gets bored and many houses are not activated.

Businessmen buy many cars. Buying a car activated your 4th house. 4th house is of Sukh.  
When you use jyotish ==. Aapka punnya jaa raha hai.  
Sometimes, the suffering person need not be helped. It is good for him.

Astrology is expensive.  
Rule of life: the strong destroy the weak(like what happened to Kashmiri Pundits)  
And today's power comes with knowledge, wisdom and Money.

We should light a diya at home when energies are mixing.  
Sun is duty. Dharam is also duty.  
If your discipline in life is good ⇒ your dharam is good.. Means you are doing good.

You come with your quota of suffering from birth. If your wife is giving you suffering then you might separate but then your boss will give you suffering. etc.  
Suffering from Wife is better than by boss. Suffering from kids is better. Kids misusing your wealth is better as misuse to hona hi hai.... Abhi vo ghar ka ghar mai ho raha hai.  
If humiliation is written in your life then take it.... If you avoid it somewhere then your will get it elsewhere.

You should be flexible. If you expecting mercedes... but you get Swift Desire... enjoy it.  
Dharam is something Private... like bedroom life.  
Sun destroys. Sun with Venus ⇒ it destroys sperm....cobust kardega.  
Our country's dissatisfaction and frustration is because of sexual dysfunction in life.

Sun is debilitated in 7th house as it is bhog vilas house. Sun is not required there. Ram cannot be associated with bhog vilas.  
Saturn(old man) is happy(unchh ka) there.... Relaxed.  
Su and Sa are opposites.  
Sun in 7th house ⇒ focus on wife... where going, doing what. So spouse ke sath ladaai honi hi hai.  
REMEDY: focus kam kardo.

Now you have to cool down Sun. by giving water to sun. water should not touch your feet. Try that water goes in some plant pot.  
Tamba lota is preferred.

Sun is your Boss. Sun is Malefic.  
If Sun in Venus in lagan ⇒ Venus is very strong. Sun might not cancel it out ⇒ might result in NO sexual issues.

REMEDY: if Sun and Venus together ⇒ Make your Venus stronger.... Cleanliness, hygienic, perfume, oral health.

Example: Sun in 1st house ⇒ less hair in front, big chauda maatha, chere pe tej, responsible guy, Raub wala(Sun in Leo also Raub wala)  
Sun in 2nd house ⇒ focus in assets or original family.  
3rd ⇒ focus on younger sibling OR on short travels OR on communication(paper work, email etc)  
4th or Leo in 4th house⇒ rauob waali mom, dabang, royal BUT(Ra or Ke might cancel this aspect).  
8th house: focus on sexual activities, research  
11th: focus on friends.

Most planets get activated between 31 and 37 yrs of age. Thats y these are most eventful years.

00.39.00

Sun in 5th house: for women... womb issues, delivery issues and focus on kids. Kids can be proudy... raub waale etc. if Ra is there then it might be different.  
In 6th house or in Virgo: focus on ladaai jhagde, debt, on enemies. You will be judgemental for your father or govt or senior official or boss and will criticise them....like govt is bekaar, boss is bekaar. You should not do this... else father wont give money, govt wont give promotion.  
Will fight in office but will do his duty good... and reason for fights also maybe that I am doing good work and you ppl are not doing.

Sutra: Sun asks for sacrifice wherever it is. You will have to sacrifice something in 38 to 40 yrs of age.  
In 2nd house: you will have to sacrifice something for your original family  
8th house: sacrifice for sasural  
9th house: sacrifice for your father. You may lose your father also..  
10th: you will have to sacrifice something at the workplace.  
11th: for elder brother, friends or larger circle.  
12th: your bedroom life or sleep may get affected... or your focus will be in that area.

If you are boss.... Feel free to give bad rating to a bad employee(as it is not your company) BUT never fight with him.... Else you will spoil your kundli.  
If you are fighting with someone... then it is not because you care for the company or for the govt.... It is because of your own personal issues.

Venus in 5th house or LEO: kisi bhi Devi ki pooja karni padti hai to get blessings...and improve Venus.  
Ra in 5th house ⇒ you are advised to do pooja of Kaal Bhairav.  
Ke in 5th house or in Leo Or with Sun ⇒ you are advised to do pooja of Sai Baba(other conditions might also be there)... you may undergo cesarean for child birth.

Sun in either of 5th(or leo)(kids), 6th(in office), 7th(with wife) house ⇒ he fights a lot.  
Reason for fights... you can see others mistakes... as your focus is there on the things for that house.

00.54.00

Your intelligence and intuition is good where Sun is.  
Bad Sun ⇒ you wont be able to do prediction.

If someone is asking you to prove that you know astrology ⇒ their Guru is kharaab... they dont trust you ⇒ they cannot be helped by you.  
Aapko dusro ko vishwas nahi dilana.

Where there is Sun... there you want to seek fame and honour.

Sun is also responsibility. If in 10th house ⇒ you will have to take responsibility of your father's finances or father's family. As 10th is 2nd(dhan, assets, family) from 9th OR if not this THEN you will have to take more responsibilities at your workplace. ⇒ increase responsibilities at workplace to reduce in other areas.

Sun doesn't give any result in itself. It influences other planet's energy.  
Sacrifice and duty are somewhat related. Like in 9th house... duty for Father... means you will have to sacrifice something for your father.. Or for dharam.. Or for Guru.

9th house is your Sala(wife's brother) also.

CS:

Libra lagan, Sun in 9th house(in gemini) with Sa and Ke.

Sa and Su together are not happy. Kashmakash rahegi like pitaji aapki baat nahi maanenge... aap unhe samjha nahi paaoge.

Sa is son of Su. relation rahega... but thodi bitterness rahegi.

Ke ⇒ detachment bhi rahega.

Sa with Sun ⇒ your focus here might be on and off.

Gemini is sign of free will ⇒ aapki chalegi, chalti bhi hai and aap chalana bhi chaahate ho.... But here there are issues because of Saturn etc

REMEDY to cool down Sun: Sun ko paani do and pitaji ke per dabaao.

Per sabke dabaao... wife ke, bachho ke, sibling ke, parents ke... ⇒ this awakens your kundli.

Important rishtedaaro ke per chhune chaahiye. But sabke nahi chhune chaahiye.

If you touch feet of your mother-in-law and she doesn't respond/forgive you/feels good etc.... Means you will get Sun's good results elsewhere..like in your or your kid's govt job... some good related to Sun.

Moon and Sun have drishti only in 7th house.

CS:

Sun in 4th house ⇒ issue in relations with mother. But it is less applicable on women as they move out after marriage.

CS:

Virgo Lagan. 5th house has Su + Mo + Ma. Father is dominating. Thinking of marriage.

Sir: this is a very judgemental person and he criticises others. This is the issue... issue is not with Su Mo Ma. He should get good kundli matching. Child bearing issues may also be faced.

Sir: abhi sade satti bhi chal rahi hai.

CS:

Libra lagan. Sun in 8th house in Taurus rashi.

Sir: Sun in 8th house means you have power. If someone is dying and if you sit with them then they will be saved. It will have positive effect on others.

If someone old person is in hospital ⇒ do gayatri mantra, mahamritunjay path, diya jalaayen.

CS:

11th house has Su, Sa and Ke in 9th rashi.

Sun with Sa ⇒ focus hila hua hai. Leave it... baaki 11 houses se sukh lo.

Sir: ijjat/respect is nothing. Life issues are petty like money issues etc. Only thing is health and that you are alive. Game is ON.

01.31.00

CS:

Ma Me Su in 7th house.

⇒ little problem in relationship. Relationship mai logic chalega, ego bhi aayegi and bachkana kaam bhi hai... matlab virodhabhas.

Mars in 7th house ⇒ some maar pitaai with spouse is there. And as one retaliates when one slaps ⇒ dono hi maareng.

Mars in lagan ⇒ jhagdaalu types. But things get settled after 42 yrs of age.

---

### Violence among couples discussed: [its complicated]

When a lady hits her husband and husband retaliates and the lady gets a bruise ⇒ lady gets sympathy.

BUT when a weak, short, slim man hits a hunk and he gets beaten back ⇒ weak man is criticized.

Its because a woman has the society, her father, the law at her back.

A man cannot argue with a woman with words... thats y he might slap her when she is shouting or speaking bad things.

A strong man will never hit a woman... he will destroy her with words only.

A woman can kill a man with heart attack by nagging constantly. The mental attacks on man are not visible BUT bruises on woman's face are visible.

A man who talks trash about women, is looked down upon in society.

But in opposite case.... Woman is considered to be the victim.

It is difficult to be a man in today's world. It is not because men are pradaadit.

It is because women have upgraded themselves in the last 30 yrs and men have not.

Men have not upgraded themselves emotionally, physically. Learning cooking etc etc

Women have learnt driving, flying planes, banking, doctor

BUT happiness index of women has decreased as compared to that of 100 yrs back.

## Saral Class 8 | Virgo and Libra Explained

Virgo characteristics will be of:

In lagan: you

4th house: mother

7th house: spouse

9th: father  
11th: elder bro  
5th: kids  
3rd: siblings

Virgo is Sewa ka sign. OR it can be extremely judgemental ppl. 90% are judgemental characteristics(ye aisa vo vaisa etc).  
Lagan: sabki sewa karo. Subservient raho sabke.

Any planet in Virgo... ⇒ you **have to do** sewa to that planet associated things. BUT you **will be** judgemental here.  
If Sun in Virgo ⇒ Do sewa of your father... but normally you will be judgemental there. Sun is also Govt ⇒ do sewa of govt and dont be judgemental of govt.  
Advice: dont be judgemental of your father, govt, boss.

Virgo lagan ⇒ hard working. You even see small mistakes and tiny things also as you are mercury based.  
Profession: Auditor, critics..like food critics, movie critics etc are good.

Note: some people wont agree with you(astrologer). You should be confident that either the jataka is lying or the chart is not correct.  
So its better to make jataka bring some close person also with him.

Rashi and houses can be used interchangeably. House effect is more dominating as it is fixed.  
Moon in Virgo(or in 6th house):  
You are judgemental of your food OR you dont get food as you want... like not hot if you want hot... not spicy if you want spicy.  
Apne mann ka khana nahi milta... or you are judgemental of food.  
This is your Prarabdh Karma. Whatever planets you are born with Virgo sign ⇒ you did these kaand(being judgemental) in your past life.. I.e you were judgemental here in past life also... now also you have got same... you will be judgemental here normally BUT you SHOULD NOT be.  
Jaisa khana mile khaalo. You will get good food after 42yrs of age. BUT if you have been very judgemental of food in life ⇒ utne saal aur dikkat hogi.

If you have many planets in your 6th house OR 6th sign ⇒ you have heavy baggage of your past janam.  
These karam will be cutted by acts like your some car accident .. someone talks to you in a rude manner etc

6th house has Sa ⇒ you misbehaved, did attyachaar, were judgemental with lower class ppl(or poor ppl or ppl of other such class or OLD ppl) in your past life and you will continue to do so in this life unless you are guided by a guru.  
Somewhat similar but less flavour you will get if Sa rashis(Capricorn or Aquarius) are in 6th house or 6th rashi.  
These ppl are advised NOT to be judgemental AND not do bodyshame of some OLD or poor person.

Every rashi has some color BUT Virgo has no color.

In virgo house.. You will be curious.  
Virgo lagan ⇒ you will be curious by nature... like you would want to know other's salaries.

Venus in 6th house ⇒ you will be judgemental of spouse or opposite sex. Like comments on character etc.  
These things will make you suffer.. Like promotion nahi ho rahi.

Note: LAL KITAB is derived from Vedic Astrology BUT it has remedies and it is like a kunji.  
To understand Lal Kitab.. You will have to understand Vedic Astro first.

Ma in 6th house ⇒ you should not be judgemental of your sibling or elder brother.  
Cancer ⇒ judgemental of mother.

Ra in 6th house is considered good. As then Ke will be in 12th i.e it will be Moksha karak.

If Guru i.e Ju in 6th house of 6th Rashi ⇒ you should not be judgemental of your guru, your dharam  
And you are prone to diabetes. You should not be judgemental of guru. And also not for Dharma ⇒ you might also follow some other sect like radha swami OR Sai baba... AVOID IT.

6th house is lower abdomen ⇒ if Ke is here ⇒ there might be some cut, some surgery, some disease

If Me is debilitated in 12th house OR Me is in pieces ⇒ you have memory issues. Cheeze yaad nahi rehti. You might even forget ATM pin.  
REMEDY: keep greenery around you like plants. Wear green clothes. Feed chaara to cows on wednesday. NOT full cure but yes it will help. You wont get frustrated very much.  
Such kids generally do bad in studies. Dont pressurise him.

Ve becomes debilitated in virgo as you are very judgemental. ⇒ marriage issues also. Dissatisfaction. Ego issues.  
Apply all rules for 6th rashi also.

Planet in 6th house are not considered as good.  
Whatever planet is in 6th house ⇒ your have to be subservient of that Planet's significator.

Dont criticise the corresponding relation:  
Like Virgo in 3rd house ⇒ dont criticise your sibling.  
In 11th house ⇒ elder sibling or general public  
7th ⇒ spouse  
8th ⇒ your in-laws.  
10th ⇒ father's family, ppl at workplace  
5th ⇒ your kids  
4th ⇒ mother  
12th ⇒ anyones' sexual performance or foreign lands  
9th ⇒ father, religion, higher learning(like some ppl criticize Astrology).  
Lagan ⇒ don't criticize ANYONE.

If you do criticize ⇒ aapka bura hoga.  
Your criticism MIGHT be justified BUT STILL you SHOULD NOT.

Like.. Capricorn lagan. ⇒ Virgo is in 9th house and Gemini is in 6th.  
Gemini is house of gossip. Gemini lagan ⇒ you do gossip a lot.

You should never gossip about anyone's debt, Burai, disease.

#### Good Technique:

Ex. Cancer lagan ⇒ gossip sign(3) is in 12th house.

6th house = sagittarius(Ju is lord) ⇒ you should not do gossip/discussion about bedroom life of your guru or guru samaan person like teacher, elder, dharamguru etc... even if that guru is bad.

Means.. You will gossip ABOUT the things in your gemini house things... and you will judge PEOPLE of 6th house related.

00.31.25

## LIBRA:

Libra lagan: you like relaxation. You dont like to work. You like bhog vilas... luxury. Bhogna chaahte ho.

You like to relax in that house things.

You have issues in decision making. Take help of some mentor.

If Libra in 7th house ⇒ your partner will be like that.

In 2nd house ⇒ khaane mai bhi jor lagta hai. Parents ki original family ke liye kaam karne mai jor lagta hai... same for assets banaane mai.

Means... aap bass bhogna chaahte ho.

In 12th house ⇒ aap bed pleasures bhogna chaahte ho.

Libra in 4th house ⇒ house or car decision is very difficult. Confused. But if Jupiter is there or its drishti ⇒ some help in decision making.

Sun in libra: you will show that you are very well respected at your workplace.

Also, your spouse aapko dabaake rakhega.

Moon in libra⇒ you like to connect with masses. Your chances of affair is high as you get bored of your spouse easily.

Ra in 7th house ⇒ obsession with relationships. You might do multiple relationships.

OR multiple businesses and you will cheat there also.

Don't do business with ppl having Ra in 7th house or in Libra.

Ke in 7 ⇒ dissatisfaction with spouse. May lead to divorce.

That y Ra-Ke in 1-7 axis is not considered good.

Ra in 1st house and Ke in 7 is not a good combo.

If Ke in 7th ⇒ you should marry a spiritual type person. And NOT with some sexy model(else divorce as you will lose interest OR you will live far away from your spouse as that is also dissatisfaction.) This story plays till about 40yrs of age.

Wherever Ke is there... there you should become a Fakeer.

Ke in 7th house ⇒ you should be subservient of your spouse.

Me in 7th ⇒ multiple partners like GFs, business partners.

Ju in 7th house or 7th rashi ⇒ your spouse will be gyaan dene wala.

You should not keep a temple in your home ELSE it will take you away from marital life.

Note: for men: only 3 things are required- healthy gut(no constipation), good food and good bedroom life. But all these together come from money.

Consultation is 40 to 60 mins and Amit's course is enough to talk that much and make a difference in someone's life.

#### Consultation Summary:

Where there is Virgo.. There you dont have to be judgemental.

Your mann is where your moon is.

Wherever moon is... there you will have to cry and only then you will get something.

If moon in lagan ⇒ you will have to cry baby types for everything... like mummy khana dedo etc

Moon in 4th house ⇒ mummy ke saamne roge .. to pyaar mil jaayega. Property ke liye bhi rona padega... like loan nahi mil raha, possession nahi mil raha etc... rona shuru kardo mil jaayega.

Wherever Ra is ⇒ there is your obsession

Venus in Libra is Good. unless and until some bad planet is not there or bad drishti.

Like Ve + Ra ⇒ affairs. Or chull of affairs.

OR you might be a narcissist.

Ju or its drishti might make things not that worse.

Amit also informed that prediction can be mirror image also. In case chart is correct and the prediction is not applicable on the jataka.

Ex. if you have Ra and Ve together ⇒ you have tendency of having affairs ⇒ if it doesn't apply to your spouse.

Libra is related with relationships.

Ra in Libra ⇒ very fast decision making.

Libra + Mo OR Sa Or lagan ⇒ poor decision making. Decision nahi lia jata.

(Ve in 7th house) OR (libra in 12th house) AND Sa drishti(like Sa in 10th house) ⇒ dissatisfaction in bed pleasures.

---

#### Relationship Advice:

If you say that your spouse is good ⇒ you like those aspects in her/him which are important to you.

If a man is very desirable(in every field) and you find him perfect ⇒ he is desirable for all and might have affairs.

If a man is not desirable and you feel he is chidchida and out of shape ⇒ he is undesirable for others also. And he will cherish you only.

If some rich guy has a not so good looking daughter AND he gets a good looking husband for her using heavy dowry ⇒ that lady wont be happy and man will have affairs most probably.

So you should marry according to your own shakal-akal. Money should not play a role in marriage.

If a not so good looking guy marries a very beautiful wife ⇒ he will remain insecure his whole life. If he is poor then he will be even more insecure.  
⇒ one should not marry a mismatch(in shakal-akal).

QnA

**Amit:** shaadi and Naukri waale bahut log aate hain.

Me in Virgo ⇒ unchh ka ⇒ good writing and communication skills. Also .. should not be judgemental about opposite sex.

CS:

ME + Su + Mo in Virgo in Lagan.

Amit: aap judgemental rehti hain... in sab mai meen met nikaalti hain.

Also Sa + Ke in Gemini.

Ve is in 7th rashi(its in 2nd house) ⇒ unchh ka

Amit: aap apne ghar pe bedsheets and parde bahut high quality ke lagaayen. White bedsheets mat daalo... aapki lige bland(not interesting) dikh rahi hai. Use some pink, flower etc. as you have Ve in 7th(great) but you are doing kaam like that of Saturn. Aap apne husband ke sath bhog vilas ke tasks karo.. Kharcha paani karo...ghoomo firo.. Bedroom mai fragrance rakho.

Jataka also reported that she planted amla trees and now experiencing a lot of changes now.

**Gyaan:** apni khushi apne spouse mai dhoondo. Aur kisi mai dhoondoge to vo sustainable nahi hoga.

CS:

Fat lady.. AMit asked Ju position.

Ju is in 8th house in Virgo.

Su + Me + Ve + Ju are all together. Kumbh lagan.

Ju in 6th ⇒ diabetic or weight issues. Lady reported weight affects in business, intimacy etc.

Amit: meetha mat khao. Do you have thyroid issues?

Lady said no meetha, doing dieting and Gym. has thyroid and hemoglobin issues. MA + Ke in 5th house.

Amit suggested ki Guruji ke sath consultation karlo.

Lady asked ki kya career karu?

Amit: agar kuch nahi kar rahe to kuch bhi shuru kardo.... Aapko samajh aane lagega ki kya karna chaahiye. Aapne apna 10th house activate hi nahi kara. Ju in 8th house ⇒ can do jyotish, psychology etc

CS:

Virgo lagan with 0 something degree.

Lagan has Sa.

He asked if lagan is correct? As only a difference of 7 minutes.. Or should he consider Leo as hi lagan.

Amit asked if he had ijjat-beijjati issues ki mujhe ijjat nahi mili types... and are you judgemental of people of lower class.... Does your wife consider you as some emotionless, less majaak karne wala types... all were TRUE ⇒ lagan is correct.

Ju + Me + Su in Libra. And Ju in libra means should not keep temple at home BUT wife is dhaarmic.

Amit: marital life bliss(which has sexual life) that gets affected. What is your preference? .. if you want good sexual life.. Remove temple... if you want roundal life... dont remove.

CS:

Mo with exalted Venus in pieces in 9th house.

Amit: jatak is somewhat spiritual and religious person. Agar abhi aisa nahi hai to usne hone hai after 36 age. Currently he is 32.

Amit asked ki tumhare father paise waale hain... he said yes. Amit said ki tumhe spouse achha milega.. And tumhare father ki wealth ki vajag se milega

CS:

Venus is debilitated in Virgo in 2nd house.

Jataka is south Indian.

Amit said khulke: couple relationships in South India are generally better than in North. North has variety of skin tones.. Gora, kala and other extremes... but south India mai generally similar color tones hoti hain... so sexual life is heightened and relatively satisfactory rehta hai in default setting.

Amit said that ki aapki original family mai paise kam the... poor types tha... but it is improving slowly.. And when you reach 42 yrs of age... unka status bhi achha and respectable ho jaayega. Regarding Venus, just dont be judgemental about girls. Judgemental is not only in shakal akal but can also be on workplace ki ladkiyan hard working nahi hoti.. Kaam theek se nahi karti... take out everything judgemental things from your head.

Note: 2nd house is of original family. And Venus is luxury and bhog vilas.

CS:

Both Ve and Ju in 7th house ⇒ a wife who will be beautiful as well as intelligent.

CS:

Ve in 6th rashi ⇒ chances high ki vo apne spse ke liye judgemental hoga.

COMBUST means: Sun pass mai ata hai to vo combust hota hai but vo waha pe Focus bhi badha deta hai.

CS:

Capricorn lagan. 18 yrs old boy.

Libra in 10th house with Ju.

**Amit:** isko teaching karva do. Karlega. And iski shaadi ek teacher/professor/lecturer se ho jaayegi most probably. agar teacher se hogi to vo baad mai professor bhi ban sakti hai.

Gyaan: aajkal career ki jyada choices nahi hai. Aaj ki generation ko jo mil raha hai vo karlo. Shaadi ke liye bhi jyada choices nahi hai.. Jo ladki mile usse shaadi karlo. Jo job mile karlo. Jo ghar mile lelo... 90% issues solved. Else miserable life.

Note: Libra mai jo bhi planets hain ⇒ vo hamari farmaai list hai.

If many planets there ⇒ aapki wishlist bahut badi hai... specially spouse ko leke.

CS:

As told ki Virgo mai jo bhi planet chala jaaye to uski seva karni chaahiye. For whom to do seva if Ra is in Virgo.

Amit: you dont need to do sewa .... Ra in Virgo is good.

Cancer lagan and Virgo is in 3rd house.

Amit: do u have younger sibling...NO.... How is your communication/emails at workplace. Jatak said not good. Amit said this is the main issue which is keeping you down. Isko theek karo. Sabhi kundli mai ek main sore point.. Issue hota hai isi tareh.. Jyada kuch nahi hota...

01.40.45

CS:

Lady has Cancer lagan and 7th house had Ra and Sa. getting Divorce.

Husband is different caste(Ra) i.e scheduled caste(Sa). And Ra is paraai.

Ra = multiple marriages OR Multiple partners.

Amit: divorce will not be easy.. Lamba chalega case. It would have been good if astro consultation was done before marriage.... Uss time pe ham bata dete ki isko aise se shaadi karni chaahiye thi jo umar mai thoda jyada dikhe and thoda jiddi ho.

Amit asked iff marriage was delayed.... Yes she married at 30(which is late)

CS:

Ve + Sa is in 12th house. Sa is vakri.

Lagan is Meen.

**Amit:** issue to aate rahenge... but ismai poora chart dekhna padega... dasha/antar dasha etc. Vakri means it is strong.

Moon is in 6th house in Leo ⇒ thoda spiritual bhi hai... and thoda egoistic bhi hai....

Ye.. isko ijjat nad sukoon chaahiye...to isko struggle lagega mehenat karne mai.... paisa nahi chaahiye... to paise ke liye struggle to hoga hi....

CS:

Virgo Lagan.

9th house has Ve and Sa in Taurus.

Husband is jatak.

**Amit:** aapke husband ke father, mother, gradparent ya grandmother.. Emans lineage mai kisi ko hips ke neeche ke issues hue the ? YES... father ko legs mai issues the.

Husband ka spouse(you) will do kich kich..

**REMEDY:** husband ko bolo ki vo 2 amla ke tree laga denge... usse aap kich kich bhi kam karogi and jiske pero mai dard hai usmai b hi araam milega. Afar father nahi hain to khud ke pero mai bhi araam milega.

Apne pero ke liye: shukarvaar ko 12pm-12.30pm ke around .. kahi bhi 2 amla ke ped lagaake unko paani denge and unko ugte hue dekhenge. Sambhaal ke rakhenge.... Not in pot.. But in some park, land etc

## Saral Class 9 | Jupiter Scorpio Sagittarius & Pisces Explained

<https://youtu.be/HwbPYjrV0?si=Yzn2DHf3UEdiGSas>

Lagan se dekhna hai mainly in Astrology.

Overwhelmed with lot of astro gyaan are those people who are stuck in our educational system that we have to memorise all for the test.

**Amit:** even you learn just 2 rules per class ⇒ 24 rules in 12 classes then you can become a jyotish charging 5000 per consultation.

Practice nahi karoge charts pe.... To nahi aayega.

Jo bhi rashi ke baare mai bataya gaya hai... for any rashi... agar vo lagan mai hai then 100 match karega... BUT agar Moon uss rashi mai hai(any lagan), even then the rashi effect will be there... maybe not 100 but about 60%. It will also be influenced with there is any other planet with Moon.

Also: rashi and houses interchangeable hain. Ex. Leo ki baat ho rahi hai then 5th house bhi dekhna hai... and jaha Leo hai vo bhi dekhna hai, Sun bhi dekhna hai.

Similarly, Scorpio ya Aries ki baat hogi to MArS ki bhi baat hogi.

Aries mai gusse ka visphot hota hai. Seedha maarne ko ata hai.

Scorpio mai Mars influence is different. Vo gussa pee jata hai... but vo kabhi bhoolta nahi hai... revenge leta hai.... At the place and time of your choosing.

Scorpio lagan guys ki life ki shuru ka part rondumal/struggle rahega. Isse aapka transformation hoga and aap 2nd half of life mai ameer ban jaayenge agar aap tutenge nahi to.

These ppl understand jain better and so they can ecome good healers/astrologers.... Ye transformatory hote hain.

Agar aapka client Scorpio hai... then uska rona rahega hi... and usko aanand nahi milega but usko purpose and fulfillment milegi. Chehere pe hasi nahi milegi... dhard sehene ki aadat hai BUT soot samet revenge bhi leta hai vo....

Scorpio lagan guys se pange mat lena..... khud scorpio ho to revenge ki bhavna ko thoda kam karo....

Scorpion sign is obsession/stubbornness. Uss house ka rishtedaar stubborn hoga. If in 4th house ⇒ mother is jiddi, 7th ⇒ spouse is jiddi, 8th house ⇒ in-laws jiddi.

Anjali's younger brother is jiddi.

Jaha scorpio hai vaha emotional drama bahut hai.... Tragic, dramatic.

Jiddi + transformatory.

Death ki rashi hai ye.... Usi se transformation hai.

Jaha scorpio hota hai... vaha vo bhoolta nahi hai.... And vaha aapka transformation hai.... If in 5th house ⇒ studies will transfor you.... If scorpion is in 7th house ⇒ your spouse will transform you.... 12 house ⇒ if you goto foreign then you will transform... [ME.. 11th house ⇒ elder sibling, paisa aapko change karega], 8th house ⇒ in-laws/inheritance aapko badal degi.

Lagan hai to usko sab kuch yaad reheta hai... events ...and you yourself are transformatory....and you make others also transform ⇒ people avoid you.

Jo planet 8th rashi mai chala gaya... vo aapko transformation karaayega. Ex if sun ⇒ father, guru ya govt transformation karaayega... aachaa ya bura kuch bhi ho sakta hai.... And that is subjective.... Like agar aap apni mom ki saari baatein maante hain ⇒ you are a good son but a bad husband.

Ra in scorpio or even in 8th house ⇒ highly emotional unstable. Gussa vagehra bhi aayega.

00.25.40

If Sa is in scorpio in 9th house ⇒ 3 predictions:

– father ki vajah se profession mai change hoga. HOW? Scorpio means transformation. 9th house means Father. Sa means profession. THIS IS IMPORTANT. IT IS APPLICABLE EVERYWHERE. YOU CAN EARN 20K FEES WALA ASTRO CONSULTANT.

**Amit: the below method is worth 1 lac rupees: Rashi + House + Planet .. in this order**

Write three things: **Rashi, house, planet** and write features and make sentences. Ex. Scorpio=transformation, Virgo=subservient, judgemental means judgemental nahi hona AND subservient hona hai.

Aries is impulsive, jhagdaalu, sochta nahi hai jyada...

Venus in scorpio or 8th house: ye apne spouse ke dimaag mai kya chal raha hai ye pata hi nahi kar paate. Ye log kabhi apne spouse ko nahi jaan paayenge.  
Scorpio and 8th house are hidden... inka pata nahi chalta.

Scorpio bhoole nahi hain... agar lagan mai hai... ya uss house se related things. Ex. if scorpio in 5th house ⇒ aashiq types... ki tu meri nahi hui to kisi ki nahi hogi...  
Ketu bhi hoga to detachment hoga...

Amit: sara padhne ki jarurat nahi hai... 3 classes hi dhang se karlo bass.. Like ek moon lelo, ek scorpio, and ek aur lelo... isi se sab ho jaayega.

#### IMPORTANT:

For Taurus lagan, scorpio is at 7th house ⇒ iss bande ko agar apne spouse se sukh chaahiye THEN he will have to let go karna padega... expectations zero karni padegi... tabhi sukh milega. Jaha bhi scorpio hai... vaha aapko let go karna padega... tabhi cheeze milengi.  
If scorpio lagan ⇒ sab kuch chhodna padega.... Tabhi milega.... Like jab aap chaahoge ki promotion nahi chaahiye THEN you will get it... when you dont want sukh from spouse THEN you will get it... agar shaadi nahi ho rahi... to boldo ki mujhe nahi karni shaadi.. Then 10 days mai shaadi ho jaayegi.  
Rona padta hai.... Scorpio ko fakeer banna padta hai...

Scorpio spouse == vo aapko jeene nahi dega.. Means... aapko transform karega... bolega ki tum iss time soke kyo nahi uthe.. Etc etc..

IMPORTANT: 8th ke opposite aapko Taurus milega.

⇒ 2nd house se aapko cheeze automatic mil jaayengi... mehenat nahi karni padegi...

Ex. Libra lagan ⇒ scorpio is in 2nd house and 2nd house opposite is 8th house with Taurus ⇒ saas sasur se paise milega OR inheritance mil jaayega...

11th house scorpio ⇒ padhaai ka apne aap ho jaayega... like project etc.. notes vagehra mil jaayenge..

Scorpio in 10th house ⇒ isko property mil jaayegi apne aap OR car OR Sukh.

And jaha scorpio hai.. Vaha rona padega... but iske opposite house ki things aram se mil jaayengi...

For scorpio lagan ⇒ your wife is your resource.... But yes you will fight with her.

Scorpio in 4th house ⇒ career mai things apne aap milengi... but mother ke sath rona padega.

Sa + Ke ⇒ aapko arthritis ho sakta hai... ya profession mai break hoga... ya uss house ke rishtedaar ko arthritis hoga.

Sa + Ke kahi bhi ho ⇒ career ya bones ke issues honge...

Scorpio is bejjati ka sign hai... jaha bhi hai... vaha kuch paane ke liye bejjati karvani padti hai.

4th house property ⇒ property ke liye bejjat hona padega if You are LEO.

Amit said.. Aur bhi kahi Sutra hain unke pass but ham jhel nahi paayenge...

#### JUPITER:

Guru itself and its drishti is very good.

Sagittarius ⇒ you are idealistic. If lagan ⇒ you have idealistic view.

9th rashi in 4th house ⇒ your mother is your Guru.

Lagan ⇒ you are your own guru.. Aapko learning karni hai.

Jaha 9th rashi hai vaha aapko mentorship milegi.

Ju Ra transit == Guru Chandal yog.

9 is fiery sign ⇒ jaha ye hai... vaha agar kuch galat ho raha hoga then waha aap lad jaaoge...

In 4th house ⇒ property ke lie ya mummy ke sath justice nahi hua... then aap uske liye lad jaaoge... like papa se lad jaaoge mummy ke liye...

Righteousness ke liye lad jaaoge..

Wherever Ju sits... usko bada kardega.... If in lagan(not retro) ⇒ you are mota ya mota hone ki tendency hogi... If it is not happening ⇒ Ju retro hoga ya Sa dekh raha hoga..

Ju wala relative mota hoga.

Ju in 6th house ⇒ diabetes ka khatra. Dont eat sweet.

Ju in 8th house ⇒ gyaan badhaa dega.

Ju connected to 8th house or scorpio ⇒ aap achhe jyotish ban sakte hain.... As scorpio research ki rashi bhi hai.... Deep gyaan... occult.. Astro is also hidden.

Ju drishti are 5, 7, 9 => jaha bhi hogi... uss jaga ka nuksaan kam dega and fayeda badhaa dega.

00.50.00

Ju in 8th house or in Scorpio:

You will get some long term illness which will affect the quality of life but age kam nahi hogi. Ju kabhi maarta nahi hai...

Interest in ancient wisdom like astrology.

Inko shaadi ke baad jhatka lagta hai.... Ladaai jhagda, in naukri etc...

Kharche bade level ka karte hain...

Flow of money achha rehta hai....

Ju/Guru is not bad anywhere... iski drishti bhi achhi hoti hai... 7th house mai pad gayi... to divorce bhi avoid karva sakta hai...

Accident bhi hona hoga to chota sa scratch ya light tutegi... if Ju is there.

But aapko apna Guru tatva jagana padta hai.... Aap choti choti baato pe maid ko daantoge... ya uske paise kaatoge... to aapka kahi guna nuksaan hoga.

Aapko jab dhokha milna hai.. Vo milega hi...uski quantity and timing likhi hai aapki harkato pe.. you should not stop trusting people.... This is the only way to increase Guru Tatva.

At least chote amounts pe to chik chik nahi karni chaahiye.....

Agar koi chota mota accident hua hai.... Aapka karam kat raha tha... but aapne gussa karke.. Road rage dikhaake usko katne nahi dia... now be prepared for a bigger accident.

North India mai Guru tatva kam hai....

Kahi jagah/religion/community ke log ek jaise se hote hain.. Thinking and lifestyle etc.... To unke sath vaisha hi hota hai....

Mumbai Gurgaon are cosmopolitan... har tareh ke log hain.... Yaha Gurtatva bhi milega, Ve bhi milega, Ra, Sa sab hai... but agar aap ek jagah ya ideology mai hi reh gaye...joki ghatiya hai... to aap barbaad hi hoge...

Agar aapka bahut bada nuksaan hua hai life mai.... Maanlo koi chala gaya jo wapis nahi aa sakta... aap dekho usse pehle life kaise jee thi ? mai d ke paise kaate the ...? Khud ko to leaves milti hain office mai... glass tot gaya, shoes kharaab kar dia.. Gaadi thok di etc....

Galat mat bolo... mu se bure mat bano... chupchap naukri se nikaal do if they dont work... chilalao mat.. Daanto mat....

Scorpion energy(badla ki bhavna) har cheez mai lagaake rakhoge to life mai achhaa nahi hoga..

Summary: Guru waale house ka insaan aapka guru hai... usse kabhi cheating mat karo, bura bhala mat bolo... Ju jaha hai usko bada karta hai. Bura nahi karta....  
In 5th house ⇒ aapke bachhe gyaani hain, lagan mean aap gyaani ho.. Jo bhi hai usko respect do..

**RETRO Ju:**

Ju 4 months retro hota hai...⇒ about 30% people have retrograde Ju. Retro Ju conviction badhaa deta hai.... Retro planet aur powerful ho jata hai. Guru tatva badha deta hai....

Mota nahi karega ye.... Like if in 4th house and mother not big or fat ⇒ Ju retrograde hoga. Ethical moral value jyada hongI. Travel mushkil hoga... ticket nahi mil rahi, chutti nahi mil rahi, kahi gaye bhi ho to experience accha nahi raha, koi bimaar pad gaya or travel not priority. Mental abilities achhi hongI.  
Ye energioes ko easily absorb kar lete hain... negative logo mai rahoge to -ve energies wale ban jaaoge and vice-versa. ⇒ advised ki -ve aura waale logo se naa mile. They dont like to follow anyone... apna path banana pasand karte hain.  
Gyaan bahut hai... discussion bhi achhi karte hain... but apply nahi kar paate.. Paisa nahi kama paate gyaan se. SOLUTIN: koi assistant rakhlo.. Vo paise maanke collect karlega... jaise doctor clinics mai hota hai.

Someone asked advanced astro topic. AMit replied ki dheere dheere sikhaaunga.... Jaise chote bachhe ko pehele mash karke khilaya jata hai.... Tu keh raha hai ki seedha ganna dede.

**Karmic remedies for Jupiter:**

Amit: if you apply these remedies then 11 banana chadhaa dena kisi ko Amit ke naam se.  
Ju in 12th house: you should goto any hill temple like vaishno devi. Also, you were conceived during travel(car, train, hotel.. Not in home)... you can verify with your parents.

Ju in 6th house: when you were conceived, trouble or disease in family was there. -ve period mai conceive hue ho aap.  
Go to a temple and stand in queue for long time ex vaishno devi. Matlab khoob khade hoke and legs tudva ke jana hai.

Ju in 8th house or rashi: sharaad time or 13 days after death os someone... or aisa time period jismai conception is not allowed LIKE Amavasya ki raat. Your parents were very worried when you were conceived.

Ju in 6,8,12 ⇒ aapko seed problem hai.... Ya thi...Solution: jo bhi waha sign hai... visit the temple of that particular sign.

Ju in 12th house ⇒ devi ke hill temple mai jana hai.

Ju in 2nd house: you were conceived when family gathering for some occasion, good or bad. Aapko mithaai baantni chaahiye. Parents se poocho ki aapke paida hone ki mithaai banti thi ya nahi? Agar nahi bati thi to ab baant do... aap khud hi baant do.... Nahi to chidchidapan rahega. Laddoo baantne hain yellow color ke thursday ko for males. For females, kaju katli baanti jaati hai.

Ju in 10th house: peedha deta hai.. Ghutan deta hai.. Neech ka hai.. Remedy: Gajendra Moksha path ka Path karen aap.

GYAAN:  
Wherever pisces is(SAME APPLICABLE FOR 12TH HOUSE).. Waha aapki chalegi nahi... let go karna padta hai... like in 5th house ⇒ kids pe aapki chalegi nahi...  
In 7th house ⇒ biwi pe nahi chalegi... aapko let go karna padega...  
Jaha bhi 12th rashi hai... means pichle janam mai ye chhoot gaya tha... jab aap khatam hue..... Waha par cheezo ko roko mat.... Par chull machegi rokne ki.. Control karne ki...  
Aapse control hoga nahi... and fir agli baar fir waha 12 leke paida hoge....

QnA  
Can Astro predict death: yes. But itna hi bataya jata hai ki Alp ayu, mid ayu, dirgh ayu... isse jyada nahi bataya jata. Their meaning also depends on life expectancy.  
It also depends on your Karam and will power.  
Many people are in comma... unka time nahi hua hai... but vo apne karam karke let chuke hain...  
It also changes according to your actions.  
No good astrologer will talk about it....

CS:  
5th house, scorpio with Ra ⇒ bahut emotional person, emotionally unstable.

CS: Aries ascendant, issues with in laws.  
In-laws are jiddi, stubborn and have badle ka bhaav. Inko jhelne ke liye thoda sa surrender karna padta hai and unse pange nahi lene. Unko hara nahi paayoge...  
In-laws ko 8th house hi diya gaya hai... waha transform hona hi padega.

As 12th rashi is end... same for 12th house.  
Yaha pe aapke kuch karam/kaam pending reh gaye last janam ke... like kisiko paise dene the... ya kisi ki sewa karni this... vo koi aapka kaam tha... responsibility thi jo reh gayi thi...  
Let go kardo....  
Agar aapke career mai aa gaya... to career ke peeche mata bhaago.. Jaisa ho raha hai hone do...  
Eg. 12 th rashi in 2nd house ⇒ gharwaalo ko chhod do khulla... chaahe vo aapse battamiji kare etc... unko control karne ki koshish mat karo...  
Let go kardo... judgemental mat bano... AND khaane pe bhi let go kardo... assets bhi aapko milenge ya nahi milenge... let go karo..

Amit: in last class he will teach snapshot predictions and how to check kundli ELSE you will get overwhelmed. Pick 2-3 classes to study thoroughly..... Baaki fir kabhi practice karli.... Bar bar revisit karni padegi.... And its like to learn cycle chalana... ekdam se hi chalaani aa jayegi....  
5% mai kaam ho jayega... 20% mai topper ban jaaoge... 30% mai patanahi kya hi ho jaayega.

**Class 10 : Shani, Capricorn And Aquarius Discussed**

<https://youtu.be/oPvius80RtQ?si=8pLpbTrwohZvMJEx>

Cap = capricorn  
Jaha cap hai waha aapko us insaan ka kaam karna hi padega.  
In 3rd house ⇒ apne chote siblings ka kaam karna hi padega... vo karvayenge, paper work(like in office etc), short travels(like for official purposes)  
In 4th ⇒ mom kaam karvayengi ya property ke liye kaam karna padega... karna nahi bhi chaahoge to bhi karna hi padega... aapke haat mai nahi hai...  
In 5th: kids ke liye karna padega.  
In 8th: in laws ka karna padega.  
In lagan: life long karna padega. Jo mann nahi hai vo bhi karna padega. Mehenat karne waale and kaam karne ka jasba bahut hota hai.

Sa = cold planet, poverty, jhadu pocha bartan karne waale.

If you have 10th or 11th rashi lagan ⇒ aapki ghissi life hogi ekdam. Life ka pattern aisa hi hoga. Libra lagan se compare mat karna.

11th house is of elder sibling networking friends.

Aquarius: jaha hoga waha se aapko gains honge i.e paisa aayega.

If in 4th house ⇒ gains from property, from mother, from car business

In 7th: spouse se gains hoga, ya from partnership, or from opposite sex

In 9th: paisa from father, guru, from travel blog

In 8th house: gain from inheritance, from research, occult gyaan, astrology, from mining, from in-laws

In 6th house: lawyer, from ladaai jhagda like gunda

Note: 6th house is related to Umbrella.. Not much info shared on this.

When talking about Sa, it also includes about Sa rashis.

Sa in lagan:==> rondumal types, serious types guy, age mai jyada bhi dikh sakta hai, life mai delay hoga mostly, milta bhi bahut hai.

Sa has 3 aspects: 3,7,10

3rd aspect = peedha milti hai yaha se

Sa jaha khud hai: waha peedha milegi, us relative ke liye kaam karna padega, yaha hard work karna padega.

Sa in 2nd house(can apply this for Sa rashi in 2nd house as well): face pe kuch nishaan hoga..like mole, acne, minor cut etc face pe kuch hoga... kya hoga.. Will depend on which rashi is there... like mercury is SKIN... to agar Me hai waha ya Me ki rashi hai... ya Me ka aspect ho jaaye ... and so on

Note: Capricorn has more Sa effect than Aquarius ⇒ Sa effect: Sa planet > Capricorn > aquarius

Sa jaha hoga ... vaha vo thanda kardega(doesn't necessarily means ladaai... but vo jasba nahi hoga). Yaha agar ham hard work karlen to hamare rishte achhe ho jaate hain.

In 3rd house OR (Sa rashi in 3rd house): parakram delay hoga... aapki himmat delayed dikhegi, younger sibling ke liye kaam karna padega ya office mai documentation/communication/short travels karne padenge, younger sibling kar karna hoga... REMEDY: younger sibling se rishte theek karne hain to uske liye hard work karo... uske kaam karo

NOTE: Sa jaha hai waha aapko peedha milegi... OR.... you might give peedha to that house's relative.

Sa in 4th house: mother ki sewa karni padegi, aapko bolke karvaya jayega, Mother ko bone related issues like arthritis(peedha) ho sakti hai. Yaha sab delay hoga like ghar banne mai.. But after 36 yrs of age...bahut gharo ki construction karvayega... good for builders and civil engineers. Heart and Lung issues bhi de sakta hai... but maarega nahi... maarta Ma hai.... Sa bass delay karta hai... thanda karta hai. Sa is also OLD ⇒ 2nd hand car, ghar mai kaii puraane items mil sakte hain...

Astrologer ke pass log peedha mai jaate hain... so sabse pehele ye dekho ki iska pain kaha hai... Sa kaha hai....

Sa in 5th house: kids se peedha mil sakti hai... as maybe aapki expectations bahut jyada hongi.... Bachhe baat nahi sunte.

REMEDY: jiss din aapne baat na sunne ko peedha ka reason NAHI banaya... uss din se kids aapki baat bhi sunne laga jayenge. MEANS jaha se pain milna hai...

agar uss cheez ko aap pain na maane... to vo cheez chali jaayegi...

Fir kuch aur pain milega.... Like digestive issues for 5th house.

Romantic nahi hoga as 3rd aspect on 7th house bhi hai...

In 6th house: courts ke maamle mai delay milega, aapke enemies bhi old people types honge. You might also be very judgemental of poor people... like maid pe shout karna... isse Sa kharaab hota hai... fir aapko aur pain milta hai....

00.30.00

Sa in 7th house: delayed marriage OR spouse age mai jyada ka dikhega ya hoga ya mature hoga.... Spouse ke rishte cold rahenge.... Spouse aapko humiliate bhi kar sakta hai[ might be if some house has Sa + Ve]. uss humiliation ko accept karo.... Jab aap humiliation lena seekh jaaye ho to Sa aapke liye achha kaam karega...

Amit: jyotish bahut kaam karta hai marital counselling mai bhi..

DELAY in anything in life is from YOUR EXPECTATION. ⇒ afar aap 28 mai shaadi karne ka sochenge... to 32-33 mai hogi....

SOLUTION: 24 mai hi dekhna shuru kardo...then 28 tak mil jayegi koi.

Similarly, if delay in career by Saturn ⇒ start trying to earn money in 18 yrs of age.... Then 23 mai you will be able to.

TECHNIQUE: start kardo uss kaam ke liye... and ye maanlo ki 3 tries mai hoga kaam... first 2 tries mai nahi hoga ye maanlo.

Note: koi planet weak/strong nahi hota... vo vaisa hi hai... aapko apne aapko strong karna hota hai... planet aapke liye achha ya kharaab ho sakta hai.

Ju Ki drishti Sa ka asar thoda kam kardega... Ra ki badha deti hai.

00.35.25

Sa in 8th house ⇒ cold relations with in-laws.

Disease to you... but not life threatening.... Umar lambi kardega aapki.

Sa in 9th house: ⇒ father bahut kaam karvayenge... and agar nahi karoge then relations with him will be cold.

Sa in 5th house ⇒ delay in kids also.

Sade Satti: aapka jaha bhi moon hai... i.e jo aapki moon rashi hai.... Then vaha se 12th ya usi rashi mai ya 2nd rashi mai Sa transit karta hai...

## REMEDIES for Sa:

These will help in Sade Satti also.

If Sa in 5th house ⇒ kids nahi ho rahe, digestive issues hain, bachho se rishte theek nahi hain ⇒ kahi temple ban raha hai agar/... to vaha contribute kardo...

Sa 1st house ⇒ gets house with difficulty and this guy helps a lot of other people to establish ⇒ vo dusro ke baare mai sochega but agar vo apne baare mai bhi soche to bhi achaa hoga

Sa in 2nd house ⇒ aapke through logo ko khana dena/khilana hai

Sa in 3rd house OR GEMINI ⇒ dusro ko paani pilana, chabeel pilana

Sa in 4th house ⇒ aapko dusro ke liye ghar banana padega... bahut badi remedy hai ye... thats y its good for builders. OR agar kisi rishtedaar ka ghar bana raha hai... to usmai contribute kardo... like naksha pass karva do uska, uske liye sariya/tile le aao, OC dilva do, banvaane mai help kardo...

Sa in 6th house ⇒ remedy: hospital mai help karni padegi ya kisi ka ilaaj karvana padega.... hospital/ilaaj ke kaam ke liye paise dene honge...

Sa in 7th house ⇒ issues can be like delay in marriage. ⇒ marriage hall ki construction mai help kardo OR kisiko shaadi mai discount dila do ya help kardo... like 20-25k aapne de diye etc... gareeb aadmi ki ya kisi ki bhi

Sa in 8th house ⇒ shamshaan mai paisa dena hoga kisi cheej ki construction ke liye... like some shed or water cooler there... etc

Sa in 9th house ⇒ asharam mai paisa dena hai... ya kisi gareeb ki higher education mai help karni hai

Sa in 10th house ⇒ banjar jameen mai tree lagaane hain... mainly tree lagane hain

Sa in 11th house ⇒ aapki vajah se kahi logo ko income aa rahi hogi... uss cheej ko disturb nahi karna... faaltu firing nahi karni... but agar kuch galat karta hai to fire karna padega.. Thats fine...

Sa in 12th house OR in pisces ⇒ aapka unnecessary travel bahut hota hai... ⇒ aapko kisi dharamshala ko donation karna hai...

CS:

Capricorn lagan. Lagan has Su, Me, Ve, Ju ⇒ bahut kaam karna padega...

Capricorn lagan with Ketu ⇒ headless chicken hai... life mai pyaas rahegi... life mai kya chaahiye pata nahi chalega... kaam bahut jyada karega...

mentor/Guru/jyotish/astrology ki jarurat hai.. Career se bhi satisfaction nahi milega..... Guidance chaahiye hogi tabhi moksha milega..

Aap kya chaahte ho vo aapko 48 yrs of age pe pata chalega.... 42 mai vo chaahat aane lag jaayegi...

Scorpio lagan with Su, Me and Sa. ⇒ ye insaan kashmakash mai rahega

Sa + Ra in 11th house with 10th rashi ⇒ jaha bhi Capricorn ki rashi hai vaha aapko karna padega... bass...

Sa + Su in one house and Capricorn rashi is in another house alag alag ⇒ dono mai flavour aayega...

Sa + Su mai ham Sa ki hi remedy karenge... Su ki remedy nahi hoti kol..

Jaha pe bhi Sa + Su hai... vaha ki kashmakash/jhagda ko accept karlo...

Capricorn jameen ki rashi hai.. Yaha Sa jyada hardon Capricorn THAN Aquarius ⇒ Capricorn mai jyada asar dikhta hai Sa ka....

Aquarius mai Ra ka bhi element aa jata hai...

Aapke yaha chori ho gayi... to achha hua... aapka koi karam katt gaya...

Sa in taurus ⇒ khaane se ya face se related hai... face pe koi nishaan vagehra hoga...

CS:

Leo lagan. 5th house has sagittarius with Sa. Aquarius in 7th house with Moon.

Progeny issues... yes delays hoga...

Sa + Ra ⇒ vo aspect aapke kaabu mai nahi hai.....

Lagan mai hai THEN vo kisi ke kaabu mai nahi aayega..

CS:

Lady was saying ki she teaches one poor kid... Amit said ki aap isliye padhaate hain because aapko khushi multi hai.. Majaa ata hai... isko jyada self righteousness karke mat dikhaao..

CS:

Capricorn lagan + Ve and Su. age 45. Not married. Apni mother ko pareshaan karta hai.. Paise maangta hai... naukri chhhodta rehta hai kuch dino mai..

Mo is in 9th house in 6th rashi.

AMit: ye khane peene ko leke judgememntal hota hai....naa kare... chupchaap khana khaale.. THEN shaadi ho jaayegi....

Kaam nahi karega ye.. As Ve hai lagan mai....

Bass itna hi hota hai.... Baaki time idhar udhar ki baatein hi hongii.... As itni fees de rakhi hai

Problem solve karna simple hota hai but easy nahi hota...

CS:

Aquarius in 6th house(rog, rin, ripu) ⇒ can they earn via credit as Aquarius sign is source of income... AMit: YES.

Sade satti mai achha bhi hota hai... but aapki definition of achha/galat bhi galat ho sakti hai...

Gyaan: if bachhe parents ki baatein nahi sunte/maante ⇒ there is a chance ki unki baatein hi bakwaas ho... chaahe aap apne bachho ka bhala hi chaahte

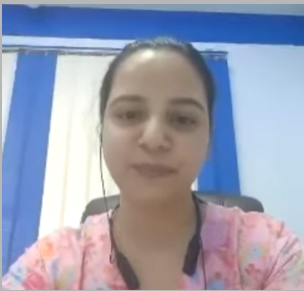

ho...chaahat se kya hota ho.... But you can be wrong also.

Lady was not telling Amit about her problems.

Amit guessed it right and said ki marital problem hai and aapka pati aapki baat nahi sunta and apni mother ki maanta hai ⇒ aapko apna saturn jagana hai...15-20 yrs lagaane hain... uske baad saas chali jaayegi and husband kuroop hoke aap pe dependent ho jaayega and fir aap rule karogi... patience sabhi problems solve kardegi...

Sa in 5th house ⇒ Sa is weak if you want to bear kids or do romance... but its strong if you want to do studies. Weak and strong is relative.

Weak-strong ke chakkar mai mata pado.... Like if paisa aa raha hai... but relations achhe nahi hain... to maaro goli paise ko... and agar relations achhe hain... paisa nahi bhai... THEN relation mai hi sukh dhoondlo... thats y astrology is only for the intelligent and generally RICH people are intelligent...

Amit: inka Mo is in lagan OR in 7th house(lagan ko dekh raha hai) ⇒ inka chehera gol hai AND inke jo emotions hote hain vo chehere pe aa jaate hain.... Inko bura bologe to turant aansu bhi aa jayenge...

Agar Sa hota ⇒ serious types chera hoga... khaas expressions nahi aayenge. Straight face hoga.

CS:

Sa in 11th house ⇒ 3rd drishti in 1st house ⇒ aap khud ko hi peedha doge....

Like ulta seedha khaana khaake..... Jyada tv dekhke.... [jyada weights uthaake]

CS:

20yr old wali lady apne 18yr old cousin ke liye pooch rahi thi kuch... Amit ne bhaga diya ki 18 wale ko karne do jo kar raha hai...vo aapse gyaan nahi lega..

FREE mai kisi ko astro help mat karo.... Aap jabardasti naa karen kisi ke sath...

Bina pasie liye karoge then apna punnya dedogeand fir khud ki life mai misery aa jaayegi... aap -ve energies attract karoge.... And aap jyotish ka and apna majaak udhvaage..

It is only for the needy... jab aapko namaste karega and pay karega tab hi uski help karo...

CS:

Sa ki drishti jaha hai... waha kuch pain hoga, uss house mai kuch galat mat karna as Sa dekh raha hai... punish karega.

CS:

Vrishabh lagan. 8th house has Sa, Ma, Me.

Amit: Sa jaha hota hai waha kaam karna padega and humiliation bhi milegi.... Its very difficult.... But tabhi kirpa hogi... nahi karoge tab bhi roke karna padega...

Kaam karna padega and il-laws se ijat nahi milegi... yehi playout karega chaahе kitni marji shaadiyaan karlo...

Apne karam karte raho.. Ijrat mat expect karo... apne aap sab milne lag jaayega.... Like saas aapko jewelley dedegi... sasur aapko plot dedenge...

# Class 11 | Lord Rahu & Ketu Explained

Studying Saturn in last class resulted in pain, laziness to people who studied.

REMEDY: subah Gayatri Mantra ka jap karlein.

Amit asked who all have started predictions of others.

RAHU and KETU are nodes of Moon. they are not actual planets.

Rahu is upar ka part and Ketu is neeche ka part...Vishnu Ji ne neck kaat di thi.

Rahu lagan = jiddi insaan. Like khilji in Padmavat movie.

Ra and Ketu ulti direction mai chalte hain... as that of other planets.

Chalit etc ke chakkar mai mat pado... these things unnecessarily complicate astrology.

Strong astrologers basic astrology se kaam chala lenge.

Ra jiss house mai hai vo banda bhi jiddi hoga... OR ... aap waha jiddi honge... aapka obsession hoga.

3rd house: chota sibling jiddi hai

4th house: Mother jiddi hai

8th house = in-laws jiddi honge might be

SNAPSHOTS hain ye sab...

Jaha pichle janam mai hamne dhyaan nahi adia... waha Ra hota hai current.... Ra hamara obsession hai....

Last janam mai jaha hamara obsession tha... passion tha.... Bahut desires thi... waha hamara Ketu hota hai.

Like if you were not interested in relationships in last janam ⇒ iss janam mai aapka Ra hoga 7th house mai and iss janam mai relationships mai bahut interested hoge..

Wherever Ra is.. Waha aapka bahut jyada dhyaan jata hai... Ra is amplifier.... Desire badi kar dega...

Ra is planner.. But execution nhai hogi.... As Ra is just the head.... Ra in lagan are best planners.... But khud nahi karte...

Karne ke liye Mars chaahiye... ⇒ Ra + Ma hai then execution bhi ho sakta hai.

Rahu bigaad deta hai.... Like Ra + Ju = Guru Chandaal yog.

Ra is dhoka, chalava, smoke..

Ra is poison.

Ra + Me ⇒ vo jhoot bolega.

Ra dhoka hai, jidd hai, obsession hai, stubbornness hai... use pana hi hai... isi janam mai chahiye... abhi chahiye...

Ra mayavi hai...

Ra in 2nd house ⇒ jhoot bolega... FACE dekhke pata chal jata hai ki Rahu 2nd house mai hai..... OR ELSE... logo ko lagega ki tum jhoot bolte ho.

Aisa bhi ho sakta hai ki log aapki baat nahi maante even though you dont tell lies.

Ra ke bina life mai kuch nahi milta...

Ra in 8th house ⇒ sex chaahiye... leke rahega by hook or by crook....

Agar baaki planets supportive honge to mil jaayega ELSE planing level pe hi reh jaayega.

8th house mai...occult science ke peeche bhi jaayega.. But seedhi saadhi nahi karega... like Ju hai to saaf suthri astrology karega..

Bina Ra ke jyotish bhi nahi ata.

Ra mayavi hai.... Jinke 2nd house mai hai... vo akarshit bhi kar sakte hain... moh bhi sakte hain.

Ra in 3rd house OR GEMINI: kahi left/right turn lena hota hai.. Ya U turn lena hota hai... usse aage nikal jaate hain...jeevan mai bhi cheezo pe U turn lena padega....  
Apne decisions pe bhi.... This works 90-95% of the times.

Ra in 4th house: Mother might be stubborn/jiddi. OR you might also be jiddi/obsession for mother, sukh, property.

Ra in 5th house: Romantic. And agar Ma ya uski drishti pad gayi then stalker type aashiq bhi ban sakte hain. Bachho ke liye bhi obsession ho sakta hai.

15.10

Mo + Ra ⇒ bahut jyada sochenge. Depressed bhi ho sakte hain... galat jagah baith jaaye to suicidal bhi ho sakte hain. overthinking.

Creative bhi ho sakte hain.

Inka pet hi nahi bharta... inhe nahi pata kitna order karna hai kitna khana hai....

Isko thoda shaant karna padega... Mo ko strong karna padega...

Mo + Ke: khana milega nahi aapko apne hisab se.

Ra in 6th house OR in Virgo: can be said GOOD. aapke enemies bade bade honge BUT aap unhe hara doge.

Ra + Ma = khatarnaak as daityo ka and devtaao ke Army commandars hain dono. Inse thoda darr ke raha karo... ye chodte nahi hain. Inke charts avoid kar sakte hain.

Ye chande ho jayenge ki paise deke patanahi kya kar dia.

Aries and Scorpio ko aap Mars soch sakte ho...

Capricorn and Aquarius ko aap Sa maan sakte ho...

Matlab thoda interchangeable rehta hai.

Ra + Sa ⇒ career mai utaar chadhaav

Ra in 4th house ⇒ cars multiple ho sakti hain.

Ra in 7th house or Libra: multiple partners rakhne ki chull hoti hai.... Out of caste or out of religion or out of status marriage.... OR khud ki wife ka bhi obsession ho sakta hai.. Like joru ka gulaam... obsession ka be deevana also.

Ju baith gaya to chull thodi kam hogi.... Ya Sa bhi chull ko thanda kar sakta hai..

**Ve + Ra** ⇒ dusri ladkiyon ko mud mud ke dekhte hain... OR unka spouse aisa hota hai. MEANS Mirror image also works in astrology.

**Ra in Libra** will also work like that to some extent... but **Ra in 7th house** will work more like that.

Ra in taurus or in 2nd house: obsession of resources. Like in office... such guy needs laptops, car, perks etc.... phones , big office, peon, printer mil jaaye etc. multiple printers etc bhi ho sakte hain unke pass.

Ra + Guru ki rashi ⇒ books rakhega bahut.

Ra + Sa ⇒ shoes rakhlega

Too much out of control Ra ⇒ OCD

Ra in 8th house ⇒ obsession of in-laws, occult sciences, inheritance.

Ra OR Ke in 6th or 8th ⇒ disease ho to 3-4 doctors ko dikha dena.... Peheli baar mai diagnose nahi hota.... Alag alag types of doctors ko bhi dikha dena.... Like allopath, ayurved, homeopath.

Ra in 9th house: dharam ke prati obsession, kattarta, religion change bhi ho sakta hai..... Ho sakta hai vo religion mai believe hi nahi karta ho.... Ye bhi religioj ka obsession hi hai ek tareh se...

Ra in sagittarius will also playout like this.

Muslims ko Rahu bhi bola gaya hai... in astrology... dusre dharm ka aadmi jo obsessive hai.... Kharab ya achha nahi bola gaya.

Ra in 9th house ⇒ stubborn father.

Ra in 10th house ⇒ many politicians, film actors. Obsessed about your social status/workplace. Aapko khyati milni hi hai... a lot many people will know you.

Ra transit ko bhi aise dekhna hai... [check this.]

Like transiting Ra in your lagan ⇒ aap iss time pe obsessive ho sakte hain apne partner, spouse, business partner ke sath relation ko leke.

Aapka dhyaan ispe hoga... might be aapka dhyaan spouse pe hoga.... Uski tabiyat kharab hai ya vo aapse lad raha hai.. Iska mirror image bhi ho sakta hai like vo obsessive hai.

Divorce bhi ho sakta hai.... Nikalne do ek ded saal.

Ra ke koi upaaye nahi hote....

Jaha se Ra jaaye future mai... kahi likh lo and dusro ko batado..... Uss time pe mati maari jaayegi jaha Ra transit kar raha hoga...

Yehi upaaye hai..

Ra in 11th house ⇒ multiple sources of income. Bahut bada network hoga(maybe of friends). Paise pe obsession hoga.

Ra in 11th house or scorpio(inheritance house) will give you inheritance.

Ra in 12th house: not considered very good but it gives foreign jaane ka yog.

00.38.12

Ra items: electrical items, jhaadu, bathroom, bathroom mai gandagi is Ra, chhat is Rahu. chhat is 12th house.

Ra in 12th house ⇒ chhat pe gandagi.

Agar aapka koi kaam atak raha hai kisi house mai... and waha Rahu hai ⇒ waha gandagi hai... usko saaf karlo... kaam ho jaayega...

Eg. kisika visa nahi lag raha ⇒ check 12th house as it is of foreign travels.... ⇒ chhat saaf karalo... waha se purana samaan and gandagi hata do.

⇒ Simple remedy: apna room saaf karlo, bathroom bhi, kitchen... poora ghar hi saaf karlo... sab boldo agar nahi samajh aa raha to... sab kuch yaad rakhne ki jarurat nahi hai. Hanuman ji ko bhi jab nahi samajh aya tha to poora pahad le aaye the....  
DESIRE is Ra and agar desire mai kuch rukavat hai means gandagi hai... usko saaf karlo...

Like relationship mai issues hain to bathroom(apna, wife ka)... sab saaf karlo...  
Duchhatti is also Rahu. Spider's web(chalava) is also Rahu.

Birth Ra is permanent. Transit Ra keeps on changing houses.

—

Ke in 2nd house: apni original family se ya assets se satisfy nahi hoge....  
Ke in 3rd house or in Gemini: siblings ke sath khataas... agar aapko theek karna hai to aapko jhukna hai, fakeer banna hai.. Subservient hone hai... agar vo kahe ki mujhe poori inheritance chaahiye to app bolo ki lele.  
Ke in 4th house OR in Cancer: aapko mother se sheetalta tab milega jab aap surrender kar denge... but surrender hota nahi hai...ya to mother hi nahi hai, ya mother se sheetalta nahi mili ya mother naraaz reheti hai.  
Also, inka ghar kabhi poora nahi hoga... 1.5 ya 2.5 floors iss types se hoga.. Ya inke pados mai aisa hoga.

Ke in 2nd or 12th house will give eye problem.

Mo + Ketu... moon is mother... so and so.... OR khaane mai swaad nahi aayega.

Ke + Ve ⇒ spouse spiritual hone chaahiye else ladaai hogi... agar aapka spouse materialistic hai THEN shaadi chalni mushkil hogi... you could be judgemental of your spouse.  
Ma + Ke ⇒ maar peet karvayega... ⇒ peetoge ya pitoge....physical violence mehesoos karoge... katega kuch aapka.  
Sa + Ke ⇒ career break.. Career se dissatisfaction  
Me + Ke ⇒ bolne mai ..communication mai break dega... haklaaoge ya logo ko aapki baatein samajh nahi aayengi.  
Su + Ke ⇒ pitaji ke relation mai dikkat dega, ya govt se dikkat dega ya govt service mai issues dega

This guy mai shakti hai... dusre ka fayeda karvaane ke liye.... not khud ka...  
FIND SUCH A PERSON IN YOUR RISHTEDAARI.  
In any house.

Ke in 5th house ⇒ chaahne bachhe kehena naa maane.... Aap subservient ho jao.... Aapko apni baat nahi manvaani... jo kahe karo...  
Education break bhi milega. Romance bhi nahi ho paayega.. Arrange marriage hi karvaao.

Ke in 6th is not very good as Rahu 12th mai chala gaya... ismai Ke to itna bura nahi hai... as vo bimaari, debt kaat dega... but Ra in 12th dikkat karega

Ke in 7th house ⇒ dissatisfaction with partner. Ya to sexual dissatisfaction ya emotional dissatisfaction hoga... aapko partner se bahut kuch chaahiye hoga and vo aapko milega nahi.  
Bhool jao tabhi milega... jaha Ke hai...  
Like Ke in 7th house shaadi nahi ho rahi... bhool jao shaadi ka... tab hi hogi...

Ke in 5th house: kids nahi ho rahe... iske baare mai sochna band kardo... ho jaayenge...  
Jaha bhi Ke hai... surrender kardo, fakeer ban jao.  
Aar lagani mai hai... then apne hair jyad achhe mat karo... apni shakal pe jyada ghamand naa karo.

Ke in 2nd house ⇒ teeth issues.  
Jaha hoga waha ke body part mai issues honge.

In 8th house: inheritance issues, issues with in-laws.

Ke in 9th house: something will be peculiar about religion... aap koi sect follow karoge like radha swami satsang, shirdi baba.. Or interested in other religion. You might be spiritual person. Guru se ya pitaji se kataav/algaav rahega.... Ya aapse long distance journeys nahi hongii..

Ke in 10th house ⇒ 3-4 careers.. Aap jobmai fakeer nahi ban paoge.. So many job changes... gig economu waale tasks karo... like lic agent, medical insurance, take different projects... ek cheez se satisfaction nahi milega.

Ke in 11th house: aap paise ke peeche nahi bhaagoge.....life mai shuru mai bhagoge but not later.  
Ke jaha bhi hai... waha shuru mai aap bhagoge but 34-36 ke baad nahi,,... life ki starting mai last janam ki thodi continuation hoti hai... last janam aapne Ke house ka bahut bhoga tha...  
Ra jaha hai waha shuru mai aap nahi bhagoge but later obsess ho jaoe....  
Thats y 30s ke pehele ke logo ki kundli dekhna bekaar hai... as unki life mai things have not played out.

Ke in 12th house or pisces ⇒ you are very spiritual.

01.02.15  
Apni aisi taisi karaane se to mil hi jata hai sab kuch.  
Yog hai agar kundli mai to vo aaram se mil jata hai.

Summary:  
Ke mai aapko jhukna hai  
Ra mai aapka obsession hai..... Jyada ho jaaye to control karna padta hai....  
Ra ki koi remedy nahi hoti. Ke ki hoti hai.  
Ra wala obsession jyada ho jaaye to uspe work karana padta hai control ke liye.

Obsession jyada ho...like Ra in lagani ..khud ke liye obsessed ⇒ remedy opposite house ki hoti hai... i.e 7th house ki....⇒ spouse ke baare mai bhi sochno...  
Rahu in 5th ⇒ obsessed with Romance ⇒ Remedy is ki opposite house 11th i.e paise ke baare mai bhi sochno thoda...to vo balance ho jaayega...

Agar Ra ka obsession out of control hai.. Bahut jiddi hai ⇒ opposite house mai kaam karo and dhyaan do...

Like 4th ⇒ Mother, car, property pe obsession hai to aap apne workplace pe focus karo.

Baaki sab mai usi house mai remedy hote hain..

Ra ki remedy hai Coconut daan karo... but usse 19-20 ka hi farak pasta hai..

Karmic remedy means khud ke thought process level pe changes karna.... Baaki remedies like kaale kutte ko khila do etc works.. But ye itna work nahi karta hai weak personality and gawaar logo ke liye hota hai.... Amit aise remedies nahi deta... like mantra jaap etc..

Ke in 9th house OR transit Ke in 9th house ⇒ subservient of boss, Guru, Father ⇒ sab theek ho jaayega..... But aisa ho nahi paayega...

Apne aap Ra set ho jayega.... Jaha Ke hai waha apna sir jhuka do....

Ke in lagan ⇒ saari duniya ke aage sir jhuka do....

Like mother aayi.. Haanji, ham karlenge...koshish karenge.... Ya nahi ho paayega to paise lelo.... Same for mother-in law... and others.

Sochna nahi hai... seedha jhuk jana hai....

CS:

Jatak ke sath kuch events hote hain like glass break ho jata hai... phone ka etc, injuries and pains bhi hote hain....

Amit: aap sendha namak ke paani se bath karo, negativity se dur raho, old electrical items phenk do, -ve friends se dur raho.

You soak up others energies... you are a sensitive person...people suck your energies... Amit told this only by looking at his face.

CS:

Ra in 1st house ⇒ kid jiddi hai... kaabu mai nahi aayega.... Jo kaabu karne ki koshish karoge to vo rishta tod dega...

Ra in lagan ke aage ghutne tek do YA rishta khatam kardo.... Usse ladoge to nistenaboot ho jaaoge..

Faaltu plastic mat rakho uske kamre mai.... But agar vo chaahe to vo items rakhne do...

CS:

Husband has Ke in 5th house and shaadi ko 12-13 yrs but no kid. Wife ke 5th house mai Ma hai.

Ke bhi marta hai and Ma bhi marta hai.... Ke ki rashi bhi scorio hai... joki Ma ki hai...

Amit: kid ke baare mai sochna band kardo... them chances jyada honge kid hone ke.... Aapko let go karna hai... sex ke time to bilkul nahi sochna ki kid karna hai kid karna hai...

Socho ki hoga to hoga .. nahi hoga to nahi hoga.... Ye simpe cheej hai... jyada remedies chaahiye to Hanish ji batayenge..

CS:

Father ke knees mai pain rehta hai...

Knees ko 10th house se dekhthe hain....and father is 9th house/...

9th house se 10th is 6th house for jatak... and it also has Ke..

Amit: jo jyada stubborn hote hain(jyada dadagiri dikhaate hain) and jiddi swabhaav ke hote hain unke knees mai dard hota hai....

Akad and chaudharahat chhod deni hai ⇒ knees theek ho sakti hain... but aisa hoga nahi...

Gyaan:

Father se achhe relations ⇒ Sun strong hoga...

Mother se achhe relations ⇒ Mo strong hoga..

Father se relations achhe nahi honge to boss aapko jeene nahi dega..

Ye main remedies hain.... Sun ko theek karne ke liye paani dena and Mo ko dekhna is not better solutions THAN father and mother se relations theek karna.

Agar father narcissist hain ⇒ father se relations khatam karlo... but remember.. Fir iss aspect ki cheese nahi milengi... like bosss se khushi ya fir govt job se etc... but these are not the only things in life.... Apni wife pe dhyaan lagao, private kaam karo..... Jo peedha ka topic hai waha jyada kaam mat karo... concentrate only on your strong points and not on weaknesses.

IMPORTANT: 9th house is also for higher learning like jyotish... ⇒ agar father se relations theek nahi hain ⇒ you will be incline dto go for higher learning... living and non-living aspects mai balance ke liye... aisa hoga when you hit 28yrs of age.

CS:

11th house has Leo and has Mo + Ke for husband.

Wife has Ve + Ke in 11th house.

Aap dono se decisions nahi liye jaayenge.... Aap log bhog vilas waale ho.. Parents ke paiso pe aish karo...

Same lagan waalo ki pategi achhi But kaam dono se nahi hinge... thats y it is advised ki same lagan waalo ki shaadi nahi karni chaahiye.

CS:

Cancer lagan. 11th house has Ke and has taurus(Venus rashi). Income stabilise nahi hoti... bahut jobs kar chuka...

Amit: income ke baare mai sochna band kardo... and apni badi sister ke aage let jao.... Uske liye leke jya karo badhiya saari....unke kids ke liye gifts le jao... usko bolo ki property mai bhi hissa de dunga... THEN aapke yaha dhan hi dhan ho jaayega

But aapki wife and aapki sister ki banti nahi hogi.... (it was predicted as jaha jhukna hota hai waha situations aisi hoti hain ki jhuka nahi jata... means aapki wife ki nahi banti hogi..)

CS:

Ke + Me in 11th house: bhoolne ki bahut aadat hai...

Amit: yes as Me weak hogaya... but aapko chalaki dega... like you used a girl's name to get selected to ask questions....

Aapki aankho se hi chalaaki dikhti hai... Guru se chalaaki kar rahe ho

CS:

7th house has Ke. Ra in 1st house. Business kya karu?

Amit: sabse pehle to wife ki aarti utaro... wife ke per dabao and per pe badhiya mehengi cream lagao taluo pe... for 43 days.

If you say that you will TRY ⇒ answer is NO... you wont do it.

CS:

Ra + Ma in 11th house in cancer ⇒ lagan virgo.

Amit: paisa bahut milega BUT aap mai courage nahi hai... lad nahi sakte... elder sibling se bhi gadbad reh sakti hai...

Elder sibling ko control karne ki koshish mat karo.

CS:

Lagan mai Ke.

Amit: SABKE AAGE jhuk jaao.... Kutte ke aage bhi.

Apne baal jyada set karke mat rakho... thoda bakher ke rakho...

Astrology bahut saral hai.

CS:

REMEDY: to wife: aap spiritual ho jaao. Ju in 7th matlab aapka sab kuch thanda hai... Ju in 7th house ⇒ ghar mai mandir nahi banana chaahiye ELSE sex life kharaab ho jaati hai... and its a big reason for marital issues.

CS:

Effect on Su: issues with relations with father ya father se doori hogi, Govt job mai itni ijjat nahi milegi

Ve ⇒ spouse ko spiritual hona padega ELSE pati se dur rehena padega

Me ⇒ communication issues. Email, paper work

8th house ⇒ in laws se bhi kaat dega... ay in-laws honge hi nahi...

Ke is headless chicken, spirituality, .. vo waha se kaat dega....

CS:

Husband has Ke in lagan and wife has Ke in 7th house.

Amit: wife aapko bhaav nahi degi and aapse dissatisfied rahengi... but aap apni wife se peeche rahenge... aapko wife ke aage jhuk ke rehena padega...

Wife cannot be controlled as Ra in lagan.

CS:

Ke in 11th house: elder sibling ke aage jhuko... nahi hai to friend circle ko respect dena hi.... Network ko...

CS:

8th house has: Ra+Su+Me+Ve.

Amit: aapki aapke in-laws ke sath bahut achhi banegi..

CS:

GYAAN: if lady is ok aor good looking then marry a guy with money. Maybe you will end up working professionally in their business etc. waha koi CV nahi dena kisiko...

and aap kaam bhi achha karoge as vo aapki family ka kaam hoga.... But aajkal ladies ko hai ki ham apne dam pe kuch banenge... usse kya hoga? Shaadi late

karoge... and max to max 4L per month kama loge bass..

CS:

Aries Lagan. Ra Su Me in 11th house.

Amit: you can have multiple sources of income on commission basis.

Ra + Me ⇒ jhut bolta hai thoda... but its not bad... it means diplomatic also... Ra+Me = shaitaan bachha... but yaha se aap paise kama sakte ho...

Like companies mai HR Motivation etc etc lectures... actual kuch nahi kar paaoge... uske liye Ma chahiye.

SHOWMAN.

Mimicry bhi kar sakte ho....

Amit was feeling tired. Even I was feeling tired... body pain bhi hone laga tha Ra and Ke ke notes banaate time.

CS:  
11th house Ke+Ve. Money related issues.  
Amit: Spouse has to be spiritual THEN uske pass paise aane lagenge..... Ya paisa aayega to spouse se alag ho jayega...  
Ke kuch to kaatega....paisa aayega to Ve ko kaatega.  
Paise se detachment bhi ho jaayega 30yrs ki age ke baad.  
Investments karne hain to wife ke naam pe kardo...  
Spouse se detachment and dissatisfaction dega ⇒ aap spouse se satisfaction seek karna hi band kardo...expectations band kardo....  
Paisa chaahiye to paise ke baare mai sochna band kardo...

CS:  
Virgo lagan:  
Amit: aap duniya kisewa karoge to bahut paisa milega.  
Shuru mai charge less and sara bataane ki jarurat nahi hai.... Shuru mai daanta nahi hai... as you are not famous.

02.10.25  
Ra in 1st house. Going through bad phase.  
Ra-Ke in 1-7 axis is bad in married life. Solution is complete surrender to Spouse.

CS:

Mother ya in-laws poochenge ki hua kya, doctor ko dikhaya kya, kismat kami hai... aise bachhe paida nahi honge...let go kardo... khush raho....  
Aatma nahi dekhti ki paisa kaha hai... vo vaha jaati hai jaha khushi hoti hai....

CS:  
Wife: Ju in sagitarius in 4th house. But Ra-Ke in 1-7 axis.  
Amit: wife ko ghar to bada mila hoga... YES.

## Class 12 | Grand Finale | Summary Of All Previous Concepts

<https://youtu.be/hW8RczAaewQ?si=9-N1BMnaNzteFiS>

One gets overwhelmed on seeing a kundli.  
Pehele se hi sochlo kya kya dekhna hai....  
Har class se 2 cheeze seekhli... total 20 things bhi seekhli then you are a professional.

Rashis are anticlockwise... as astrology liberate karta hai bandhano se... najar bhi anticlockwise utarti hai...

**Step 1:**  
Whenever you get a kundli... check planet distribution.  
If 1 to 6 are more planets ⇒ 1st half of life will be more eventful and similar in 7 to 12.  
Half life can be considered till 40yrs of age... if we consider 80 as full life.

Jaha jyada planets hain ⇒ waha focus jyada hai... koi bhi planets ho.  
Like in 7th house ⇒ relationship and sex ⇒ job mai struggle ho sakta hai as dhyaan kahi aur hai.  
More in 6th house ⇒ rog, rin, shatru mai pada rahega.

Planets are like masaale. Sabji aapki rashi ho gayi. House is like tatva... jal matlab gravity waali sabji hai ya kya hai.  
Basic rules dhyaan mai rakho... Sa jaha hoga waha thanda kar dega. Ra obsession/mayavipan/chalava hoga.

**Step 2:**  
Check lagan Rashi....konsi hai .. jal waali hai to thoda thanda rahega.

1,5,9 fiery hai.. Gusse wala hai BUT aries(impulsiveness/fuheadpan) ka gussa sagitarius(dharam/righteousness) wale ke gusse se alag hoga. Leo ka gussa pride wala hai.

### Step 3:

Then check Su and Mo.

Mo = sukh and mann. 5th house ⇒mann kids mai hai, ya romantic relations mai hai... ya gyaan mai hai

Su = soul. Soul ka late pata chalta hai .. 30-35yrs of age mai... ki vo kya karna chahta hai.

People are confused: mann kuch hai, samaj kuch aur keh raha hai, parents kuch keh rahe hain, karna kuch hai, skill kuch hai...

Hame batana hai ki tera mann ye hai, skill ye hai, aukaat itni hai, milega itna, milega kab.

Competition ka nahi bataya ja sakta as aapka to dikh raha hai...but dusra kitna padh raha hai vo to nahi dikh raha.

Su is also our PRIDE. Same for LEO also.

Jaha Sun hoga.. Waha 38-39yrs of age mai kuch sacrifice karna padega. Su in 9th house ⇒ pitaji ke liye kuch sacrifice karna padega..ya govt ke liye, guru ke liye, travel ke liye ya dharam ke liye.

If in 2nd house ⇒ original family ke liye ya assets to acquire karne ke liye kuch sacrifice karna hoga.

### Step 3:

#### Check Sa

Sa jaha hoga waha thanda kar dega usko delay kardega and peedha dega. Sa ki peedha aapki patience test karta hai.. Aapko improve karne ke liye deta hai.

Sa in 9th house ⇒ pitaji se pain milega but vo aapke bhale ke liye hi hoga

#### Then Check Me:

Waha aap jigyasu hoge.

Like Me in 11th house: paisa kamaane ki jigyaas hogi. Waha bachho ki tareh behave karoge.. Curiosity hogi.

#### Then check Ve:

Waha aapki grace hai.

In lagan ⇒ personality graceful hai.

In 8th house ⇒ in-laws graceful hain ya aap unke sath graceful ho sakte ho...ya sexual activities mai aap graceful ho

#### Then check Ra:

Waha honge aapke desires, passion, stubbornness, jidd... cheezo ko chaahoge waha pe And leke bhi aaoge.

#### Then check Ke:

Yaha aapki detachment feel hogi. Satisfaction nahi milegi. Yaha aapko fakeer banna hoga if you want to gain something here. Agar aapko vo chaahiye then usko bhool jao, hope and expectations chhod do.

In 5th house ⇒ kids ki hope chood do.

In 7th house ⇒ partner se dissatisfied rahoge.... Peeche mat pado... mil jaayega

In 10th house ⇒ job mai satisfaction nahi milegi... aapko apna khud ka kaam karna hoga.

Rashi jyada mat dekho... ye saral jyotish hai.

Complicated waali seekhni hai to 2-2.5Lac lagega and 2-3 saal lagenge.

Jyada great banne ki jarurat nahi hai vaise.

### Step 3:

#### Then check Rashis:

Capricorn jaha hai ⇒ waha aapko naa chahte hue bhi kaam karna padega.

In 4th house ⇒ mother ka kuch ka kuch karna hoga...

3rd house mai kids ka karna padega

10th mai hai to workplace ke liye karna hoga

Agar kisi ki naukri nahi lag rahi ⇒ uss time pe Su uska weak hai uss time...

Lethargy hai ya PRIDE bahut jyada kar rakhi hai....

Vo uss time koi specific naukri karna chahta hai ... vo uski nahi lag rahi... otherwise to kuch bhi kaam kara ja sakta hai.

Amit: beech beech mai jyotish darbaar hua karega jismai snapshot predictions bataayi jaayengi... monthly hoga.

### Step 4:

Then check Moon transit and find out 6 days in the month where you should avoid planning big things.

### Step 5:

Fir ham Nakshatra dekhenge.

Then Mahadasha dekhenge.

Then Do Ashtakvarga.

Asli jyotish face reading kar sakta hai.

00.23.00

Amit was talking about some Suhasini Mind reader....she uses some technology trick... AMit explained but I have not seen this trick.

If someone doesn't know his birth time:

Aapko current time ki kundli ka pata hona chaahiye..... Jiss time jatak aya hai...

Vo hogi Prashna Kundli...depending on ki lagan kaha hai and Moon kaha hai current kundli mai.... Uske sawal ka jawab dia jaayega.

Check current Su and Mo... iss time Mo kharaab hai to aap pareshaan hain, mother ke bhi issues ho sakte hain.... Su kharaab hai to Govt ke bhi issues ho sakte hain ya case ka chakkar hai, ya pitaji bimaar hain.

As a jyotish aapko current kundli ka pata hona chaahiye.... Transit planets ka bhi pata hona chaahiye.

Sun is in 1st house in morning, in 10th house in noon and in 7th house in night...

Current kundli dekhlo... uss time jo bhi aayega vo vohi sawaal poochega... thodi observation chaahiye... ki jatak ameer hai gareeb hai etc

Bikaner mai ek jyotish gali hai... waha ke astrologers bahut famous hain.

Astrologers should be good story tellers ki jinko sunne mai hi maja aaye.... Baat karni aani chahiye.

Common sense also apply: like koi 45-50yrs of age ka banda aya.... So we know that ki uske kids ka koi issue hoga etc... GF ka to nahi hoga...

Koi 20s mai aya hai ⇒ job ka issue hai.. ya GF ka hai...ya shaadi ka...  
Parents ke sath aya hai to bhi kuch pata chal jaayega...  
Haat dekhke bhi pata chal jaayega... sherlock holmes types.  
Observational skills.... Like lady akeli aayi hai ⇒ marriage issues OR saas issues.

Note: aapko client se phaalto ki baatein nahi karni hain. He is just bothered about his issue...like Promotion in job.... Aap kitna samjhaalo ki teri posting ho jaayegi and tera kharcha jyada ho jayega, so promotion mat le... but use to promotion hi chaahiye.  
Hame client ko darana nahi hai.... But bina daraaye client paise nahi deta....  
1k-2k paise lene waalo ka pet nahi bharta and fir vo kal sarp dosh etc bata dete hain... but moti fees lene wala phaalto nahi batata.

Ve based astrologers paisa jyada kamaayenge but unki umar kam ho jaayegi....kalyug mai yehi badhiya karenge...  
Ju based ko pata hai ki faaltu tanto se koi farak nahi padta.

Sadhguru aise shaadi karte hain ki vo pakka energies ko baandh dete hain.... Alag nahi hoge... alag hoge to mar jaaoge...  
Mangal sutra ko energize kar dete hain... and it needs recharge every 2 years.

Koi bhi aapko test kare to usse fees lelo... fail bhi ho jao to koi ni... aapne to kama liye.  
Astrology is not for poor people... ye raja ke liye hai.... And Money is important factor in it....  
Jyada paise doge tabhi aapki intention and will ka pata chalega... 100 rupe mai koi batayega ki Sun ko paani do to koi nahi karega... but 20k doge to follow bhi karoge...

#### THEN:

You have to see ki agar Sa ki drishti pad gayi to utna work nahi karega.... Ju ki pad gayi to utna kharaab nahi karegi...  
Sa utna faayedda nahi hone dega and Ju utna nuksaan nahi hone dega...

Nakshatra level ham baadmai padenge and usmai samajna kam but ratne wala jyada hai...

Which charts to Avoid:  
Jinke Cancer mai Rahu hota hai.. Specially in lagan.. Vo bahut pareshaan karenge.  
Vo aap pe latak lenge and kal ko agar koi kaand karenge to unke phone mai aap hi ke number milenge.  
Mo + Ra can also be avoided.

#### QnA:

CS:  
Skin issues ⇒ Me issues.  
Mu pe hai ⇒ 2nd house and Me dekho.

Ke in lagan is not great to have. Pyase reh jaaoge...  
Ra in 7th house ⇒ out of religion bhi shaadi ho sakti hai.

Astrology mai if you are not sure then do not predict... else paap lagega.

CS:  
Ve in 6,8,12 house ⇒ some marriage related issues.

Amit: marriage wala gyaan dena hi band kardo... ya to unka Ju weak hai... dekhne mai theek hain to Ve theek hai Ju hi kharaab hai...  
And agar dekhne mai hi theek nahi hain then Ve weak hai .. isliye koi unhe pasand nahi kar raha.

Koi late marriage kar raha hai to karne do.... 36 mai akal aa jaati hai.. Fir shaadi kar lete hain...AND aajkal ki generation 90yrs jiyegi... pehele to 65 mai hi nipat jaate the...  
Sab kuch 15-20 yrs delay ho jayega.

Astrology Desh kaal paatra follow karta hai.. ⇒ dynamic and according to current times.

DELAYED ⇒ early start kardo... delayed is relative... means aapke attempts shuru karne ke kaafi baad milega.

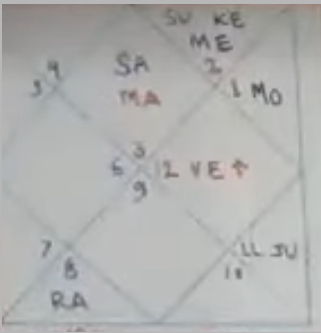

CS:  
Right eye issue. 2nd house has Me Ve in Virgo. ⇒ LEO lagan. Lagan has Ketu.  
Ve is neech ka and Ve is related to eye.  
Eyes ka paani to Mo se dekhte hain... Mo bhi Sa ke sath hai.  
Ve in 2nd ⇒ beautiful.  
Amit: aap pati ke subservient ho jaayen... rishte acche karlo.. Pyaar karlo, gussa mat karo, tea-coffee poocho unse...eyes theek ho jaayegi.... But aap pride wali lady hain.... Aapse hoga nahi...chahe eyes phoot jaaye

CS:  
Gemini lagan ⇒ curiosity aapmai koot koot ke bhari hui hai...

CS:  
10th house has Ra...in taurus.  
Lagan is Singh ⇒ akad to hogi hi..  
5th house mai Su Ju Me hai..  
**Jo jiddi hote hain.. And akad hoti hai bahut... unke knees mai problem HOTI HI HAI.**  
Amit: arthritis theek nahi hota... unko Ramdev ke pass pushpanjali mai bhej do...

CS:  
If Mo and Su and Sa together hain.... In 6th house..  
⇒ mann ladaai mai hoga... and govt se nuksaan bhi rahega...  
Ladaai vadaai debt bhi hoga... 6th house is not a good house.  
Sa ⇒ emotional disturbances bhi hongii..

CS:

Kya aap rates jyada ya kam bataate hain...

Aap ladies ya sundarta related kaam karen to achha rahega... like apni team mai ladkiyon ko rakhen, ya nykaa type company ke projects le len.. Ya bra-panty ka business karen.

Sanitary pads ka business, ladies perfume ka...kaam mai wife ko rakh lia... lady staff hire kar lia etc

CS:

Virgo lagan and 12th house has Sa Ke Mo

Amit: career mai bahut breaks aayenge.... Bahar se related kaam karoge to badhiya rahega.

CS:

Amavas ki titi ko jo paida hua hai.. Uski life mai struggle bahut hua hai...

Grahan waale din ko bhi struggle hota hai.... Its not wrong... as heere ko ghisna padta hai...

Su + Ra OR Mo + Ra grahan yog hain.

CS:

Su 6,8 ya 12th house mai ho.. But exalted ho like Sun in Aries...but in 8th house Then kaisa rahega....

Amit: hame kisi bhi house se materialistic and nonmaterialistic cheeze dono nahi milti....

Su in Aries is unchh ka hai but 8th house mai hai ⇒ transformatory hai ⇒ pitaji transformatory hain ya govt job transformatory hogi....

Govt job is because of Sun for you. BUT usmai normal kaam nahi hoga... transformatory sa rahega...

8th house mai koi bhi planet jaayega to kuch na kuch to nuksaan karega hi....

Yehi Sun agar kisi aur house mai hota to bahut achha hota...

CS:

Job nahi lag rahi ⇒ Su is weak.

Mo is in 3rd house in Aries.

Vo naukri kar nahi paati...

Amit: 26 ki ladki hai... to shaadi kyo nahi karte..... Jisse engagement and roka ho rakha hai and vo bol rahe hain ki 28 mai shaadi karenge...

Mo is impulsive... mannn kahi nahi lagega...

Itn lamba roka mai hi dikkat lag rahi hai....

CS:

Ra in 7th house OR 7th Rashi... konsa jyada effective hoga...

Amit: pehele house prominent hoga... 2nd preference rashi sign hoga.... But flavor dono mai milega...

Ju + Ra in 7th sign in 2nd house... Virgo lagan ⇒

**Amit:** ye Ju + Ra jhoot bolta hai... aap gyaan bada pelenge but andar se substance nahi hoga.... OR aapka spouse jhoota milega...

Decision making mai bhi dikkat hogi... specially jaha parents involved honge...

CS:

Gemini lagan. Hips se leg mai pain hota hai...

Me Su is in 3rd house.

Amit: Me in Leo ⇒ nerve ka kuch issues de raha hai...

Remedy: Wednesday ko cow ko chara khilao and ghar pe indoor plants rakho..

CS:

Ke in 6th house in aquarius ki remedy.

Amit: faaltu friends naa banaaye...

Ve + Ma in gemini in 10th house ⇒ wife se ladaai jhagde honge...

Career kaisa rahega?

**Amit:** bhai tere pass choice kya hai? Teri aukaat kya hai ? aapke pass kakh nahi hai... aur baatein badi badi kar rahe ho.

Thats y gareebo ki consultation karni hi nahi chaahiye.... Gareebo ko haq nahi hai... isiliye vo gareeb hain..

Rags to riches story mai sabse badi chee hai ki vo Rich bana..... Tabhi uski help kari jaayegi... ek escape velocity pe ana padega...

Koi 12 crore ke ghar mai reh raha hai... bech nahi raha... salary 40k hi hai... to vo gareeb hai...

But ek gareeb banda.. Mehenat karke.. Exam pass karke kuch banta hai... then uski madad kari jaa sakti hai..

CS:

Capricorn lagan... and lagan mai hi Ju Me Su Ve.

Amit: ye insaan ghuta ghuta mehesoos karega life long.

Ve means grace on face BUT yaha Sa ki rahi aa gayi... to vo kam kardega...

Opposite type planets hain lagan mai... to awkward hoga planets ke liye bhi.

CS:

A lady was asking confusing questions again and again...about her kid.

Amit: aapka Ra cancer mai hai ? YES.... then aap jaiso ki consultation nah kari jaati..

Aap jaiso ki consultation nahi karni chaahiye...

Aap apne bete ki life mai raita gholenge... uske career and shaadi mai bhi....

Aapki advise ke bina aapke kid ki life achhi hogi.... Aap astrologer pe latak lenge.... Astrologers aapko lootenge...

Ra in cancer ka khud ka dimaag kaabu mai nah hai... 50 sawaal karega vo..

Jisko darr hai.. Usse paise banaate hain astrologers, doctors and lawyers.  
Paise deke jaleel hone ke liye high IQ chaahiye.

Gareeb ki consultation bahut jyada involve hoke mat karo... thoda bahut batado usko.  
Gareeb ka circle bhi gareeb hi hota hai.... Vo kya karlega..

CS:

> Sapna aata hai ki koi mere peeche bhaag raha hai.... And mai usse bachke baagti hu... mere peeche jo hota hai vo change hota reheta hai.... Like koi animal, ya spirit etc...

Amit: ek mor pankh hota hai jo jabardasti nikala na gaya ho... jo mor ne chhoda ho...vo rakho ghar mai....

> Elder sibling hu mai... .

Amit: yes, elder sibling ko ye jyada hota hai.....

> Scorpio lagan with Ju.

Amit: pichle janam mai kisi accident se aapki death hui hai

> Ra in 12th house mai hai

Amit: tabhi aise sapne aate hain.... Mor pankh rakhna hai and coconut daan dena hai kisiko... aap shaadi karlo theek ho jayega...

> DOB is 17 July 1995... 27 age

Amit: aap bahut egoistic and dabang type banna chaahate hain life mai... ki mujhe kuch banna hai... BUT aap chupchap subservient hoke kisi se shaadi karle aapka sab theek ho jayega.

> mujhe marriage pasand nahi hai... career focus hu

Amit: aapko kisne bola ki jo pasand hai wohi karna hai?... vaise bhi kya ukhaad lia aapne shaadi naa karke bhi..... bachpan mai to daal bhi nahi pasand hogi....

Career mai achha naa karna bhi aapko pasand nahi hai.... Fir bhi kya ho gaya ? jo pasand hai vo mil gaya?

Shaadi aap karogi bahut age karke....

> mujhe shaadi nahi pasand.. Past relationship achha nahi chala and ab mai khush hu single hoke...

Amit: kiske tukdo pe pal rahe ho?

> parents ke

Amit: tabhi khush ho... but ye kab tak chalega... and aap khush NAHI HO.... jo log khush hote hain vo astrology nahi seekhte..... Jitna dukh hoga vo utna achha jyotish banega.... Agar aap khush ho to aap achhe jyotish nahi banoge....

CS:

Gemini lagan and 10th house mai pisces hai... IT job karta hu and MBA finance mai thi... IT and finance dono mai interest hai... but mind stable nahi hai ki kya karu... computer science engineering kari hui hai...usmai bhi interest hai.. Stock market mai bhi hai....

Amit: jo karna hai karlo... sawaal kyo pooch rahe ho. Aap maje le rahe ho.... Karne waale poochte nahi hain.

Shaadi karlo... bahut questions khatam ho jayenge aapke.... Fir aap puchoge ki sabji konsi laau... biwi ko kaha ghumaau.

work and workplace are different. Workplace to tab hai jab job lag jaayegi.

CS:

Ve in Libra in 4th house. Cancer lagan.

Amit: property se related decisions aapko delegate kar dene chaahiye...

CS:

Mo in lagan. Marriage related issues hain. 2nd marriage mai bhi.

Ra in 3rd house in Cancer.

Amit: aapka mann hi theek jagah nahi hai.. Emotions misplaced hain...

2nd Marriage 9th house se dekhi jaati hai... not from 7th house.

Sukoon ke liye mann ko sthir karo... pooja path karo..

Aap Ra in cancer ho... aapki consultation/help nahi ho sakti....

CS:

Virgo lagan.

Amit: you are a judgemental person.. You judge your family members.... Isiliye family ke sath issues hain.
